EXPLANATORY PREFACE

This volume has been compiled and published in accordance with K.S.A. 77-430a and other applicable laws.

ARRANGEMENT OF RULES AND REGULATIONS

Administrative rules and regulations of the various state agencies are arranged in accordance with a three-part system of numbers divided by hyphens. The first number indicates the agency; the second number indicates the article (a group of regulations of such agency upon the same subject); the last number indicates the specific section or regulation within the article. For example, "1-4-11" refers to agency No. 1, article No. 4 and section No. 11.

The law requires that agencies cite the statutory authority for the regulation and the section(s) of the statutes which the regulation implements. This is published at the end of the text of the regulation. In addition, the Secretary of State includes a history of the regulation which indicates the original effective date of the regulation and each subsequent amendment.

COMMENTARY

This volume has been compiled and published in accordance with K.S.A. 77-430a and other applicable laws.

The 2015 Supplement contains rules and regulations filed after Dec. 31, 2008 and before Jan. 1, 2015. Regulations filed on and after Jan. 1, 2015 may be located by checking the Kansas Register, Kansas' official state newspaper. An index appears at the back of each Kansas Register and lists the volume and page number of the Register that contains the most recent version of the particular regulation. To receive a copy or subscribe to the Kansas Register, write to the Secretary of State's Office, Kansas Register, First Floor, Memorial Hall, 120 SW 10th Ave., Topeka, KS 66612, or call (785) 296-3489.

The history at the end of each regulation cites the authorizing and implementing statute(s). Any subsequent action follows. For example, in "amended, T-7-12-11-90, Dec. 31, 1990" the "T" means temporary, the "7" is the number assigned to the agency in the K.A.R. volumes, and 12-11-90 is the date that the regulation was filed. Following the last comma is the effective date. Therefore, the amendment was filed as a temporary regulation on Dec. 11, 1990 and the amendment became effective on Dec. 31, 1990. If the "T number" is not included in an action on a regulation, the regulation was filed as a permanent regulation. A temporary regulation becomes effective upon approval by the State Rules and Regulations Board and filing in the Secretary of State's Office or at a later date when specified in the body of the regulation. A temporary regulation lasts 120 days unless it is amended or revoked within 120 days. A permanent regulation is effective 15 days following publication in the Kansas Register or at a later date specified in the body of the regulation. Prior to July 1, 1995, a permanent regulation became effective 45 days following publication in the Kansas Register or at a later date specified in the body of the regulation. The regulation remains in effect until amended or revoked.

To find the most recent version of a regulation, first check the table of contents in the most current issue of the Kansas Register, then the Index to Regulations in the most current Kansas Register, next check the current K.A.R. Supplement, and finally check the current K.A.R. volume. *If the regulation is found at any of these sequential steps, stop and consider that version the most recent.*

General Rules: Volumes replace earlier volumes.

Supplements replace earlier supplements.

Supplements are additions that "supplement" current volumes.

For example, the 2015 Supplement supplements the 2009 Volumes. At printing, the current publications are the 2009 Kansas Administrative Regulations, Volumes 1-5, and the 2015 Supplement. The 2015 Supplement contains rules and regulations filed after Dec. 31, 2008 and before Jan. 1, 2015. Subsequent regulations are published in the Kansas Register and found using the Kansas Register's index to the K.A.R. When an individual volume is published, it replaces the same volume of an earlier year. For example, a 2009 Volume 2 would replace a 2006 Volume 2.

Any questions regarding the K.A.R. may be directed to the Secretary of State's Office by calling (785) 296-4564. Questions regarding the filing procedure may be directed to the Kansas Administrative Regulations Director at (785) 296-2114. For purchasing inquiries call (785) 368-6356. Questions concerning the subject matter of a regulation should be directed to the agency administering the regulation.

(k) If a parent revokes consent for the continued provision of particular special education, related services, supplementary aids and services, or placements, or any combination of these, and the IEP team certifies in writing that the child does not need the service or placement for which consent is being revoked in order to receive a free appropriate public education, the following shall apply:

92-12-66a. Abatement of final tax liabilities. (a) General. The authority of the secretary to abate all or part of a final tax liability shall be exercised only in cases in which there is serious doubt as to either the collectability of the tax due or the accuracy of the final tax liability and the abatement is in the best interest of the state. This authority shall be exercised to effect the collection of taxes with the least possible loss or cost to the state and with fairness to the taxpayer. The determination of whether to abate all or part of a final tax liability shall be wholly discretionary.

(b) Definitions.

(5) "Order denying abatement" means an order issued by the secretary that rejects a petition for abatement and refuses to abate any part of a final tax liability.

(10) "Serious doubt as to liability" means the doubt that exists when a reasonable person, viewing the controlling circumstances objectively, would conclude that it is probable that the final tax liability previously established by the department is greater than the actual tax liability imposed by the Kansas tax imposition statutes.

(11) "Tax" means the particular tax owed by the taxpayer and shall include any related interest and penalty.

(c) Factors affecting abatement.

(1) No final tax liability shall be abated on the ground of serious doubt as to liability if the taxpayer's liability for the tax has been established on the merits by a court judgment or decision of the court of tax appeals. No final tax liability shall be abated on the ground of serious doubt as to liability if the taxpayer has filed tax returns, absent a showing of the reporting errors on the returns.

(2) No tax liability shall be abated by the secretary if the taxpayer has acted with intent to de-

fraud or to delay collection of tax. Frivolous petitions and petitions submitted only to delay collection of a tax shall be immediately rejected.

(d) Procedures.

(1) Each petition for abatement shall be captioned "petition for abatement of a final tax liability" and shall be submitted to the secretary. The petition shall be signed by the petitioner and the taxpayer, if available, under the penalties of perjury and shall include the following:

(B) the facts that support the abatement; and

(C) a waiver of the taxpayer's right of confidentiality under the confidentiality provisions of chapter 79 of the Kansas statutes annotated and amendments thereto, conditioned upon the secretary's abatement of all or part of the final tax liability.

(3) After a petition has been submitted, the taxpayer shall provide any additional verified documentation that is requested by the secretary. The petitioner or taxpayer may be required by the secretary to appear before the secretary and testify under oath concerning a requested abatement.

(4) A petition for abatement may be withdrawn by the taxpayer at any time before its acceptance. When a petition is denied, the taxpayer shall be notified in writing by the secretary within 30 days of the decision to deny.

(5) An order of abatement that abates all or part of a final tax liability may be issued by the secretary. The order may direct any remaining liability to be paid within 30 days. Each order of abatement shall set forth the reasons that the petition for abatement was granted and all relevant information, including the following:

(6) The submission of a petition for abatement shall not prevent the collection of any tax.

(e) Effect of an order of abatement. Each order

Once an order of abatement is issued, matters covered by the order shall not be reopened by court action or otherwise, except for one of the following reasons:

Each summary shall include the following:

(1) The name of the taxpayer;

(2) a summary of the issues and the reasons for the abatement; and

(3) the amount of final tax liability, including penalties and interest, that was abated. (Authorized by K.S.A. 79-3236; implementing K.S.A. 2010 Supp. 79-3233, 79-3233a, and 79-3233b, as amended by 2011 SB 212, sec. 1; effective July 27, 2001; amended Oct. 28, 2011.)

92-12-146. Definitions. (a) "Contribution," as defined in L. 2014, ch. 93, sec. 56 and amendments thereto, shall include any donation of cash, stocks and bonds, personal property, or real property.

(1) Stocks and bonds shall be valued at the stock market price on the date of the transfer.

(2) Personal property shall be valued at the lesser of its fair market value or the cost to the donor. The value may include costs incurred in making the donation but shall not include sales tax. If the donor received the personal property as a gift or inheritance and the item is considered a rare and valuable antique or work of art, an independent appraisal may be necessary in determining the fair market value.

(3) The donation of real property shall be allowable for tax credit if title to the real property is in fee simple absolute and is clear of any encumbrances. The amount of tax credit allowable for donations of real property shall be based upon the lesser of two current, independent appraisals conducted by state-licensed appraisers.

(b) "Contributor" shall mean any of the following entities making a contribution:

(1) A C corporation filing an income tax return pursuant to the Kansas income tax act, and amendments thereto;

(2) a taxpayer filing a privilege tax return pursuant to K.S.A. 79-1105c et seq., and amendments thereto; or

(b) Each scholarship-granting organization for which an allocation of tax credits has been authorized pursuant to L. 2014, ch. 93, sec. 61, and amendments thereto, shall enter into a new tax credit agreement with the secretary at least one month before the beginning of each calendar year for which the tax credits are available. (Authorized by and implementing L. 2014, ch. 93, sec. 61; effective Dec. 5, 2014.)

(5) any other supporting documentation that the secretary requires to review the tax credit application.

(b) Each scholarship-granting organization shall submit the completed tax credit application and supporting documentation to the secretary for review. The application, including the supporting documentation, may be filed by electronic means in a manner approved by the secretary. The scholarship-granting organization shall receive written notification from the secretary when the application is approved or denied. The scholarship-granting organization shall provide a copy of this ap-

proval or denial to the contributor that has made the contribution. (Authorized by and implementing L. 2014, ch. 93, sec. 61; effective Dec. 5, 2014.)

Article 14.—LIQUEFIED PETROLEUM FUEL TAX

92-14-6. Sales of LP gas to special LP-gas permit users; use of special LP-gas permit user decals. (a) Each operator of any motor vehicle that bears a Kansas special permit LP-gas user decal shall either self-report tax on the use of LP gas on a mileage basis or pay the tax in advance, pursuant to K.S.A. 79-3492a through K.S.A. 79-3492c and amendments thereto. Each LP-gas dealer who delivers gas into the tank of any vehicle that bears a permit decal shall record the user's permit number and name on the sales invoice if tax is not collected on the sale.

(b) Except as provided in subsection (c), if a motor vehicle that is authorized to operate under a special LP-gas user permit is destroyed, sold, traded, or otherwise disposed of before the end of a calendar year or if for any other reason the permit holder removes the decal from the vehicle,

the permit holder shall immediately notify the director of taxation in writing of the nature of the vehicle transfer or the destruction of the decal. Failure to remove a permit decal from a vehicle that has been disposed of and to notify the director shall be grounds for cancellation of the authorization to operate on a mileage basis.

(c) If a permit holder sells a vehicle that is registered for LP-gas purposes to another permit holder or to a person who is applying for a permit, the purchaser may request the transfer of the permit, decal, and all other related rights and obligations to the purchaser. This transfer may be authorized by the director.

(d) If taxes have been paid in advance on a motor vehicle that is destroyed, sold, traded, otherwise disposed of, or converted from LP-gas use before the first of December in any year, the permit holder may apply for a refund of the taxes.

(e) Special LP-gas permit user decals shall be issued on a calendar-year basis. The decals shall be placed inside on the lower driver's side of the windshield. (Authorized by K.S.A. 79-34,102; implementing K.S.A. 2013 Supp. 79-3491a, K.S.A. 79-3492a, K.S.A. 2013 Supp. 79-3492b, K.S.A. 79-3492c, 79-3492d; effective, E-73-20, July 1, 1973; effective Jan. 1, 1974; amended March 29, 2002; amended Oct. 17, 2014.)

92-14-9. (Authorized by K.S.A. 79-34,102; implementing K.S.A. 79-3490, 79-3492; effective May 1, 1982; amended May 1, 1983; amended March 29, 2002; revoked Oct. 17, 2014.)

Article 19.—KANSAS RETAILERS' SALES TAX

92-19-3. (Authorized by K.S.A. 79-3618; implementing K.S.A. 79-3602, 79-3607, 79-3609; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; effective Jan. 1, 1972; amended May 1, 1988; amended June 26, 1998; revoked April 1, 2011.)

92-19-3a. Credit sales, conditional sales, and other sales and service transactions that allow deferred payment. (a) For purposes of this regulation, K.A.R. 92-19-3b, K.A.R. 92-19-3c, and K.A.R. 92-19-55b, the following definitions shall apply:

(1) "Conditional sale" means a sales transaction made pursuant to a written agreement that is treated as a sale of goods for federal income tax purposes in which the buyer gains immediate pos-

session or control of the goods but the seller or a financial institution retains title to or a security interest in the goods to ensure its future receipt of full payment before clear title is transferred to the buyer in possession or control of the goods. Conditional sale contracts include "financing leases."

(2) "Credit charge" means interest, finance, and carrying charges from credit extended on the sale of goods or services, if the amount is separately stated on the invoice, bill of sale, or similar document given to the buyer.

(3) "Credit sale" means a sale of goods or services under an agreement that provides for the deferred payment of the purchase price. Credit sales shall include sales made under the following:

(A) An installment contract that transfers title and possession of the goods to the buyer at the time of purchase, but allows payment to be made in periodic installments; and

(B) a revolving credit contract that extends a line of credit to a buyer that allows purchases to be charged against the account and provides for periodic billing that requires payment of part of, and allows for payment of all of, the credit balance owed by the buyer.

(4) "Creditor" means an entity or person to whom money is owed.

(5) "Financial institution" means a bank, savings and loan, credit union, or other finance company licensed under the provisions of the Kansas uniform consumer credit code as specified in K.S.A. 79-3602, and amendments thereto, for isolated or occasional sales.

(6) "Financing lease" means a conditional-sale contract that is denominated a lease, but that is intended to finance a lessee's purchase of goods or its continued possession of goods under a sale-leaseback agreement. A lessor shall be presumed to have entered into a financing lease if the lessor accounts for the lease transaction as a financing agreement for federal income tax purposes. The term "capital lease" shall be considered synonymous with "financing lease."

(7) "Goods" has the same meaning as "tangible personal property," which is specified in K.S.A. 79-3602, and amendments thereto.

(8) "Invoice" means a paper or electronic bill of sale or similar dated document containing an itemized list of goods or services sold to the buyer that specifies the selling price of the goods or services and complies with the requirements of K.S.A.

79-3648 and amendments thereto, when an itemized charge is taxable.

(9) "Layaway sale" means a transaction in which property is set aside for future delivery to a customer who makes a deposit, agrees to pay the balance of the purchase price over a period of time, and, at the end of the payment period, receives the property. An order shall be deemed accepted for layaway by the seller when the seller removes the property from normal inventory or clearly identifies the property as sold to the purchaser.

(10) "Operating lease" has the meaning specified in K.A.R. 92-19-55b.

(11) "Purchase price" has the meaning of "sales or selling price" specified in K.S.A. 79-3602, and amendments thereto.

(12) "Rain check" means that the seller allows a customer to purchase an item at a certain price at a later time because the particular item was out of stock.

(13) "Repossessed goods" means goods sold on credit that a retailer or other creditor reclaims as allowed by law after a buyer or debtor defaults on installment payments.

(14) "Returned goods" means goods that a buyer returns to a retailer upon the parties' cancellation of the original sales contract when the retailer either credits or refunds the full selling price of the goods and associated sales tax to the buyer. Returned goods shall not include goods accepted in trade or barter, goods repossessed or recaptured by legal process, and goods secured pursuant to the consumer's abandonment of the sales contract or other voluntary surrender.

