

## **JEFF SCHARPING**

Jeff Scharping, Product Development with ICM in Colwich, Kansas, leads efforts to identify business opportunities for market expansion. Primarily responsible for marketing dry fractionation, gasification/combustion, and front-end oil extraction, Jeff collaborates with ICM's R&D and Technical Integration departments to develop new products and services to benefit the entire renewable fuels industry.

Jeff earned his Bachelor's Degree in Mechanical Engineering from Kansas State University in Manhattan and he received his Master's Degree in Business Administration from Wichita State University in Wichita.

ICM engineers, builds, and supports ethanol plants as well as serves as a leading ethanol industry advocate.