(15) "Sales tax" or "tax" means Kansas retailers' sales tax, Kansas retailers' compensating use tax, and any local retailers' sales or use tax that is levied in addition to the state tax.

(16) "Services" has the meaning specified in K.S.A. 79-3602, and amendments thereto.

(b) Nothing in this regulation, K.A.R. 92-19-3b, K.A.R. 92-19-3c, or K.A.R. 92-19-55b shall be construed as modifying any of the following:

(1) Any requirement of any Kansas certificate-of-title statute or supporting regulation;

(2) any provision of the retailers' sales tax act that allows a retailer to discount the selling price of goods or services based on a trade-in, coupon, or other price reduction that is allowed by a retailer and taken by a buyer on a sale; or

(3) any requirement imposed on creditors or consumers by the Kansas uniform consumer

credit code, K.S.A. 16a-1-101 et seq., and amendments thereto.

(c)(1) When a retailer makes credit sales, the retailer may report and pay tax to the department on the total cash and other payments the retailer receives during each reporting period or, if the retailer's books and records are regularly kept on the accrual basis, on the total receipts accrued in its books and records during each reporting period. A retailer that has filed six or more sales tax returns using the same method of accounting that it uses for its federal income tax reporting shall be presumed to have knowingly elected to use that method of accounting for sales tax purposes and to have benefited from its election. Regardless of the reasons for electing to use one method of accounting, a retailer shall continue to use that method of accounting to report its credit and other retail sales unless the director of taxation authorizes the retailer in writing to change its method of accounting for all future sales tax returns or the internal revenue service directs or authorizes the retailer to change its method of accounting for federal income tax purposes.

(2) A retailer shall not be disqualified from reporting sales on a cash-receipts basis because it makes credit sales or has accounts receivable. However, when a retailer that reports credit sales on a cash-receipts basis sells, factors, assigns, or otherwise transfers an installment contract, account receivable, or similar instrument, sales tax shall become due on the total amount of the remaining payments and shall be reported on the return for the period in which the retailer is paid or credited for the contract or receivable.

(3) For the purposes of administering and enforcing the requirements of the Kansas retailers' sales tax act for retailers that report tax based on the total receipts accrued during a reporting period, the date contained on the invoice given to the buyer shall be presumed to be the date the retailer recognizes the receipts in its books and records as earned.

(4) If a retailer finds that it is a hardship to report and remit sales tax in accordance with the requirements in this subsection, the retailer may apply in writing to the director of taxation for permission to start reporting its sales using a different accounting method. The retailer shall fully explain the reasons for the request, and the director may identify reasonable requirements that the retailer shall meet as a condition to allowing the retailer

to change the method of accounting it uses to report sales tax.

(d)(1) Each retailer that accounts for its credit sales on the accrual basis shall bill the buyer the full amount of tax that is due on the purchase price of the goods or services sold on credit and shall source and report the sale as if it were a cash sale. The purchase price shall not be reduced by any expense that the retailer attributes to the sale or service and recovers from the buyer even when the retailer bills the expense as a separate line-item charge or on a separate invoice.

(2) When a credit sale is made, any credit charge that is paid by a buyer in addition to the purchase price of goods or services shall be deemed not to be part of the purchase price and shall not be subject to sales tax if both of the following conditions are met:

(A) The invoice, bill of sale, or similar document given to the buyer separately states the credit charge and the selling price of the goods or services that were sold on credit.

(B) The extension of credit was contracted for by the parties, provided for by standard industry custom or practice, or otherwise granted by the retailer, including by issuing an invoice that unilaterally informs the buyer that interest at a stated rate will be added each month to any outstanding credit balance.

(3) A retailer's charges for the extension of credit that meet the requirements of paragraph (d)(2) shall not be included in the retailer's report of gross receipts.

(4) A retailer that makes credit sales shall maintain records that separately show the selling price of the goods or services, the corresponding amount of sales tax charged, the customer's credit balance, and any interest, financing, or carrying charge that has been added to that balance.

(5) A retailer shall not collect sales tax on charges to customers for insufficient funds checks or closed-account checks. The receipts from these charges shall not be included in the retailers report of gross receipts.

(6) This subsection shall not apply to the types of charges related to credit-card use that are specified in subsection (e).

(e)(1) If a retailer increases the selling price of goods or services for a buyer who uses a credit card to compensate for interchange fees or other charges that the credit-card company will later deduct from the payment it forwards to the retailer's account, these increases shall be considered to be

part of the selling price of the goods or services and shall be subject to tax.

(2) Interchange fees and other charges that a credit-card company deducts from a participating retailer's account shall be deemed charges for the financial services that the credit-card company has rendered for the retailer and shall not be deducted from the retailer's report of gross receipts or otherwise used to reduce the amount of sales tax being reported.

(f)(1) A progress payment shall mean a payment made to a contractor as work progresses on a construction project that may be conditioned on the percentage of work completed, the stage of work completed, the costs incurred by the contractor, a payment schedule, or some other basis. Each contractor who issues a bill or statement for a progress payment for a period in which the contractor performed taxable labor services shall report sales tax on the taxable services as part of its gross receipts.

(2) If a contractor reports sales tax on the cash basis, it shall report the taxable labor services it performed during the period covered by a progress payment on the return it files for the sales-tax reporting period in which it receives the progress payment. If a contractor reports sales tax on the accrual basis, it shall report the taxable services it performed during the period covered by a progress-billing statement on the return it files for the sales-tax reporting period in which it recognizes the charges on its progress-billing statement in its books and records as earned.

(g)(1) Unless otherwise provided by statute, each retailer that makes a layaway sale shall report sales tax on the total selling price of the goods sold on layaway when the final payment is made and the goods are delivered to the buyer. The tax rate that is applied to a layaway sale shall be the rate that is in effect at the time of delivery. An exemption may be claimed on a layaway sale only if the exemption is in effect at the time of delivery. If an unpaid balance remains when the goods are delivered, the transaction shall be reported as a credit sale that is consummated when the goods are delivered to the buyer.

(2) Sales tax shall be applied to a purchase made under a rain check in the same way that the tax is applied to a purchase made under a layaway sale.

(h)(1) Each retailer shall collect and remit tax in accordance with this subsection on any taxable sales of goods the retailer makes under a financing lease agreement or other conditional sale, unless

the lease or sale satisfies one of the requirements listed in paragraphs (i)(2)(A) through (C).

(2) When an accrual-basis retailer sells goods at retail and the sale is financed under a financing lease, the retailer shall collect and remit sales tax at the time of sale on the full selling price of the goods. Sales tax shall be collected and remitted in this manner even if the retailer transfers title to the goods to a financial institution and possession of the goods to the third-party lessee or if the retailer retains title to the goods and transfers possession to the lessee. Lease payments that a third-party lessee makes to a financial institution or retailer to discharge its loan-repayment obligations under a financing lease or other conditional sale shall not be subject to tax.

(3) A financial institution shall not claim a resale exemption for the purchase of goods that the financial institution is financing under a financing lease agreement.

(4) The transfer of title to the lessee upon completion of the lease payments required under a financing lease agreement shall not be subject to tax.

(i)(1) A contract shall be treated as a financing lease regardless of whether the underlying transaction is characterized as a lease or rental under generally accepted accounting principles, the internal revenue code, the uniform commercial code, K.S.A. 84-1-101 et seq. and amendments thereto, or any other provision of federal, state, or local law, if the contract requires the lessee to possess or control the goods under a security agreement or deferred payment plan that requires the transfer of possession or control of the goods to the lessee under either of the following:

(A) A security agreement or deferred payment plan that requires the transfer of title to the lessee upon completion of the required payments; or

(B) an agreement that requires the transfer of title upon completion of the required installment payments plus the additional payment of an option price, and the option price does not exceed the greater of \$100 or 1% of the total required payments.

(2) Unless paragraph (i)(1) requires a contract to be treated as a financing lease, a contract shall be treated as an operating lease and not as a financing lease if the contract meets one of the following requirements:

(A) Contains a provision that allows the lessor to claim federal income tax depreciation benefits for the leased goods;

(B) allows the lessee to terminate the agreement at any time by returning the goods and making all lease payments due to the date of return; or

(C) qualifies as a Kansas consumer lease-purchase agreement under K.S.A. 50-680 et seq., and amendments thereto.

(j)(1) A late payment charge or penalty billed to a customer shall be exempt under this regulation only if the late payment charge or penalty is imposed for nonpayment of a credit balance that is owed under the parties' agreement for the extension of credit, a financing lease, or other conditional sale agreement.

(2) A late payment charge or penalty that is billed to a customer by a regulated utility, cable provider, telecommunications company, or other entity that operates under the authority granted by law or contract by a municipal, county, state, or federal governmental unit is not a credit charge imposed for the extension of credit and shall be subject to sales tax.

(3) A late payment charge or penalty imposed under an operating lease or rental agreement shall be subject to tax in accordance with subsection (d) of K.A.R. 92-19-55b. (Authorized by K.S.A. 2010 Supp. 75-5155 and K.S.A. 2010 Supp. 79-3618; implementing K.S.A. 2010 Supp. 75-5155, K.S.A. 2010 Supp. 79-3602, K.S.A. 2010 Supp. 79-3603, K.S.A. 2010 Supp. 79-3609, and K.S.A. 2010 Supp. 79-3618; effective April 1, 2011.)

92-19-3b. Allowances for bad debts. (a) General.

(1) For purposes of this regulation, "bad debt" shall mean any debt owed to or account receivable held by a retailer that can be claimed as a "wholly or partially worthless debt" deduction under 26 U.S.C. Section 166 that arose from the sale of goods or services upon which the retailer reported retailers' sales or use tax in a prior reporting period; and

(2)(A) A retailer shall be eligible to claim a bad debt allowance if the retailer meets the following conditions:

(i) Was the original seller of the taxable goods or services;

(ii) charged and remitted the retailers' sales or use tax on a sale that can be claimed as a worthless debt deduction under 26 U.S.C. Section 166; and

(iii) has written off the bad debt as worthless or uncollectible in its books and records.

(B) A certified service provider shall be eligible

to claim a bad debt allowance on behalf of a retailer that meets the conditions in paragraph (a)(2)(A) if the provider meets the requirements in subsection (g).

(3) A claim for a bad debt allowance shall be considered to be filed with the department according to one of the following:

(A) On the due date of the return for the reporting period in which the bad debt is written off as uncollectible in the retailer's books and records, when a deduction for the bad debt is taken on that return; or

(B) on the date that the retailer files a refund claim with the department, if part or all of a bad debt allowance is being claimed as a refund because the bad debt allowance was not taken as a deduction on the appropriate return or the deduction that was taken exceeded the amount of taxable gross receipts being reported on that return. The filing date for a refund claim provided by K.S.A. 79-3609, and amendments thereto, shall be the later of either the postmark date on the refund request or the postmark date on the required supporting documentation.

(4) Each claim by a retailer for a deduction, credit, or refund based on a bad debt allowance shall be made in accordance with this regulation. K.A.R. 92-19-3c shall control the treatment of goods that are repossessed by a retailer after the retailer has taken a bad debt allowance on the underlying credit sale of goods defaulted on by the retailers' customer.

(5) After a retailer sells, factors, assigns, or otherwise transfers an account receivable, installment contract, or other similar debt instrument for a discount of any kind that authorizes a third party to collect customer payments, the retailer shall not be eligible to claim a bad debt allowance, credit, or refund for bad debts that arise under an instrument that was sold or transferred at a discount. A third party that purchases or otherwise obtains a debt instrument from the retailer, and any person that subsequently purchases or otherwise obtains the debt instrument, shall not be eligible to claim a bad debt allowance, credit, or refund for an underlying credit sale of goods or services defaulted on by the retailer's customer.

(b) Determining the amount of a bad debt allowance.

(1) The bad debt allowance that may be claimed for sales tax purposes shall be the difference between the federal worthless debt deduction calculated for the sale or account pursuant to 26

U.S.C. Section 166(b) and the applicable adjustments and exclusions to the federal worthless debt deduction specified in K.S.A. 79-3674 and amendments thereto.

(2) No anticipatory or statistical sampling method of estimating the amount of a sales-tax bad debt allowance shall be allowed except as specified in K.S.A. 79-3674(h) and amendments thereto.

(3) If a retailer maintains a reserve account for bad debts, only charges against the bad debt reserve that have been written off the retailer's books and records may be claimed as a bad debt allowance.

(4) The amount of sales tax that is deducted, credited, or refunded under a bad debt allowance shall not exceed the difference between the tax that the retailer remitted to the department on a retail transaction and the tax that the retailer collected on the retail transaction.

(5) The amount of a bad debt allowance shall not include any finance charges, collection expenses, or repossession expenses that the retailer assigned to the consumer's account.

(6) Whenever the sales tax rate that was in effect at the time and place of the original sale is changed pursuant to a statutory rate change or the enactment or repeal of a local tax, the amount of the bad debt allowance shall be adjusted to account for the rate change before the bad debt allowance is claimed.

(7) In the absence of adequate records showing the contrary, it shall be presumed that the interest rate for financing charges that the retailer billed to a customer's delinquent account is the maximum rate of interest that the retailer charged on the same type of delinquent account during the same period that gave rise to the bad debt.

(8) No interest shall be paid by the department on any sales-tax bad debt deduction taken on a retailer's tax return. Interest on a refund claim filed to recover part or all of a bad debt allowance shall be computed as provided in subsection (e).

(c) How to claim a bad debt allowance.

(1)(A) A retailer that is required to file federal income tax returns shall claim a bad debt allowance as a deduction from the taxable gross receipts being reported on the return the retailer files for the reporting period in which the bad debt is charged off its books and records as uncollectible.

(B) A retailer that is not required to file federal income tax returns, including a church or other

nonprofit entity, shall claim a bad debt allowance as a deduction from taxable gross receipts during the reporting period in which the bad debt is charged off its books and records, if the allowance would otherwise qualify for a worthless debt deduction under 26 U.S.C. Section 166 if the retailer were required to file federal income tax returns.

(2) If a retailer fails to timely claim a bad debt deduction on the return identified in paragraph (c)(1) or if a bad debt allowance exceeds the taxable gross receipts being reported on that return, the retailer shall file a refund request pursuant to K.S.A. 79-3609, and amendments thereto, to recover the bad debt allowance or the balance of the allowance. The retailer shall not claim a bad debt allowance as a deduction so that a negative balance is reported on a return, as a deduction on an amended return filed for an earlier reporting period, or as a deduction on a return filed for a later period.

(3) A refund request that is filed to recover a bad debt allowance shall not include any other type of refund claim. The supporting documentation shall clearly state that the refund request is based on a claim for a bad debt allowance and shall identify the sales tax reporting period in which the worthless debt deduction could have first been claimed for federal income tax purposes.

(4) A refund claim based on a bad debt allowance shall be denied if the due date of the return for the reporting period in which the retailer first became eligible to write off the worthless debt for federal income tax purposes is outside the limitation period specified in K.S.A. 79-3609, and amendments thereto, for filing refund claims.

(d) Substantiating documentation.

(1) The burden of establishing the right to and the validity of a sales-tax bad debt allowance shall be on the retailer. In order to verify each sales-tax bad debt allowance being claimed, the retailer shall retain records that show the following:

(A) The date when the retailer first became eligible to write off the worthless debt in the books and records that it maintains for federal income tax purposes;

(B) the amount of the worthless debt that was written off for federal income tax purposes and the amount of the worthless debt that is being claimed for Kansas sales tax purposes;

(C) any computations or adjustments made by the retailer to its federal worthless debt deduction

to arrive at the bad debt allowance being claimed for Kansas sales tax purposes;

(D) any portion of the debt or worthless account that represents customer charges that were not taxed; and

(E) the amount of interest, finance charges, service charges, collection, and repossession costs that the retailer assigned to the debt or worthless account.

(2) The information specified in paragraphs (d)(1)(A) through (d)(1)(E) may be requested by the department at any time to substantiate a retailer's bad debt allowance claim.

(3) Any retailer that qualifies to claim a sales-tax bad debt allowance and whose volume and character of uncollectible or worthless accounts warrant an alternative method of substantiating the allowance may apply in writing to the director of taxation and ask to be allowed to maintain records other than those specified in this subsection. The retailer shall explain the reasons for the request, and the director may identify reasonable requirements that the retailer must meet as a condition to allowing the retailer to maintain records other than those specified in this subsection.

(e) A bad debt allowance submitted as a refund request. If a retailer claims a bad debt allowance by filing a refund request in accordance with paragraphs (c)(2) through (c)(4), the request shall be treated as the retailer's application for a refund. If a refund request based on a bad debt allowance is approved, either a credit memorandum or a refund payment may be issued by the department to the retailer for the approved amount. The amount credited or refunded shall not include interest, unless a credit memorandum or refund payment is not issued within the time provided for refunds by K.S.A. 79-3609, and amendments thereto. If a credit memo or refund payment is issued after the time provided for refunds, interest shall be computed from the later of either the filing date of the refund request or the filing date of the supporting documentation required by K.S.A. 79-3693, and amendments thereto.

(f) Recovery of allowances previously taken. If a retailer collects payment for goods or services or repossesses goods that were the basis of a bad debt allowance, the retailer shall apply the payment first proportionally to the selling price of the goods or services and the corresponding sales tax that remains unpaid and then to any other charges that are owed on the customer's account, including interest, service charges, and collection costs

billed to the customer. The retailer shall report the payment amount that is apportioned to the selling price of the taxable goods or services as part of its taxable gross receipts for the period in which the payment is received.

(g) Certified service providers.

(1) If a retailer's filing responsibilities have been assumed by a certified service provider, the certified service provider may claim, on the retailer's behalf, any bad debt allowance that the retailer could claim under this regulation. The certified service provider shall provide a credit or issue a refund to the retailer for the full amount of any bad debt allowance that the provider recovers. No person other than the retailer who reported the taxable transaction and reported tax to the department, or a retailer's certified service provider, shall be entitled to claim a bad debt allowance that is based on a worthless debt or uncollectible account.

(2) If the books and records of the retailer or certified service provider claiming a sales-tax bad debt allowance support an allocation of the sales-tax bad debts among the member states on a particular customer's uncollectible account, the allocation shall be allowed pursuant to K.S.A. 79-3674, and amendments thereto. (Authorized by K.S.A. 2010 Supp. 75-5155 and 79-3618; implementing K.S.A. 2010 Supp. 79-3609, 79-3674, and 79-3693; effective April 1, 2011.)

92-19-3c. Repossessed goods. (a) Each retailer that repossesses goods that were the basis of a bad debt allowance under K.A.R. 92-19-3b, and each financial institution that repossesses goods, shall account for the repossessed goods in accordance with this regulation.

(b) The recovery of goods being repossessed and the transfer of title to the goods from the debtor to the retailer or financial institution are not retail sales and shall not be taxed.

(c) When repossessed goods are resold by a retailer at retail, the receipts from the sale shall be reported as part of the retailer's gross receipts. When repossessed goods are resold by a retailer as a sale for resale, a retailer that previously claimed a bad debt allowance on the goods shall account for the receipts as an allowance recovery in accordance with K.A.R. 92-19-3b(f).

(d) When goods are repossessed by a financial institution, the resale of the goods by the financial institution and the transfer of title to the buyer

shall be treated as nontaxable isolated or occasional sales.

(e) When a debtor satisfies the underlying debt after goods are repossessed, the return of goods and the transfer of title to the goods to the debtor are not retail sales and shall not be taxed. A retailer that previously claimed a bad debt allowance on the goods shall report the taxable gross receipts that are included in the payment from the debtor in accordance with K.A.R. 92-19-3b(f).

(f) When a retailer or financial institution uses repossessed goods other than for retention, demonstration, or display while holding the goods for resale in the regular course of business, the retailer or financial institution shall accrue sales tax on its use of the repossessed goods as the rental of the goods. (Authorized by K.S.A. 2009 Supp. 75-5155 and 79-3618; implementing K.S.A. 2009 Supp. 79-3602, K.S.A. 2009 Supp. 79-3603 as amended by L. 2010, Ch. 160, sec. 1, K.S.A. 2009 Supp. 79-3607 as amended by L. 2010, ch. 123, sec. 11, K.S.A. 2009 Supp. 79-3609 as amended by L. 2010, ch. 123, sec. 12, K.S.A. 2009 Supp. 79-3615, 79-3618 and 79-3674; effective April 1, 2011.)

92-19-10. (Authorized by K.S.A. 79-3618, implementing K.S.A. 1986 Supp. 79-3602, 79-3603 as amended by L. 1987, Ch. 182, Sec. 108, K.S.A. 1986 Supp. 79-3607; effective, E-70-33, July 1, 1970; effective, E-71-8, Jan. 1, 1971; effective Jan. 1, 1972; amended May 1, 1988; revoked April 1, 2011.)

92-19-16a. Gifts, premiums, prizes, coupons, and rebates. (a) Each sale of tangible personal property shall be taxable if made to a person who will use the property as a prize or premium or who will give the property away as a gift. Donors of articles of tangible personal property shall be regarded as the users or consumers of the property. If a retailer donates property that was originally acquired for resale, the retailer shall accrue tax on the cost it paid for the property when the retailer files its next sales tax return, unless the retailer donates the property to an entity that is exempt from taxation on its purchases under K.S.A. 79-3606, and amendments thereto, or has provided the retailer with a resale exemption certificate.

(b) If a retailer making a retail sale that is subject to tax gives a premium or prize along with the item being sold, the transaction shall be regarded as the sale of both items to the purchaser if deliv-

ery of the premium or prize does not depend on chance.

(c) If the award of a premium or prize by a retailer depends on chance, the retailer's acquisition of the premium or prize shall be subject to sales tax. The retailer shall pay the tax at the time of acquisition of the premium or prize or, if the item is removed from resale inventory, shall accrue tax on the item's cost on its sales tax return.

(d) If a retailer accepts a coupon for a taxable product and will later be reimbursed by a manufacturer or other party for the reduction in selling price, the total sales value, including the coupon amount, shall be subject to sales tax. If a retailer accepts a coupon and will not be reimbursed for the reduction in selling price, the reduction shall be considered a discount, and the taxable amount shall be the net amount paid by the customer after deducting the value of the coupon. If a retailer enhances the value of a manufacturer's coupon, the amount of the unreimbursed enhancement shall be treated as a discount that is not subject to sales tax.

(e) For purposes of this regulation, "rebate" shall mean a return of part of the amount paid for a product after the time of sale, which is commonly obtained by sending proof of purchase to the manufacturer. Like manufacturers' coupons, a manufacturer's rebate is a form of payment. Therefore, even if a manufacturer's rebate is assigned to a retailer at the time of sale, the rebate shall not reduce the amount that is subject to sales tax.

(f) Sales of gift certificates, meal cards, or other forms of credit that can be redeemed by the holder for the equivalent cash value shall not be subject to tax when sold. If the certificate or other form of credit is used as a cash equivalent to purchase taxable goods or services, the retailer who redeems the certificate or other form of credit shall charge sales tax on the selling price of the goods or services, which shall not be reduced by the amount of the certificate or other credit being redeemed.

(g) Sales of coupon books and similar materials that entitle the holder to a discount or other price advantage on the purchase of goods or services shall be presumed to have value in addition to the coupons or discounts contained in them and shall be taxable as sales of tangible personal property, except when the sale of this type of book is by a nonprofit organization that treats the receipts from the sales as a donation. If a coupon is re-

deemed from a coupon book or other material sold at retail, the retailer who redeems the coupon shall charge sales tax in accordance with the requirements for sales made with coupons that are specified in subsection (d).

(h) If a nonprofit organization treats receipts from the providing of coupon books and similar materials as donations, the nonprofit organization shall be liable for paying sales tax when it purchases the coupon books or other materials that are provided to a donor when a donation is made, unless the organization is otherwise exempted from paying tax on its purchases. If a coupon is redeemed, the retailer who redeems the coupon shall charge sales tax in accordance with the requirements for sales made with coupons that are specified in subsection (d). (Authorized by K.S.A. 2009 Supp. 75-5155 and 79-3618; implementing K.S.A. 2009 Supp. 79-3602 and K.S.A. 2009 Supp. 79-3603 as amended by L. 2010, ch. 160, sec. 1; effective July 27, 2001; amended April 23, 2007; amended April 1, 2011.)

92-19-16b. (Authorized by K.S.A. 2005 Supp. 75-5155 and K.S.A. 2005 Supp. 79-3618; implementing K.S.A. 2005 Supp. 79-3602, as amended by L. 2006, Ch. 202, Sec. 1, K.S.A. 2005 Supp. 79-3607, and K.S.A. 2005 Supp. 79-3609; effective April 13, 2007; revoked April 1, 2011.)

92-19-40. (Authorized by K.S.A. 79-3618, implementing K.S.A. 1986 Supp. 79-3606 as amended by L. 1987, Ch. 292, Sec. 32, as further amended by L. 1987, Ch. 64, Sec. 1; effective, E-80-26, Dec. 12, 1979; effective May 1, 1980; amended May 1, 1988; revoked April 1, 2011.)

92-19-42. (Authorized by K.S.A. 79-3618; implementing K.S.A. 1980 Supp. 79-3602, 79-3603, 79-3606; effective May 1, 1981; revoked April 1, 2011.)

92-19-49b. Goods returned when a sale is rescinded. (a)(1) When a retailer and consumer rescind a taxable sale of goods that the retailer reported on an earlier return, the retailer shall be entitled to deduct the original selling price of the returned goods from its current report of gross receipts, except as provided in paragraph (a)(2). A retail sale of goods shall be considered to be rescinded once the retailer accepts possession of the returned goods and the consumer accepts the repayment of all or part of the selling price and sales tax that was originally paid to buy the

goods. This repayment to the consumer may be made by credit or refund.

(2) If a retailer reduces the amount credited or refunded to the consumer for the returned goods as compensation for depreciation, consumer usage, or any other reduction in the value of the goods, the amount of the reduction shall be considered a charge by the retailer for the consumer's use of the goods and shall be subject to sales tax as if it were a rental charge being billed to the consumer. Both the deduction from gross receipts taken by the retailer on its current return and the selling price credited or refunded to the consumer shall be reduced by the amount taken as compensation for the reduced value of the goods. The amount of tax that is required to be credited or refunded to the consumer shall be reduced in a proportional amount.

(3) A retailer shall not be required to report its taxable receipts from a retail sale that is rescinded if the original sale, the acceptance of the returned goods by the retailer, and the full repayment to the consumer are all completed during one reporting period. If only partial repayment of the selling price and sales tax is made to the consumer, the retailer shall report the amount used as the reduced value of the goods as part of its gross receipts for that reporting period.

(4) If a retailer does not reduce the amount refunded to a consumer under paragraph (a)(2) or (a)(3) for a reduction in the value of the goods and charges a restocking or reshelving fee to the consumer after goods are returned, this fee shall not be taxable. A restocking or reshelving fee shall be defined as a fee charged by a retailer to cover the time and expense incurred returning goods to resale inventory if the consumer has not used the goods in a way that reduces their value.

(b) Each retailer shall maintain records that clearly establish and support its deduction claim when a sale is rescinded.

(c) Any retailer may take a deduction or credit for a refund claim on its sales tax return only if the deduction or credit has been authorized in writing by the department or is allowed under this regulation, K.A.R. 92-19-3b, K.A.R. 92-19-3c, or another department regulation. All other refund claims shall be made by submitting a written refund application to the department, in accordance with K.A.R. 92-19-49c.

(d) Repossessed goods shall be treated as specified in K.A.R. 92-19-3c.

(e) Despite any other provision of this regula-

tion, any motor vehicle manufacturer, manufacturer's agent, or authorized dealer may apply to the department for a refund or take a deduction during the reporting period if a consumer returns a motor vehicle in accordance with K.S.A. 50-645, and amendments thereto, and is refunded the total amount that the consumer paid for the vehicle, including sales tax, less a reasonable allowance for the consumer's use of the vehicle, which shall include the sales tax associated with that use. The manufacturer, agent, or dealer shall maintain records that clearly reflect the acceptance of the returned vehicle under K.S.A. 50-645 and amendments thereto, the amount of the refund, and the amount of taxes refunded. (Authorized by K.S.A. 2009 Supp. 75-5155 and K.S.A. 2009 Supp. 79-3618; implementing K.S.A. 2009 Supp. 79-3607 as amended by L. 2010, ch. 123, sec. 11, and K.S.A. 2009 Supp. 79-3609 as amended by L. 2010, ch. 123, sec. 12; effective May 27, 2005; amended April 1, 2011.)

92-19-55b. Operating leases. (a) Definitions.

(1) "Financing lease" shall have the meaning specified in K.A.R. 92-19-3a.

(2) "Goods" shall have the meaning as specified in K.A.R. 92-19-3a. For purposes of this regulation, "equipment" may be substituted for the word "goods" whenever equipment rentals or leases are being considered.

(3) "Lease or rental" shall have the meaning specified in K.S.A. 79-3602, and amendments thereto. When used in this regulation, these two terms and their derivatives are synonymous.

(4) "Lessee" shall mean a person who acquires the right to possess or control goods under a lease or rental agreement.

(5) "Lessor" shall mean a person who is engaged in the business of leasing or renting goods to others.

(6) "Operating lease" shall mean a lease agreement that gives the lessee possession or control of goods for a fixed or indeterminate period, while the lessor retains all or substantially all of the risk and rewards of ownership of the goods. This term shall be synonymous with "true lease."

(7) "Primary property location" shall have the meaning specified in K.S.A. 79-3670, and amendments thereto.

(8) "Sales tax" or "tax" shall have the meaning specified in K.A.R. 92-19-3a.

(9) "Transportation equipment" shall have the

meaning specified in K.S.A. 79-3670, and amendments thereto. When the term "motor vehicle" or "vehicle" is used, the term shall mean any passenger vehicle, truck, trailer, semitrailer, or truck tractor, as defined in K.S.A. 8-126 and amendments thereto, that is not classified as "transportation equipment" under K.S.A. 79-3670, and amendments thereto.

(b) Operating leases and rentals.

(1) Each agreement that is structured as a lease shall be treated as an operating lease unless the agreement meets the definition of a "financing lease" in K.A.R. 92-19-3a. Any operating-lease agreement may contain a future option to purchase the goods that are being leased or to extend the agreement, or both. Each oral lease shall be treated as an operating lease.

(2) Each person who rents or leases goods at retail for use in Kansas under an operating lease shall be deemed a retailer doing business in this state and shall register with the department and report tax on its taxable receipts as provided in this regulation. If tax is not collected on a taxable charge for a rental or lease, the tax together with interest and penalty may be collected by the department from either the lessor or the lessee.

(3) Each lessor shall collect tax on every taxable rental or lease charge that it bills to its lessees. A lessor shall not forgo this collection duty and elect instead to pay sales tax when the lessor buys goods to rent or lease.

(4) Each recurring periodic payment made under a rental or lease agreement shall be treated as a payment for a separate sales transaction in time units defined by the agreement of the parties. Each recurring periodic payment period under an agreement shall be treated as a complete sale for purposes of determining the following:

(A) Whether tax is required to be collected or paid on a periodic payment because of the enactment of a new tax imposition or exemption;

(B) whether a change in the tax rate applies to a periodic payment;

(C) what the appropriate local tax jurisdiction is when the primary property location is changed from one local taxing jurisdiction in Kansas to another; and

(D) what the appropriate state tax jurisdiction is when the primary property location is changed to Kansas from another state or from Kansas to another state.

(5) If a lease or rental agreement does not require recurring periodic payments to be made, the

lump-sum payment shall be treated as a complete sale for purposes of applying exemptions, tax rates, sourcing requirements, and other requirements of the sales tax act to the lease payment. No refund claim shall be allowed or assessment issued that is based on an enactment that takes effect after payment but during the term of this type of lease or rental, unless the enactment specifies otherwise.

(6) Each “rent-to-own” or “rental-purchase” agreement that is subject to the Kansas consumer lease-purchase agreement act, K.S.A. 50-680 et seq. and amendments thereto, shall be treated as an operating lease. A reinstatement fee charged under this type of an agreement shall be taxable.

(7) A rental or lease shall not qualify for exemption as an isolated or occasional sale of goods.

(c) Sourcing receipts from operating leases. Each receipt from the lease or rental of goods shall be sourced according to the following:

(1) Classification of the receipt as a down payment, recurring periodic payment, or a single payment for the entire lease or rental period; and

(2) the type of goods being leased or rented.

Each different type of receipt shall be sourced according to K.S.A. 79-3670 and amendments thereto.

(d) Computation of the tax.

(1) Sales tax shall be computed on the total amount of each lease charge billed to the lessee without any deduction for mandatory insurance, damage waiver fees, property taxes, maintenance, service, repair, pickup, delivery, and other handling charges, administrative charges, late payment charges or penalties, reinstatement fees, late return charges, fuel charges, surcharges, and other charges or expenses whether paid by the lessor or lessee. Each of these fees or expenses shall be considered to be part of a taxable lease charge, even when the fee or expense is separately stated on an invoice given to a lessee or when separate contracts are entered into for the rental or lease and for the payment of one or more of these fees or expenses.

(2) All payments of interest, financing, and carrying charges, and any other payment that a lessee makes to reimburse a lessor for the costs or expenses the lessee incurs under the lease, shall be subject to sales tax whether billed as a separate line-item charge or on a separate invoice.

(3) When a rental or lease agreement has been subject to sales tax, sales tax shall apply to any charge made for either of the following:

(A) The cancellation of the agreement; or

(B) the early return of the rented or leased goods.

(4) Each late return charge that is billed for a customer’s failure to return goods to a rental company or other lessor within the agreed-upon rental or lease term shall be treated as a charge for the customer’s continued possession or control of the goods. This charge shall be subject to sales tax regardless of whether the charge meets any of the following conditions:

(A) Is designated a late return charge, a penalty, or a credit charge;

(B) exceeds the standard rental charge; or

(C) is a flat charge that appears to be a fine.

(e) A lessor’s purchase of goods to rent or lease.

(1) Any registered lessor that rents or leases goods may claim that the goods are purchased for resale when the lessor buys goods for the sole purpose of renting or leasing to others.

(2) A lessor that rents or leases equipment or other goods to others shall not claim the equipment or goods are purchased for resale when the lessor buys the equipment or goods if the lessor engages in a service business that does either of the following:

(A) Uses the equipment or other goods to perform services, in addition to renting or leasing the equipment or goods; or

(B) furnishes the equipment or goods to others with an operator.

(3) If a lessor paid tax when it purchased goods, the payment of tax shall not exempt any subsequent charges that the lessor bills for the rental or lease of the goods and shall not entitle the lessor to claim a credit for the taxes paid. Each lessor that is allowed to claim that goods are purchased for resale as provided in paragraph (e)(1) but paid tax on the purchase of the goods in error shall apply to the department for a refund of the tax.

(4) If a lessor that purchased goods solely for rental or lease later withdraws the goods from its rental or lease inventory for its own occasional use and then returns them to its inventory, the lessor shall accrue sales tax on the regular rental amount that the retailer would charge to a customer for use of the goods under a rental or lease agreement.

(f) Purchases of repair services and repair parts.

(1) A lessor’s purchases of repair services and repair parts for incorporation into the goods or equipment that the lessor uses exclusively to rent or lease shall not be considered to be a retail sale.

A lessor's purchases of oil, grease, filters, lubricants, and similar items that are purchased for use in equipment that the lessor uses exclusively to rent or lease shall not be considered to be a retail sale. Sales tax shall be collected on any charges for these items that are separately billed to a lessee.

(2) The sale of repair services, repair parts, oil, grease, filters, lubricants, and similar items to a rental or lease business for use in equipment in its rental or lease inventory shall be a retail sale if the business uses equipment from its inventory to perform services or if the business furnishes equipment from its inventory to others with an operator.

(g) Furnishing equipment with an operator.

(1) Each charge for furnishing equipment with an operator who will use the equipment to perform services shall be taxed as a service rather than a rental or lease and shall be subject to the impositions on services set forth in K.S.A. 79-3603, and amendments thereto.

(2) Each lessor shall charge and collect sales tax on each lease or rental charge that the lessor bills to a lessee who intends to use the equipment being rented or leased to perform services for others.

(3) When a lessee bills a customer for taxable services that it performed using leased equipment, the lessee shall not deduct or otherwise exclude the lease charges that it paid to the lessor when the lessee bills its customer for the taxable services.

(4) Equipment shall be considered to be leased or rented rather than provided with an operator if the only services the lessor provides are setup, inspection, or maintenance services that are performed on the leased equipment itself.

(h) Disposal of rental or lease inventory. When goods that were purchased for rental or lease are sold at retail, the lessor shall collect sales tax on the full selling price without regard to any tax that has been collected and remitted on receipts from the rental or lease of the goods. The sale of any goods that a retailer makes from its rental or lease inventory shall not qualify as an isolated or occasional sale.

(i) Real property considerations.

(1) If a contract for the rental or lease of real property requires goods, including furniture and restaurant equipment, to be provided to a tenant with real property, no sales tax shall be due on any amount that is separately charged to the tenant for the goods. When a business purchases or

leases goods to use to furnish or equip an apartment, office, restaurant, or other real property that the business intends to lease or rent, the sale or lease of the goods to the business shall be considered a retail sale or lease, and the business shall pay sales tax on the purchase price or lease charges as the final user of the goods.

(2) Each rental or lease of goods, including computers, typewriters, and word processors, to a person who obtains the exclusive right to use the goods for a fixed term shall be subject to sales tax even though the goods are attached or affixed to real property, unless the goods are being furnished with the rental or lease of a real property as specified in paragraph (i)(1).

(3) For purposes of determining the taxability of a rental or lease transaction that involves tangible personal property attached to realty, taxability shall be presumed if the property being leased or rented is considered "goods" pursuant to K.S.A. 84-2-107(2), and amendments thereto, unless the goods are being furnished with the rental or lease of real property as specified in paragraph (i)(1).

(j) Exemptions, discounts, and deductions. Any discount, deduction, or exemption may be claimed when a rental or lease of goods or services is entered into if the same discount, deduction, or exemption would be allowed when the same goods or services are sold at retail. When a lessee that makes recurring periodic payments claims entitlement to a new discount, deduction, or exemption that first takes effect during the term of a lease, any discount, deduction, or exemption may be applied to the periodic payments as provided in paragraph (b)(4).

(k) Conditional sales. Each financing lease and other financing transactions shall be taxed as provided in K.A.R. 92-19-3a. (Authorized by K.S.A. 2010 Supp. 75-5155 and 79-3618; implementing K.S.A. 2010 Supp. 79-3602, 79-3603, 79-3604, 79-3618, 79-3669, 79-3670, and 79-3702; effective April 1, 2011.)

92-19-59. Private letter rulings. (a) A "private letter ruling" shall mean a statement of the secretary of revenue or the secretary's authorized agent issued to an individual retailer and shall be of limited application. A private letter ruling interprets the statute or regulation to which the ruling relates. A private letter ruling is issued in response to a retailer's written request for clarification of the tax statute or regulation relating to

a specified set of circumstances affecting the retailer's collections duties as they relate to a claim of exemption from sales tax.

(b) A retailer, consumer, or other person shall not rely upon a verbal opinion from the department of revenue. Only a written private letter ruling issued to a retailer that concerns the retailer's collection duties shall bind the department. Each retailer seeking a private letter ruling from the department shall submit a written request for the ruling to the department. The written request shall identify the retailer and state with specificity the facts and circumstances relating to the issue for which the ruling is sought. If insufficient facts are presented with a retailer's request for a ruling, a private letter ruling shall not be issued by the department. If material facts are misrepresented in a retailer's request for a ruling, a private letter ruling that is issued by the department shall be of no effect and shall not be binding on the department. Department correspondence that does not state that the correspondence is a "private letter ruling" shall not be considered or otherwise treated as a private letter ruling.

(c) Nothing contained in a private letter ruling shall be construed as altering any provision of the Kansas retailers' sales tax act or any department regulation or as otherwise meeting any of the following conditions:

- (1) Having the force and effect of law;
- (2) being a notice, revenue ruling, or other tax-policy statement that has been published by the department; or
- (3) being a precedent that can be cited or relied upon by any person other than the retailer to whom the ruling is issued, except to identify a ruling that is being relied upon as support for a request for the reduction or waiver of penalty or interest.

(d) If a private letter ruling erroneously instructs an individual retailer that it is not required to collect sales tax under a specific set of facts and circumstances, that retailer shall be absolved of its statutory duty to collect sales tax under a comparable set of facts and circumstances, unless the ruling has been rescinded or was based on the retailer's misrepresentation of material facts. A consumer that did not pay the tax to the retailer shall continue to be liable for the uncollected tax. However, if the consumer belatedly pays or is later assessed the tax, penalty shall be waived, and any interest on the consumer's late payment may be waived or reduced, upon the consumer's re-

quest unless the consumer misrepresented material facts to either the retailer or the department.

(e) Each private letter ruling shall cease to be valid and shall be deemed to have been rescinded when any one of the following occurs:

(1) A statute or regulation that the department relied upon as a basis for the ruling is changed in any substantive part by the Kansas legislature or department of revenue.

(2) A substantive change in the interpretation of a statute or regulation that the department relied upon as a basis for the ruling is made by a court decision.

(3) An interpretation that the department relied upon as a basis for the ruling is changed in any substantive part by a more recent department notice, guideline, revenue ruling, or other published policy directive that rescinds all prior published policy statements about issues that are discussed in the policy directive. Any policy statement that has been rescinded by the department may be cited as support for a taxpayer's request for the reduction or waiver of penalty or interest. (Authorized by K.S.A. 2009 Supp. 75-5155 and 79-3618; implementing K.S.A. 2009 Supp. 79-3604 and K.S.A. 79-3646; effective May 1, 1988; amended April 1, 2011.)

92-19-73. Membership fees and dues.

(a) Each public or private club, organization, or business charging dues to members for the use of the facilities for recreation or entertainment shall collect sales tax on the gross receipts received from the dues, except for the following:

(1) Clubs and organizations that are exempt from property tax pursuant to the "eighth" paragraph of K.S.A. 79-201 and amendments thereto, including the American legion, the veterans of foreign wars, and certain other military veterans' organizations;

(2) clubs and organizations that are exempt from property tax pursuant to the "ninth" paragraph of K.S.A. 79-201 and amendments thereto, including the Y.M.C.A., Y.W.C.A., Boy Scouts, Girl Scouts, and certain other humanitarian community service organizations; and

(3) nonprofit organizations that support nonprofit zoos, if the organization is exempt pursuant to section 501(c)(3) of the federal internal revenue code of 1986 and the dues are used to support the operation of the zoo.

(b)(1) "Dues" means any charge that is a debt

When the production incentive amount for the number of agricultural ethyl alcohol gallons sold by any producer to a qualified alcohol blender exceeds the balance in the applicable account at the time payment is to be made for that fiscal year’s production, the incentive per gallon shall be reduced proportionately so that the current balance of the applicable account is not exceeded. Any amount remaining in the account following a fiscal year payment of producer incentives shall be carried forward in that account to the next fiscal year for payment of future production incentives, except when the current production account balance is required by K.S.A. 79-34,161, and amendments thereto, to be transferred to the new production account. purposes if the records contain the information required by subsection (a).

(c) Each retail dealer shall retain the required records for at least three years. The records shall be available at all times during business hours and shall be subject to examination by the secretary of revenue or the secretary’s designee. As used in this article, each of the following terms shall have the meaning specified in this regulation: (a) "Device" means "ignition interlock device," as defined in K.S.A. 8-1013 and amendments thereto. This device uses microcomputer logic and internal memory and has a breath alcohol analyzer as a major component that interconnects with the ignition and other control systems of a motor vehicle. This device measures the

breath alcohol concentration (BrAC) of an intended driver to prevent the motor vehicle from being started if the BrAC exceeds a preset limit and to deter and record any instances of circumvention or tampering.

(b) "Alcohol setpoint" means the breath alcohol concentration at which the ignition interlock device is set to lock the ignition. The alcohol setpoint is the normal lockpoint at which the ignition interlock device is set at the time of calibration. The alcohol setpoint shall be .03. The alcohol setpoint for retests shall be .03.

(c) "BrAC" means the breath alcohol concentration expressed as weight divided by volume, based upon grams of alcohol per 210 liters of breath.

(d) "BrAC fail" means the condition in which the ignition interlock device registers a BrAC value equal to or greater than the alcohol setpoint when the intended driver conducts an initial test or retest. This condition is recorded as a violation.

The emergency bypass procedure shall require the driver to provide a breath sample with a test result below the alcohol setpoint.

(i) "Fail-safe" means a condition in which the ignition interlock device cannot operate properly due to a problem, including improper voltage and a dead sensor. In fail-safe, the ignition interlock device will not permit the vehicle to be started.

(j) "High BrAC" means a BrAC fail result for an initial test or retest that registers an alcohol setpoint of .08 or greater.

(k) “Lockout” means an instance in which the ignition interlock device will prevent the vehicle from starting. The vehicle cannot be operated until serviced by the service provider. A lockout occurs if any of the following events occurs:

(1) A driver incurs five or more violations between scheduled inspections with the service provider.

The device shall require the driver of the vehicle to submit to a retest within 10 minutes of starting the vehicle. A rolling retest shall continue at randomized, variable intervals ranging from 10 to 45 minutes after the previous retest for the duration of the travel.

(o) “Service provider” means an ignition interlock device technician that is authorized by a manufacturer to service a certified device on behalf of the manufacturer or the manufacturer’s representative. (3) certification that the device meets the following criteria:

(A) Offers safe operation of the vehicle in which installed, works reliably and accurately in an unsupervised environment, and, when in fail-safe, prevents the vehicle from starting;

(B) offers protection against tampering and is able to detect and be resistant to circumvention;

(C) allows for a free restart of the vehicle’s ignition within two minutes after the ignition has been turned off without requiring another breath test if the driver has not registered a BrAC fail or is not in the process of completing a retest;

(D) allows for a rolling retest of a subsequent breath test after the vehicle has been in operation;

(E) disables the ignition system if the BrAC of the person using the device equals or exceeds the alcohol setpoint of .03;

market exists for ignition interlock services in the state judicial district and the absence of a manufacturer's service provider in the state judicial district specified in paragraph (j)(1) does not create a competitive advantage for that manufacturer.

(3) The director approves the manufacturer to be absent from that state judicial district.

(k) If a driver completes six months of calibrations without the driver's device generating a lock-out or high BrAC, the service provider shall extend the driver's calibration period interval from 30 days to 60 days.

(l) Each device shall be capable of uniquely identifying and recording all of the following:

(1) Each time the vehicle is attempted to be started;

(2) each time the vehicle is started;

(3) the results of all tests, retests, or failures as being a malfunction of the device or a result of the driver not meeting the requirements;

(4) the length of time the vehicle was operated; and

(5) any indication of tampering.

The features required of the manufacturer's installed device shall be enabled to capture the information required by this subsection. (Authorized by and implementing K.S.A. 8-1016; effective Oct. 23, 1989; amended July 5, 2002; amended May 2, 2014.)

92-56-4. Installation, inspection, and calibration standards. (a) Each ignition interlock device installed at the direction of the division shall be done at the driver's own expense, except as allowed by K.A.R. 92-56-2.

(b) A manufacturer shall ensure that each service provider meets the following requirements:

(1) Install each device in accordance with the manufacturer's instructions. Each service provider shall, within two weeks of installation, inform the division each time a device has been installed;

(2) install each device so that the device will be deactivated if the driver has a BrAC of .03 or higher until a successful retest occurs;

(3) set each device so that if the driver fails the initial ignition interlock device test, a retest cannot be done for 15 minutes;

(4) set each device so that a rolling retest will be required of the driver of the vehicle within 10 minutes of starting the vehicle. Subsequent rolling retests shall occur as described in K.A.R. 92-56-1(n). The driver shall have five minutes to com-

plete the retest. The free restart shall not be operative when the device is waiting for a rolling retest sample;

(5) calibrate each device at least every 30 days at the driver's own expense, except as allowed by K.A.R. 92-56-2(k), and maintain an inspection and calibration record with the following information:

(A) The name of the person performing the calibration;

(B) the date of the inspection and calibration;

(C) the method by which the calibration was performed;

(D) the name and model number of the device calibrated;

(E) a description of the vehicle in which the device is installed, including the license plate number, make, model, year, and color; and

(F) a statement by the service provider indicating whether there is any evidence of circumvention or tampering; and

(6) set each device so that a lockout will occur no later than seven days after any of the following events occurs:

(A) The 30-day calibration and service requirement has been reached;

(B) five or more violations are recorded;

(C) the emergency bypass procedure has been used;

(D) a hardware failure or evidence of tampering is recorded; or

(E) the events log has exceeded 90 percent of capacity.

(c) Each driver restricted to driving a vehicle equipped with an ignition interlock device shall keep a copy of the inspection and calibration records in the vehicle at all times. The manufacturer shall retain the original record for each current driver for one year after the device is removed. The manufacturer shall notify the division within seven days after a device has been serviced due to a lockout that occurred for any of the reasons specified in paragraph (b)(6)(D).

(d) The service provider shall enable each device's anticircumvention features when installing a device and keep the features enabled during the ignition interlock device period. Within two business days, a service provider shall notify the division of any evidence of tampering or circumvention. The evidence shall be preserved by the manufacturer or the manufacturer's representative until otherwise notified by the division.

(e) The division may conduct or have conducted independent checks on any of the ap-

proved ignition interlock devices to determine whether the devices are operating in a manner consistent with the manufacturer's specifications, manufacturer's certifications, or these regulations. The director may require the manufacturer or the manufacturer's representative to correct any abnormality found in the installation, calibration, maintenance checks, or usage records of the device. The manufacturer and the manufacturer's representative shall report in writing to the division within 30 days after receiving notification of any abnormality. In conducting these checks, the manufacturer shall install the device in a vehicle chosen by the division, and the manufacturer shall waive any costs to the division for the installation, calibration, or testing of the device.

(f) Each manufacturer shall ensure that its service providers meet all of the following requirements:

(1) Follow certified manufacturer's standards and specifications for service associated with the manufacturer's state approved ignition interlock device;

(2) have the skills, equipment, and facilities necessary to comply with all of the certification and operational requirements specified in this article;

(3) comply with any division reporting requirements; and

(4) have a fixed site to provide each driver with access to an enclosed building that is open for business and has a separate waiting area.

(g) Each manufacturer shall provide the division with written evidence of that manufacturer's statewide network of service providers within seven days of a request by the division. Written evidence shall include lease and ownership documents associated with each manufacturer's service providers in the required state judicial districts.

(h) A manufacturer, manufacturer's representative, or service provider shall not compel any driver to travel out of Kansas to receive services.

(i) A manufacturer shall not permit its service provider to install any device in that service provider's vehicle for the purpose of satisfying K.S.A. 8-1014, and amendments thereto. (Authorized by and implementing K.S.A. 8-1016; effective Oct. 23, 1989; amended July 5, 2002; amended May 2, 2014.)

92-56-5. Revocation of certification; penalties. (a) A certification for any ignition in-

terlock device may be revoked for any of the following reasons:

(1) The device fails to comply with specifications or requirements provided by the division.

(2) The manufacturer, the manufacturer's representative, or the manufacturer's service provider has failed to make adequate provisions for the service of the device, as required by K.A.R. 92-56-2, K.A.R. 92-56-4, and K.A.R. 92-56-6.

(3) The manufacturer has failed to provide statewide service network coverage or 24-hour, seven-day service support, as required by K.S.A. 8-1016(a)(3) and amendments thereto and K.A.R. 92-56-2(a)(4) and (j).

(4) The manufacturer is no longer in the business of manufacturing ignition interlock devices.

(5) The manufacturer or the manufacturer's representative fails to comply with the reporting and testing requirements of K.A.R. 92-56-4.

(6) The manufacturer, the manufacturer's representative, or the manufacturer's service provider fails to comply with K.A.R. 92-56-7.

(7) The manufacturer, the manufacturer's representative, or the manufacturer's service provider fails to promote, implement, and sustain the indigent program required by K.A.R. 92-56-2(f).

(8) The manufacturer, the manufacturer's representative, or the manufacturer's service provider fails to have a fixed location in every state judicial district on and after January 1, 2015, as required by K.A.R. 92-56-2(j).

(9) The manufacturer, the manufacturer's representative, or the manufacturer's service provider compels a driver to travel out of state to receive services, in violation of K.A.R. 92-56-4(h).

(b) Each manufacturer's device certification shall be subject to suspension, revocation, non-renewal, or cancellation if the division determines that the manufacturer or its representatives have violated any requirement in this article.

(c) In lieu of revoking a manufacturer's device certification, the director may require a manufacturer to terminate its relationship with a service provider. (Authorized by and implementing K.S.A. 8-1016; effective Oct. 23, 1989; amended July 5, 2002; amended May 2, 2014.)

92-56-6. Service provider; relocation and replacement. (a) Each manufacturer and manufacturer's representative shall be responsible for providing uninterrupted service of the manufacturer's installed devices if one of the manufacturer's service providers moves out of the manu-

facturer's judicial district or goes out of business. If a service provider is moving or going out of business, the manufacturer or the manufacturer's representative shall indicate to the division whether or not the manufacturer will replace the service provider. The manufacturer and the manufacturer's representative shall notify the division electronically or in writing of all changes in the status of any service provider and any additions, deletions, or other changes to the manufacturer's complete listing of service providers, which shall include for each service provider the name, location, phone number, contact name, and hours of operation. Notification shall occur on a quarterly basis or more frequently if required by the division.

(b) If the manufacturer or manufacturer's representative replaces a service provider, the manufacturer and manufacturer's representative shall make all reasonable efforts to obtain driver records and data from the original service provider and provide the records and data to the new service provider. If the manufacturer or manufacturer's representative does not replace the service provider, the manufacturer and manufacturer's representative shall make all reasonable efforts to obtain driver records and data from the original service provider, maintain the records and data at the main business office of the manufacturer's representative, and provide the records and data to the division as required by this regulation.

(c) Each manufacturer and manufacturer's representative shall notify all affected drivers of the change of service provider or replacement of the device as soon as possible but not later than 30 days before the change of service provider or replacement will occur. (Authorized by and implementing K.S.A. 8-1016; effective May 2, 2014.)

92-56-7. Security; tampering prohibitions; conflict of interest. (a) Each manufacturer and each manufacturer's representative shall be responsible for ensuring that the manufacturer's service providers comply with all of the following security requirements:

(1) Only authorized employees of a service provider may observe the installation of a device.

(2) Reasonable security measures shall be taken to prevent the driver from observing the installation of a device and from obtaining access to installation materials.

(3) Service providers shall be prohibited from

assisting with, in any manner, tampering or circumvention.

(4) Manufacturer's representatives and service providers shall not install or service a device on a vehicle owned or operated by the manufacturer's representative or service provider, or any of the service provider's employees, for division-required installations.

(b) Nothing in this regulation shall prohibit a manufacturer, manufacturer's representative, or service provider from installing a device in that entity's vehicles for demonstration and testing purposes. (Authorized by and implementing K.S.A. 8-1016; effective May 2, 2014.)

92-56-8. Device removal. Whenever a service provider removes a device, the following requirements shall apply:

(a) The only persons allowed to remove or observe the removal of the device shall be service providers or a manufacturer's representative associated with the manufacturer of that device.

(b) Adequate security measures shall be taken to ensure that unauthorized personnel cannot gain access to proprietary materials and to the files of drivers.

(c) Upon removal of the device, the service provider shall ensure that both of the following occur:

(1) The driver is provided with a report showing the removal of the device.

(2) The division is notified, in the form and format designated by the division.

(d) The service provider and the manufacturer shall restore the driver's vehicle to its original condition after removal of the device. (Authorized by and implementing K.S.A. 8-1016; effective May 2, 2014.)

92-56-9. Proof of installation. (a) If a driver is unable to provide proof of installation of the device to the division for the full restriction period required by K.S.A. 8-1014 and amendments thereto, the director shall extend the ignition interlock device restriction period until the driver provides the division with proof that the driver has had a device installed in a vehicle for a period that is equal to or greater than the initial ignition interlock device restriction period required by K.S.A. 8-1014 and K.S.A. 8-1015(d), and amendments thereto.

(b) Any device may deviate from the breath sample requirement by accepting a breath sample of less than 1.2 liters of air if the deviation is approved in advance by the division to address valid

accommodation requests under the Americans with disabilities act of 1990. Each request for accommodation shall be submitted on a form provided by the division. Each form shall require a certification by a licensed pulmonologist that the driver has a lung condition that will render the driver incapable of blowing a normal breath sample, 1.2 liters of air or more, into an ignition interlock device.

(c) If an accommodation that is requested pursuant to subsection (b) cannot be made for a driver that is a qualified individual with a disability as defined by 42 U.S.C. 12131(2), and amendments thereto, the director, upon the driver's request, may reinstate the driver's license after the initial ignition interlock device restriction period if the records maintained by the division have no indication of the occurrence of any of the following offenses during the entire initial ignition interlock device restriction period:

(1) Conviction pursuant to K.S.A. 8-1599, and amendments thereto;

(2) conviction pursuant to K.S.A. 41-727, and amendments thereto;

(3) conviction of any violation listed in K.S.A. 8-285(a), and amendments thereto;

(4) conviction of three or more moving traffic violations committed on separate occasions within a 12-month period; or

(5) revocation, suspension, cancellation, or withdrawal of the person's driving privileges due to an unrelated event.

If the driver that is requesting accommodation has any offenses during the initial ignition interlock device restriction period, the director shall not reinstate the driver's full driving privileges until the driver has no such offenses for the year before the driver's request for reinstatement of full driving privileges. This subsection shall not serve as a defense to allegations that the driver has violated K.S.A. 8-1017, and amendments thereto, during any required ignition interlock device restriction period.

(d) The director may waive the requirement for proof of ignition interlock device installation, upon a driver's request, if the director determines that all of the following conditions are met:

(1) The driver's ignition interlock device restriction period has been extended at least two years beyond the initial ignition interlock device restriction period due to the driver's failure to provide the division with proof of installation as required by subsection (a).

(2) The driver has not had an “alcohol or drug-related conviction” or “occurrence,” as those terms are defined by K.S.A. 8-1013 and amendments thereto, a conviction pursuant to K.S.A. 8-1017 and amendments thereto, or a conviction of a violation of a law of another state that would constitute a violation similar to any violation specified in K.S.A. 8-1017 and amendments thereto, during the ignition interlock device restriction period.

(3) The driver has not had any violations spec-

ified in paragraphs (c)(1) through (c)(5) during the ignition interlock device restriction period.

(4) The driver has never held a driver’s license issued by the state of Kansas.

(5) The driver provides the director with clear and compelling evidence that the driver does not reside in Kansas and did not reside in Kansas during the ignition interlock device restriction period. (Authorized by K.S.A. 8-1016; implementing K.S.A. 2013 Supp. 8-1015 and K.S.A. 8-1016; effective May 2, 2014.)

(c) For purposes of this regulation, the following definitions shall apply:

(1) “Single-family residential property” means any parcel containing a residential structure or any portion of the structure that is designed for occupancy by no more than one family, regardless of whether the boundary of the parcel is ground, shared walls, or other structural elements. A parcel containing a structure designed to accommodate more than one family, including an apartment building, is not single-family residential property.

(2) “Valuation” means the value shown on the county notice of valuation or the value at the time of the filing of the appeal if the value has been reduced by the county appraiser at the informal hearing, by a local hearing officer panel, or by the small claims division of the court.

(d) Except as specified in this subsection, each application and appeal listed in subsections (a) and (b) shall be accompanied by the applicable filing fee in the form of a check or money order made payable to the “Court of Tax Appeals.” If the fee does not accompany the filed application or appeal, the fee shall be received by the court within seven business days of the receipt of the application or appeal. If the fee is not received within this time period, the application or appeal shall be considered not properly filed with the

court, and the application or appeal shall be dismissed.

(e)(1) A filing fee may be waived by the court if an applicant or taxpayer by reason of financial hardship is unable to pay the fee and has filed an affidavit stating this reason, with any accompanying supporting documentation that may be deemed appropriate by the court.

(2) Filing fees may be abated by the court as prescribed in this paragraph upon written motion demonstrating that multiple appeals or applications involving multiple properties filed by a taxpayer or applicant should be consolidated into a single matter. For multiple applications or appeals involving contiguous parcels owned by the same person or entity that together comprise a single economic unit, the consolidated filing fee shall be the fee for the parcel with the highest valuation plus \$25.00 for each additional parcel within the economic unit. If multiple applications or appeals do not involve contiguous parcels but involve substantially similar issues that, in the interest of administrative economy, should be heard and decided together, the filing fee may be abated by the court to reflect the administrative cost savings anticipated from consolidating the multiple filings for decision. If, after a filing fee has been remitted, the court determines that abatement is appropriate under this paragraph, the abated portion of the fee shall be refunded by the court.

(f) Public school districts No fee

(g) Each not-for-profit organization shall be charged a fee of \$10 for any appeal if the valuation of the property that is the subject of the controversy does not exceed \$100,000, excluding all governmental entities except as provided in subsection (f). There shall be no filing fee reduction under this subsection (g) for property owned by a not-for-profit organization with a valuation exceeding \$100,000. in a form prescribed by these regulations or by statute.

(b) In computing any period of time prescribed by the Kansas administrative procedure act, the computation shall be made pursuant to K.S.A. 77-503(c), and amendments thereto. In computing any period of time not prescribed by the Kansas administrative procedure act, the computation shall be made pursuant to K.S.A. 60-206, and amendments thereto.

(c) When by these regulations or by notice given by the court, an act is required to be completed within a specified time, the time for completing the act may be extended by the court if a motion is filed before the expiration of the specified time. A motion for extension of time filed after the time limit has expired may be granted only if failure to act within the time limit was the result of excusable neglect.

(d) Any individual or entity may file documents at the court's office between the hours of 8:00 a.m. and 5:00 p.m. on any business day. Each document, whether mailed, hand-delivered, or sent by facsimile machine or electronically, shall be received by 5:00 p.m. in order to be file-stamped and considered filed on that date. The time of receipt shall be that time shown by the court's time clock, the time printed by the court's facsimile machine on the final page of the facsimile-received document, or the time shown as received by the court's electronic mail system or other electronic docketing system. (b) All pleadings filed by electronic mail shall be followed by any applicable filing fees.

(c) Each electronic mail filing shall include a return electronic mail address along with the name and telephone number of the individual sending the electronic mail.

(d) Each document filed with the court by electronic mail and in accordance with these regulations shall have the same effect as if the document had been filed by any other means and in accord-

ance with these regulations. All requirements for pleadings and other filings with the court shall apply to pleadings and other filings transmitted by electronic mail. Only one copy of the pleading or document shall be transmitted. An electronic signature or the symbol "/s/" on the signature line in place of a signature shall have the same effect as that of an original signature.

(e) Electronic mail received in the court's office at the central electronic mail address on or before 5:00 p.m. shall be deemed filed on that date. Electronic mail received after 5:00 p.m. shall be deemed to be filed on the following regular workday of the court. The time of receipt shall be the time shown by the court's electronic mail system. Electronic mail received on a Saturday, Sunday, or legal holiday shall be deemed filed on the following regular workday of the court.

(f) If an electronic mail message indicates that there is an attachment but an attachment is not included or the attachment cannot be opened, the sender shall be notified by the court of the deficiency, with the court's request that the electronic mail be re-sent and the deficiency corrected. The date and time of the filing shall be the date and time the electronic mail is re-sent without deficiency. Each attachment shall be sent in a format that meets the court's specifications.

(g) The sender of an electronic mail filing may petition the court for an order filing the document *nunc pro tunc* if the electronic mail document is not filed with the court because of either of the following reasons:

suant to K.S.A. 60-211, and amendments thereto. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-11. Facsimile filing. (a) The court's facsimile machine shall be available on a 24-hour basis, seven days each week. This requirement shall not prevent the court from sending documents by fax or from making repairs to and maintaining the facsimile machine.

Each filing received after 5:00 p.m. shall be filed as if received on the next regular court workday. Each pleading filed by facsimile shall be followed by any applicable filing fees.

(c) Each pleading or other document filed by facsimile transmission shall have the same effect as that of any pleading or other document filed with the court by other means. A facsimile signature shall have the same effect as that of an original signature. Only one copy of the pleading or other document shall be transmitted.

(d) Each certificate of service shall state the date of service and the facsimile telephone numbers of both the sender and the receiver.

(e) The sender may petition the court for an order filing a document *nunc pro tunc* if a facsimile filing is not filed with the court because of either of the following:

(1) An error in transmission of the document, the occurrence of which was unknown to the sender at the time of transmission; or

(2) a failure to process the facsimile filing when received by the court.

(f) The petition specified in subsection (e) shall be accompanied by the transmission record, a copy of the document transmitted, and an affidavit of transmission by fax as specified in Kansas supreme court rule 119 relating to district courts, appendix B. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-12. Confidentiality. (a) Each document filed and all evidence received by the court shall be a public record, unless a protective order

is issued by the court designating all or portions of the record confidential.

(b) Any party may file a motion for a protective order, or a motion and agreed order may be jointly submitted by the parties, showing cause why specifically identified information in the record or information likely to become part of the record should be kept confidential. The motion shall state a legally valid basis for the protective order and shall include sworn statements or affidavits supporting the motion.

(c) If a motion for protective order is granted, any measures permitted by law may be taken by the court to protect the confidential information. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-13. Intervention; joinder. Each petition or request to intervene shall be governed by K.S.A. 77-521, and amendments thereto. Each permissive joinder of any party shall be governed by K.S.A. 60-220, and amendments thereto. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-14. Consolidation. If two or more cases involve the same or substantially similar issues or if joint presentation of the evidence or legal arguments would be economical, a written order of consolidation may be issued by the court either on its own motion or on a motion by one or more parties. If cases are consolidated, orders may be issued by the court in a consolidated format. In the absence of a formal written order of consolidation, individual cases shall be deemed separate, unconsolidated matters. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-15. Motion practice. (a) Each motion shall include the heading information required of court pleadings, as well as the following information:

(5) a proposed form of order to be adopted by the court if the motion is granted.

(b) Each response to a motion shall be filed not later than 10 days from the date of service of the motion, or within any shorter or longer period that the court may allow. Each reply, if any, shall be filed within seven days of service of the response or within any shorter or longer period that the court may allow.

(c) Regular times for hearings on motions shall be established by the court at intervals sufficiently frequent for the prompt dispatch of business.

(d) Notwithstanding subsections (a), (b) and (c), all motions for summary judgment shall be governed by the court rules governing motions for summary judgment in state district court actions, including K.S.A. 60-256 and amendments thereto, and Kansas supreme court rule 141, as amended. Motion for summary judgment shall be specially set by the court for oral argument. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-16. Discovery. (a) All discovery matters, including disputes and requests for sanctions, shall be governed by the Kansas administrative procedure act and the Kansas code of civil procedure.

(b) Each subpoena shall state the following information:

- (1) The name of the witness;
- (2) the address where the witness can be served;
- (3) the location where the witness is required to appear and the date and time of the appearance;
- (4) the matter in which the witness is required to testify; and

(5) for a subpoena *duces tecum*, a detailed listing of the documents or other material to be produced.

(c) A subpoena may be used for the purpose of discovery or for the purpose of securing evidence for a hearing. The duties of the person responding to a subpoena shall be those specified in K.S.A. 60-245(d), and amendments thereto.

(d) Each subpoena issued under the authority of the court shall be signed by the secretary or a judge under the seal of the court. Upon request, the secretary shall issue a blank subpoena bearing the seal of the court with the secretary's signature or a facsimile of the signature. The party to whom a blank subpoena has been issued shall be solely responsible for preparing the substance of the subpoena. Subpoenas shall not be prepared by the court.

(e) Service of each subpoena shall be the responsibility and at the cost of the party requesting the subpoena and shall be made in accordance with K.S.A. 77-522, and amendments thereto. Witness fees and mileage shall be allowed pursuant to K.S.A. 28-125, and amendments thereto.

(f) Any person subject to a subpoena issued by the court may seek appropriate protection as provided under K.S.A. 60-245(c), and amendments thereto. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-18. Stipulations. (a) The parties and counsel shall to the fullest extent possible stipulate to facts, issues, and other matters that are not the subject of reasonable dispute.

(b) Any stipulation may be made either by written stipulation or by oral statement shown upon the hearing record. All stipulations shall be binding upon all parties so stipulating and may be regarded by the court as conclusive evidence of the fact stipulated.

(c) Each stipulation that finally and conclusively settles an appeal involving the valuation of county-assessed property shall be made by means of a fully executed order of stipulation and dismissal. Each order shall be filed within 30 days from the date the parties notify the court of the pending stipulation. All stipulations executed by county officials shall be presumed by the court to have been made in keeping with the legal duties and obligations of those county officials.

(d) Each settlement negotiation shall be confidential, unless all participants to the negotiation agree otherwise in writing. Facts disclosed, offers

made, and all other aspects of negotiation shall not be part of the record. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-19. Prehearing conferences. A prehearing conference may be held by the court for purposes of narrowing the issues and facts in dispute, simplifying the presentation of evidence, and otherwise assisting the parties and counsel in their preparation for trial. Each prehearing conference shall be conducted in accordance with K.S.A. 77-516 and K.S.A. 77-517, and amendments thereto. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-20. Continuances. (a) Any hearing scheduled on the court's calendar may be continued by the court upon a written motion filed at least 30 days before the date of the scheduled hearing. This requirement may be waived by the court at its discretion upon a showing of good cause. Before requesting a continuance, the moving party shall consult with all other parties and shall state in the motion the position of the other parties with respect to the continuance request. Each motion for continuance shall clearly state the reason for the requested continuance. Parties and counsel shall not contact court staff in an attempt to reschedule a matter before the court. These requests shall be filed in writing as specified in this subsection. All necessary rescheduling shall be initiated by the court after a motion has been received.

(b) A motion to continue a hearing shall be granted only in exceptional and unforeseen circumstances. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-21. Exchange of evidence and witness lists. Unless otherwise ordered by the court, the following deadlines for the exchange of evidence and witness lists shall apply:

(a) At least 10 calendar days before a scheduled hearing involving single-family residential property, each party shall have exchanged copies of each document, photograph, or other evidence that the party intends to present at the hearing.

(b) At least 20 calendar days before a scheduled hearing except a hearing involving single-family residential property as specified in subsection (a), each party shall have exchanged copies of each

document, photograph, or other evidence that the party intends to present at the hearing, along with a listing of all witnesses expected to be called at the hearing. At least 10 calendar days before the scheduled hearing, each party shall have exchanged copies of any rebuttal evidence, along with a listing of any rebuttal witnesses.

(c) In computing the time periods specified in subsections (a) and (b), the day of the scheduled hearing shall not be included. If the 10th or 20th calendar day before the hearing falls on a Saturday, Sunday, or legal holiday, the last business day before the day shall be the deadline for the exchange of evidence.

(d) If the parties fail to comply with the deadlines specified in this regulation or with any modified deadline ordered by the court, the presiding officer may take appropriate measures in the interest of preserving a fair hearing, which may include barring or limiting the presentation of evidence. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-22. Hearings. (a) Each hearing shall be open to the public and shall be conducted in accordance with the Kansas administrative procedure act. Each hearing shall be recorded by a certified shorthand reporter selected by the court or by audio or video recording systems. The court's record shall be the only official record of the proceedings.

(b) The use of recording, photographic, or television devices during any hearing shall be permitted only if the use of these devices is not disruptive.

(c) The cost of obtaining a transcript of any hearing shall be borne by the person requesting the transcript. A certified shorthand reporter shall be selected by the court to transcribe the official record of the proceedings. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-23. Evidence. (a) Unless otherwise limited by a specific statutory or regulatory provision, the presentation of evidence shall be governed by K.S.A. 60-401 et seq., and amendments thereto, and by K.S.A. 77-524, and amendments thereto.

(b) Evidence may be received in writing instead of through oral presentation, in accordance with K.S.A. 77-524(d) and amendments thereto. However, the filing of a document shall not signify its receipt into evidence. Only those documents that

have been received into evidence shall be considered as evidence in the official record.

(c) Whenever an evidentiary objection is made, the grounds relied upon shall be stated briefly when the evidence is offered. Any evidentiary objection may be ruled upon by the court, or the objection may be taken under advisement by the court. Evidence may be received by the court, subject to a motion to strike at the conclusion of the hearing.

(d) The discontinuation of the presentation of evidence may be ordered by the court upon its own motion if the evidence is cumulative, irrelevant, or otherwise objectionable. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-24. Failure to appear. (a) Failure of any party to appear at the time and place appointed by the court may result in dismissal or a default judgment.

(b) Within 10 days after service of an order of dismissal or default, the party against whom the order was entered may file a written objection requesting that the order be vacated and stating the

specific grounds relied upon. The written objection shall be served on all parties in accordance with these regulations. An entry of dismissal or default may be set aside by the court, for good cause.

(c) If all parties agree to waive the right to a hearing and submit stipulated facts and written arguments, a hearing may be waived. However, the parties' waiver may be rejected by the court at its discretion, and the parties may be required by the court at its discretion to appear for hearing if the court deems the action necessary or proper under the circumstances. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

94-5-25. Petitions for reconsideration. Each petition for reconsideration of a final order of the court shall be filed pursuant to K.S.A. 77-529, and amendments thereto. Each response to a petition for reconsideration shall be filed with the court within 11 calendar days after the petition for reconsideration is filed with the court. (Authorized by and implementing K.S.A. 2009 Supp. 74-2437; effective Oct. 29, 2010.)

The application packet shall be submitted by the office to the superintendent at the KSH or KVH, as applicable, for review of completeness. If the application packet is not complete, the application packet shall be returned to the applicant, with an indication of the portions that are incomplete. Upon determination of completeness, the superintendent shall forward the application packet to the executive director.

(2) Except for applications submitted by individuals with felony convictions, each complete application shall be required to be approved by the executive director before the applicant may be admitted to the KSH or KVH.

(3) For each applicant with a felony conviction, that applicant's completed application shall be evaluated by the commission regarding the rehabilitation of the applicant and current degree of dangerousness to the applicant, other persons, and the property of others before the applicant may be admitted to the KSH or KVH.

(2) The second priority for admission shall be given to a veteran's spouse or surviving spouse, parents, or children who have no adequate means of support, with priority based on the criteria specified in paragraph (a)(1) of this regulation.

(3) The third priority shall be given to veterans who have a means of support.

(4) The fourth priority shall be given to a veteran's spouse or surviving spouse, parents, or children who have a means of support.

(1) Cottages, which are located only at the KSH, shall be available to eligible members, including those in need of domiciliary care.

(A) If domiciliary care is needed, the veteran member shall show that the care will be provided by that member's spouse, parent, or child. If a family member can not provide domiciliary care, the KSH superintendent shall be so notified, and the veteran member shall be directed to undergo a medical evaluation to determine whether that person can reside alone.

(B) If the KSH superintendent suspects that an applicant or a veteran member needs domiciliary care, the superintendent may direct that applicant or veteran member to undergo a medical evaluation to determine whether that person can reside alone.

(C) If the medical staff determines that the veteran member needs domiciliary care and resides alone, the KSH superintendent may direct that the veteran member be placed in the domiciliary unit for care until a permanent arrangement is made.

(2) No cottage shall be initially assigned to the spouse, parent, or child of a deceased veteran

member. If the veteran member dies, the surviving spouse, parent, or child shall have 180 days to vacate the premises. Before the end of the 180-day period, any surviving nonveteran spouse may move to a domiciliary unit or a one-bedroom cottage, if available, at the rental rate established for nonveterans. If a one-bedroom cottage is not available, the superintendent may allow the nonveteran spouse to remain by exception in the two-bedroom cottage past the 180-day period, contingent upon pending admissions. (Authorized by K.S.A. 76-1927 and 76-1955; implementing K.S.A. 76-1908 and 76-1954; effective May 1, 2009.)

97-1-6a. Approval or denial of application, notification to applicant, and right of reconsideration; right of hearing; final decision. (a) Approval of application. If an applicant qualifies for admission, the application shall be approved if there is space available in the KSH or KVH or shall be conditionally approved until space is available. Each applicant shall be notified in writing by the appropriate superintendent or by the executive director, whether the application is approved or denied.

(b) Denial of application.

(1) If an applicant is denied admission, written notification shall be sent to the last known address of the applicant by the appropriate superintendent, the executive director, or the commission. The notification shall state the reason or reasons for the denial.

(2) Within 30 days of the date of the decision, the applicant may file at the office of the executive director a written request for reconsideration by the commission. The request shall state the reasons supporting approval of the application. If no timely request is filed, the notification of denial shall become the final decision.

(3) Unless waived by the applicant, a hearing shall be set upon receipt of a request for reconsideration. The hearing shall be scheduled at the earliest available commission docket. The applicant shall be notified by the executive director of the date, time, and place of the hearing. The notice shall be mailed to the last known address of the applicant at least 10 days before the hearing.

97-4-1a. Disciplinary actions; discharge. (a) Complaints. Any person may make a verbal or written complaint to the superintendent alleging a violation of any statute or regulation.

(b) Investigation. Upon receipt of a complaint, the superintendent shall conduct an investigation. If the investigation reveals reasonable grounds to believe that a member has violated a statute or regulation, no warning has been given for prior offenses in the past 12 months, and the current offense did not cause property damage or bodily injury, the superintendent may advise the member of the violation and warn the member that if the conduct or activity does not cease, proceedings will be commenced to discharge the member. As an alternative, a report by the superintendent may be sent to the KCVA detailing the investigation of the complaint, identifying the regulation that was violated, and recommending discharge of the member.

(c) Notice. Upon recommendation that a member be discharged, a hearing shall be scheduled at the earliest available commission docket. The member shall be notified by the executive director of the factual allegations of the complaint, the applicable statute or regulation, and the date, time, and place of the hearing. The notice shall be

mailed to the last known address of the member at least 10 days before the hearing.

(d) Proceedings. At the hearing, notice may be taken by the commission of its administrative files and records, and any other relevant evidence and arguments offered by the member, staff, employees of KCVA, or any other interested persons may be heard by the commission. (e) Final decision. A written decision shall be filed by the commission with the executive director. The written decision shall set forth the facts and reasons for the commission's decision. A copy of the decision shall be sent by the executive director to the member at the member's last known address. The filed decision shall be considered the final agency action.

Article 7.—VIETNAM WAR ERA MEDALLION PROGRAM

97-7-1. Definitions. As used in L. 2009, ch. 62, secs. 1 through 6 and amendments thereto and these regulations, each of the following terms shall have the meaning specified in this regulation:

(a) (1) "Active service" and "active duty" shall include the following:

(A) For a member of an active component of the armed forces of the United States, the time served on active duty for which the member has received or is eligible to receive the Vietnam war

era medallion for service related to the Vietnam war; and

(B) for a member of the armed forces of the United States, time served on active duty for the support of operations in the Vietnam war whether or not that service was in the country of Vietnam.

(2) These terms shall include any time spent in a hospital as a result of service-connected wounds, diseases, or injuries sustained on active service. Proof of this service shall be the official military records of the United States or other evidence as deemed sufficient by the director of veteran services.

(3) These terms shall not include time served on active duty for annual training or schooling, except for training and schooling in preparation for active duty in the Vietnam war.

(b) "Director of veteran services" means the designated director of the veteran services program for the Kansas commission on veterans' affairs, who is appointed by the executive director of the Kansas commission on veterans' affairs.

(c) "Parent" shall include the following:

(1) The natural or adoptive parent of a veteran; and

(2) any person who, for a period of at least one year, acted in the capacity of a foster parent to a veteran immediately before the veteran attained 18 years of age.

(d) "Program" means the Vietnam war era medallion program.

(e) "Spouse or eldest living survivor of a deceased veteran" means any of those individuals listed in K.A.R. 97-7-4. (Authorized by and implementing L. 2009, ch. 62, sec. 2; effective March 12, 2010.)

97-7-2. Veteran status. (a) To be considered a veteran for purposes of the program, each applicant shall establish both of the following to the satisfaction of the director of veteran services:

(1) The person for whom the application under the program is submitted is a veteran.

(2) The person for whom the application under the program is submitted meets the requirements specified in L. 2009, ch. 62, sec. 1, and amendments thereto.

(b) In addition to meeting the requirements in subsection (a), the applicant shall certify that the person for whom the application under the program is submitted meets both of the following requirements:

(1) Was not, at any time during the Vietnam

war, separated from the armed forces under other than honorable conditions, including a bad conduct discharge or dishonorable discharge, or an administrative discharge under other than honorable conditions; and

(2) has never renounced United States citizenship. (Authorized by L. 2009, ch. 62, sec. 2; implementing L. 2009, ch. 62, sec.1 and sec. 2; effective March 12, 2010.)

97-7-3. Legal resident status. (a) Proof of residence. In addition to establishing the veteran status of the person for whom an application under the program is submitted as specified in K.A.R. 97-7-2, the applicant shall establish to the satisfaction of the director of veteran services that the person was a legal resident of Kansas during the person's active service within the period beginning February 28, 1961 and ending May 7, 1975. The proof of residence shall be the official records of the United States or other evidence deemed sufficient by the director of veteran services.

A legal resident of Kansas shall mean an individual for whom Kansas was the state of domicile while serving in the United States armed forces or a reserve component of the United States armed forces within the period specified in this subsection and who did not claim legal residence in any other state during that period of active service, without regard to the place of enlistment, commission, or induction. A service member's legal residence shall not change by virtue of military assignment to another state.

(b) Home of record in Kansas shown in official military records. Each veteran whose home of record is listed as Kansas in official military records showing qualifying active service within the period beginning February 28, 1961 and ending May 7, 1975 shall be considered a legal resident without regard to the veteran's place of enlistment, commission, or induction.

(c) Home of record in Kansas not shown in official military records. In making a determination of legal residence if official military records do not show Kansas as the veteran's home of record for the period of active service, the director of veteran services shall apply a rebuttable presumption that the veteran was not a legal resident of Kansas. The applicant may rebut this presumption by showing facts and circumstances establishing that Kansas was the veteran's legal residence because Kansas

was the veteran's permanent place of abode to which the veteran intended to return.

(d) Documentation. If an applicant is unable to document the veteran's legal residence in Kansas by means of official military records showing a home of record in Kansas during the period of active service, the director of veteran services may consider the following documentation when determining whether sufficient evidence exists to show that the veteran was a legal resident of Kansas who did not claim legal residence in any other state at that time:

(1) Voter registration records for the period beginning February 28, 1961 and ending May 7, 1975;

(2) proof of payment of state income tax as a resident for the period beginning February 28, 1961 and ending May 7, 1975;

(B) any similar documentation for the period beginning February 28, 1961 and ending May 7, 1975;

(4) other proof of a Kansas residential address for the period beginning February 28, 1961 and ending May 7, 1975, including a high school diploma or attendance record for a Kansas high school, real estate records, utility receipts, and any other records showing residence in Kansas; and

(5) an affidavit of residence submitted by the applicant under penalty of law in which the applicant swears or affirms that the veteran on whose behalf the application under the program is submitted remained a legal resident of Kansas and did not claim legal residence in any other state for any purpose during the period of active service occurring within the period beginning February 28, 1961 and ending May 7, 1975. (Authorized by L. 2009, ch. 62, sec. 2; implementing L. 2009, ch. 62, sec. 1 and sec. 2; effective March 12, 2010.)

97-7-4. Applicants on behalf of deceased veterans.

(a) The following individuals shall be eligible to apply under the program on behalf of eligible deceased veterans. Eligible deceased veterans shall include eligible veterans who died in performance of active service or as a result of service-connected wounds, diseases, or injuries and veterans who would, but for their death before submission of an application, be eligible to apply under the program based on active service. Applicants shall be considered in the following order:

(1) The surviving spouse of the eligible veteran,

unless the surviving spouse was living separate and apart from the veteran when the veteran commenced active service. The proof of spousal status required shall be the same as the proof that would be accepted by the United States department of veterans affairs. The surviving spouse shall certify that the individual was not living separate and apart from the eligible veteran when the veteran commenced active service. If a surviving spouse qualifies under the program, the Vietnam war era medallion, medal, and certificate of appreciation shall be awarded to the surviving spouse at the time of the veteran's death;

(2) survivor, which shall mean the eldest surviving child of the eligible veteran if there is no eligible surviving spouse. The eldest surviving child shall certify that there is no eligible surviving spouse, as part of the application; and

(3) the surviving parents of the eligible veteran, if there are no eligible surviving spouse and no eligible surviving children. The surviving parents shall certify that there are no eligible surviving spouse and no eligible surviving children, as part of the application.

(b) If the eligibility of a surviving spouse, surviving child, or surviving parents is disputed, the director of veteran services shall defer awarding the Vietnam war era medallion, medal, and certificate of appreciation until the parties resolve the dispute or a court of competent jurisdiction issues an order making a determination on the issue. (Authorized by L. 2009, ch. 62, sec. 2; implementing L. 2009, ch. 62, secs. 3, 4, and 5; effective March 12, 2010.)

97-7-5. Application procedures. (a) Forms. Each application for benefits under the program shall be submitted on a form provided by the Kansas commission on veterans' affairs.

(b) Submission. Each application shall be sub-

mitted to the address designated by the Kansas commission on veterans' affairs on the application form.

(c) Additional documentation. Each application shall be accompanied by the required number of copies, as stated on the application, of supporting documentation from official military records of the United States armed forces or its reserve components, including DD form 214 or similar documentation showing periods of active service, and documentation of the veteran's home of record. If the application is submitted on behalf of a deceased veteran, a copy of the death certificate shall be attached.

(d) Review of applications. The director of veteran services shall conduct a review of each application for completeness. If the application is deemed complete, the director shall review the application to determine eligibility.

(e) Incomplete applications. Each incomplete application shall be returned to the applicant. (Authorized by L. 2009, ch. 62, sec. 2, and implementing L. 2009, ch. 62, sec. 2 and sec. 5; effective March 12, 2010.)

97-7-6. Reconsideration of denied applications. Any applicant who is dissatisfied with the disposition of the application may ask the Kansas commission on veterans' affairs to reconsider the disposition. Each request for reconsideration shall meet the following requirements:

(a) Be submitted within 30 days of receipt of the initial disposition of the application;

(b) be in the form of a letter or memorandum;

(c) state why the applicant is dissatisfied with the disposition; and

Article 4.—WEATHER MODIFICATION

98-4-1. Licenses. (a) No person may engage in any weather modification activity within the state of Kansas without a valid license issued under this regulation and a permit issued under K.A.R. 98-4-2. “Weather modification activity” shall mean any activity, operation, or experimental process that has as its objective inducing change, by artificial means, in the composition, behavior, or dynamics of the atmosphere.

(b) In order to obtain a license under the Kansas weather modification act, the applicant shall demonstrate that the applicant is qualified to conduct a weather modification project of the kind the applicant wishes to conduct in Kansas by the applicant’s knowledge of meteorology and cloud physics and that individual’s field experience in weather modification. The applicant shall meet the following requirements, in addition to meeting the requirements in subsection (c):

(1) Submit an application for a license to the authority on forms provided by the director. Forms may be requested from the office and may be posted on the office web site. Forms shall be

submitted at least 60 days before the start of the proposed operational period and the next authority meeting for consideration; and

(2) pay the \$100.00 license fee, unless that fee is waived by the authority because of the educational or experimental nature of the work proposed. The candidate for exemption shall file a request with the director indicating that the educational or experimental nature of the work merits exemption from fees.

(c) The license applicant shall meet one of the following professional or educational requirements:

(1) Have eight years of professional experience in weather modification or field research activities and at least three years of experience as a project director;

(2) hold a baccalaureate degree in an applicable discipline, as determined by the director, and have three seasons of experience in the application of those studies to weather modification activities; or

(3) hold a baccalaureate degree that includes 25 hours of meteorological studies and have two seasons of practical experience in weather modification research or activities.

(d) Each license shall expire at the end of the calendar year for which it is issued.

(e) Weather modification licenses may be renewed annually, effective January 1 each year. Renewal shall be granted if both of the following conditions are met:

(1) Receipt by the director of a request for renewal from the license holder no later than November 30; and

(2) receipt by the director of the \$100 annual license fee, unless this fee is waived pursuant to paragraph (b)(2). (Authorized by K.S.A. 82a-1403; implementing K.S.A. 2012 Supp. 82a-1405, K.S.A. 82a-1406, and K.S.A. 82a-1407; effective, E-74-39, July 26, 1974; effective May 1, 1976; amended Aug. 30, 2013.)

98-4-2. Permits. (a) A weather modification permit, which is a document issued by the director authorizing weather modification activity in Kansas, shall be required annually, on a calendar-year basis, for each weather modification project. If a weather modification project will extend over more than one calendar year, a permit may be extended on a year-to-year basis upon payment of the annual fee, a review by the director, and the publication of a notice of intent to continue

the operation. A public hearing on any renewal may be held by the director.

A permit shall not be assigned or transferred by the permit holder.

(b) Each permit application shall be submitted at least 60 days before the initial date of the proposed operational period for which the permit is sought. Each permit applicant shall also provide the application at least 30 days before an applicable authority meeting to ensure timely consideration.

(c) Each applicant for a permit to conduct weather modification activities in Kansas shall meet the following requirements:

(1) Submit to the director a completed application for permit on a form provided by the director. Forms may be posted on the office web site;

(2) pay the \$100.00 permit fee, if applicable;

(3) present evidence that the applicant is, or has in its employ, a license holder;

(4) demonstrate proof of ability to meet the liability requirements of section 1411 (4) of the Kansas weather modification act. This proof may be provided in the form of an insurance policy written by a company authorized to do business in Kansas or by a statement of individual worth, including a profit-and-loss statement, that is accepted by the director;

(5) submit a complete and satisfactory operational plan for the proposed weather modification project that includes the following:

(A) A map of the proposed operating area specifying the primary target area and showing the area reasonably expected to be affected. "Primary target area" shall mean the area within which the weather modification activity is intended to have an effect;

(B) the name and address of the license holder specified in paragraph (c)(3);

(C) the nature and object of the intended weather modification activities;

(D) the meteorological criteria to be used to initiate or suspend modification activities;

(E) the person or organization on whose behalf the project is to be conducted;

(F) a statement showing any expected effect upon the environment; and

(G) the methods that will be used in determining and evaluating the proposed weather modification project;

(6) at least seven days before any required public hearing, publish a "notice of intent" to engage

in weather modification activities in each county of which all or part could be within the primary target area or within the areas reasonably expected to be affected. The time and place of the public hearing shall be approved by the director. The notice of intent shall include notice published in a newspaper or newspapers of general circulation in the area. The notice shall meet the following requirements:

(A) Describe the primary target area;

(B) describe the area that might reasonably be affected;

(C) specify the period of operation, including starting and ending dates. Operational periods shall not be required to be continuous;

(D) describe the general method of operation;

(E) describe the intended effect of the operation;

(F) state the time and place of a public hearing on the application. The hearing shall be held in or near the primary target area; and

(G) state that complete details of the application for a permit will be available for examination in the office of the authority in Topeka and at a location within the project area as described in the public hearing notice;

(7) provide satisfactory evidence of publication of the notice of intent to the director before the public hearing; and

(8) provide any other relevant information as may be required by the director.

(d) At the discretion of the director, additional information may be required of the applicant. This additional information may include a comprehensive environmental impact analysis similar to the statements required for federal projects.

(e) Each permit issued for a weather modification activity shall be subject to revision, suspension, or modification of its terms and conditions by the director, if necessary to protect the health, safety, or property of any person or to protect the environment.

(f) In order to modify the boundaries of a project for which a permit has previously been obtained, a revised permit shall be required, with conditions similar to those under which the original permit was issued or as modified by the director. (Authorized by K.S.A. 82a-1403; implementing K.S.A. 82a-1406, K.S.A. 82a-1411, K.S.A. 82a-1415; effective, E-74-39, July 26, 1974; effective May 1, 1976; amended Aug. 30, 2013.)

98-4-3. Evaluation of permit applica-

tion. (a) Each permit application shall be evaluated based on the following considerations:

(1) The project can reasonably be expected to benefit the residents of the primary target area or an important segment of the state's population.

(2) The testimony and information presented at the public hearing are generally favorable to the proposed activity.

(3) Economic, social, or research benefits are expected.

(4) The applicant has provided adequate safeguards against potentially hazardous effects to health, property, or the environment and has outlined a program for the implementation of these safeguards.

(5) The proposed project will not have any detrimental effect on previously authorized weather modification projects.

(6) The proposed project is scientifically and technically feasible.

(7) If the application is for a scientific research and development project, it offers promise of expanding the knowledge and technology of weather modification.

(b) Each permitted project shall be under the personal direction, on a day-to-day basis, of an individual who holds a valid license issued under the Kansas weather modification act.

(c) The permit holder shall not conduct activities outside the limits stated in the operational plan specified in K.A.R. 98-4-2. All activities planned for periods of severe weather shall be listed in the permit application and identified at the public hearing. (Authorized by K.S.A. 82a-1403; implementing K.S.A. 82a-1406, K.S.A. 82a-1411, and K.S.A. 82a-1412; effective, E-74-39, July 26, 1974; effective May 1, 1976; amended Aug. 30, 2013.)

98-4-4. Reports. (a) Each permit holder shall maintain at that individual's project office a current log of all operations, which shall mean a log that has up-to-date information from the past 24 hours. This log shall be available for inspection by any person authorized by the director. The log shall include information at least equivalent to information required on the log forms available from the office.

(b) Each permit holder shall submit a monthly report of weather modification activities under the permit for each calendar month for which the permit is valid. Each monthly report shall be submitted no later than the close of business on the 15th

day of the following month. One copy of all entries made in the weather modification logs shall be included when making the monthly reports, unless more detailed information is required when the permit is granted by the director.

(c) Each permit holder shall submit a preliminary annual report within 30 days after the end of each calendar year or within 30 days after the end of the project, whichever comes first. The permit holder shall also submit a final annual report on the project within 90 days after the end of the project. These reports shall include the following:

(1) Monthly and project period totals for information required in the logs; and

(2) the permit holder's interpretation of project effects as compared to those anticipated in the original application for the permit. (Authorized by K.S.A. 82a-1403; implementing K.S.A. 82a-1417; effective, E-74-39, July 26, 1974; effective May 1, 1976; amended Aug. 30, 2013.)

98-4-5. Procedure for granting emergency permits. (a) A permit may be granted on an emergency basis if evidence is presented to the director that clearly identifies the situation as an emergency. "Emergency" shall mean an unusual condition that could not have reasonably been expected or foreseen and in which it can be anticipated that damage can be avoided or reduced by prompt weather modification action.

(b) Upon the applicant's presentation of evidence satisfactory to the director that an emergency exists or could reasonably be expected to exist in the very near future that could be alleviated or overcome by weather modification activities, an emergency permit may be issued by the director to an individual holding a license issued under K.S.A. 82a-1401 et seq., and amendments thereto. Coincident with the issuance of the permit, the information contained in the permit shall be released by the director to the news media in the area intended to be affected.

(c) If the permit holder desires to continue the permit activities and the director grants an emergency permit, a date for the public hearing shall be set by the director within 10 days after the permit is granted. The permit holder shall be responsible for providing public notice of the hearing through the local news media in the area. At the public hearing, the permit holder shall describe the following:

(1) The objectives of the emergency action;

(2) the success to date; and

(3) any future plans under the permit.

On the basis of the information presented at the public hearing, the decision of whether to revoke the emergency permit, modify it, or allow continued operation under conditions specified by the director shall be made by the director. (Authorized by K.S.A. 82a-1403; implementing K.S.A. 82a-1414; effective, E-74-39, July 26, 1974; effective May 1, 1976; amended Aug. 30, 2013.)

98-4-8. Field operations. As provided in K.A.R. 98-4-3 (b), the license holder or a substitute license holder approved by the director shall be on duty at the license holder's project site at all times while weather modification activities are being carried out. (Authorized by K.S.A. 82a-1403; implementing K.S.A. 82a-1412; effective May 1, 1976; amended Aug. 30, 2013.)

98-5-2. Applications. (a) Each application to enter into a water purchase contract shall be submitted in writing on forms prescribed by the director and shall be signed by the person making the application or the person's chief officer or designated representative. The application shall be filed with the director.

(b) Each application shall include the following information:

- (1) The name and address of the applicant;
- (2) the reservoir from which the applicant proposes to withdraw water;

(3) the peak daily rate at which the applicant proposes to withdraw water and the total annual quantity to be withdrawn;

(4) the uses proposed to be made of waters withdrawn; and

(5) the estimated date of first withdrawal of water.

(c) Each application shall be reviewed by the director or designee for compliance with statutory and regulatory requirements and for completeness.

(d) Each application that is complete and meets statutory and regulatory requirements shall be assigned an application number. Application numbers shall be assigned in chronological order according to the date and time of receipt of each application. The applicant shall be notified of the receipt of and the application number assigned to the application. Notice may be provided through any means, including electronic mail or first-class mail, to the applicant.

No application number shall be assigned to incomplete or nonconforming applications.

(f) When an application to enter into a water purchase contract is accepted by the director, notice of the acceptance shall be provided to other applicants for withdrawal of water from the same reservoir and each water assurance district or water supply access district with a water assurance contract relating to the same reservoir at the last known address of each applicant or water assurance district. The notice shall specify the name of the applicant whose application has just been accepted and the annual quantity of water included in the application. Notice shall be provided by first-class mail, postage prepaid, to the last address on file for the applicant.

(h) Before cancellation of an application, the applicant shall be notified by the director in writing that the application shall be cancelled 30 days after date of the notice unless the applicant submits to the director a written request for an extension of time for the application. The notice

shall be sent by first-class mail, postage prepaid, to the applicant's last known address. Notice may also be provided by electronic mail. The application shall be cancelled if a written request to extend the application is not received within 30 days from date of the notice.

(i) Ten years from the date of the receipt of the application, the applicant may request, in writing, that the application be extended for no more than three years. The extension shall be granted, unless the application is found to be incomplete or not in compliance with statutory or regulatory requirements.

(j) Any part of the application, except the reservoir from which the applicant proposes to withdraw water, may be amended at any time. Each applicant wanting to change the reservoir from which the applicant proposes to withdraw water shall file a new application. The new application shall be assigned a date and application number as provided in subsection (e). 98-5-3. Request to negotiate. (a) When an applicant is ready to enter into a water purchase contract, the applicant shall provide written notice of the applicant's desire to enter into negotiations for a contract with the director.

(b) Any applicant may be required by the director to provide information in addition to that included in the application required in K.A.R. 98-5-2(b). This information shall be for the purpose of determining the following:

(1) What is the annual quantity of water needed;

(2) whether the proposed sale of water supply is in the public interest; and

(3) whether the benefits to the state from approval of the contract are greater than the disadvantages to the state from rejection of the contract.

(c) When the director believes that there is sufficient information available to determine whether the proposed sale is in the interest of the people of Kansas and will advance the purposes specified in K.S.A. 82a-901 et seq. and amendments thereto, the authority shall be notified by the director indicating that a request to enter into

negotiations for a written contract has been received.

(d) The authority shall be provided by the director with the information collected or developed to show that the proposed sale is in the interest of the people of Kansas and will advance the purposes specified in K.S.A. 82a-901 et seq., and amendments thereto.

(e) The authority shall consider the request to begin negotiations for a written contract and make a finding of one of the following:

(1) The proposed sale is in the public interest and will advance the purposes specified in K.S.A. 82a-901 et seq., and amendments thereto.

(2) The proposed sale is not in the public interest and will not advance the purposes specified in K.S.A. 82a-901 et seq., and amendments thereto.

(f) If the authority finds that the proposed sale is not in the public interest or will not advance the purposes specified in K.S.A. 82a-901 et seq. and amendments thereto, the authority shall do one of the following:

(1) Reject the request to begin negotiations and advise the applicant of the reasons; or

(2) ask the applicant or the director to provide additional information that would permit the authority to find that the proposed sale is in the public interest and will advance the purposes specified in K.S.A. 82a-901 et seq., and amendments thereto.

(g) If the authority finds that the proposed sale is in the public interest and will advance the purposes specified in K.S.A. 82a-901 et seq. and amendments thereto, the authority shall authorize the director to negotiate with the applicant for the purposes of entering into a written contract for sale of water supply.

The authorization to negotiate shall be valid for a period not to exceed three years. If the parties have not concluded a contract within that period, the authority shall reconsider authorizing contract negotiations. (Authorized by K.S.A. 82a-1319; implementing K.S.A. 82a-1305 and K.S.A. 82a-1311a; effective May 1, 1979; amended May 1, 1980; amended, E-82-7, April 10, 1981; amended May 1, 1981; amended May 1, 1984; amended May 1, 1987; amended April 26, 1993; amended Aug. 30, 2013.)

98-5-4. Contract negotiation procedures. (a) Upon approval of the authority to begin negotiations, the applicant shall be notified by the

director and asked to submit the following items before the commencement of negotiations, unless the requirement is waived:

(1) The anticipated location, legal description, engineering plans, and specifications of all works, ditches, conduits, and watercourses proposed to be constructed or used for the transportation of waters;

(2) the engineering report or other evidence to support the need for the annual quantity of water requested throughout the term of the contract;

(3) a list of alternative sources of water available to the applicant;

(4) specification of whether the applicant has adopted and implemented a water conservation plan;

(5) an engineering report and specifications for metering water pumped or used under the contract;

(6) proof of any easement that is granted by the federal government for rights-of-way across, in, and upon federal government land that is required for intake, transmission of water, and necessary appurtenances;

(7) engineering plans and specifications for any pump, siphon, conduit, canal, or any other device planned to be used to withdraw water from the reservoir; and

(8) any other relevant information that the director may deem necessary, specify, or require for that specific contract request or set of negotiations.

(b) After negotiations for a water purchase contract have been authorized by the authority and if the proposed sale is not for surplus waters, all other persons with a pending application shall be notified by the director or a designee that a water purchase contract or a request to negotiate a water purchase contract relating to the same reservoir has been authorized by the authority. Notice shall be given, by first-class mail with postage prepaid, to the last address provided by each applicant. The notice shall include the name of the applicant with whom negotiations are underway and the application date, number, and annual quantity requested. Each person so notified shall, within 20 days following notification by the director, file in writing a request to begin negotiations for a written water purchase contract, water assurance contract, or water supply access contract or a request to negotiate a water purchase contract, water assurance contract, or water supply access contract

on file with the director relating to the reservoir from which water is proposed to be sold.

(c) Within 30 days after the authority authorizes negotiations, a draft water purchase contract shall be sent by the director or a designee to the applicant with whom the negotiations are authorized.

(d) When contract negotiations have been completed and a contract has been drafted, a proposed final contract shall be sent by the director to the applicant.

(e) After receipt of the proposed final contract, the applicant shall perform one of the following, within 45 days:

(1) Indicate acceptance of the contract by signing and returning it to the director or by other communication to the director;

(2) return the contract to the director with written comments;

(3) request a meeting with the director to discuss the contract; or

(4) request an extension of time for consideration of the contract.

(f) If the applicant and the director cannot agree on terms or language in the contract, the negotiations may be terminated by the director.

(g) After the applicant and the director agree to a contract, the contract shall be submitted to the authority for consideration at the next regular meeting of the authority or at a special meeting, if deemed necessary by the chairperson and the director.

(h) Before approving any contract, the authority shall find that all of the following conditions are met:

(1) The sale of water by written contract is in the interest of the people of the state of Kansas.

(2) The state has filed or will file, before initiation of water use under the contract, a water reservation right for storage of water in the reservoir designated in the contract.

(3) The state, if necessary, has signed an agreement with an agency or department of the United States for water supply storage in the named reservoir.

(4) The person has filed an application to negotiate the purchase of water from the named reservoir at an average daily rate equal to or greater than the rate specified in the contract.

(5) The quantity of water from the reservoir being negotiated does not exceed the yield capability from the conservation storage water supply capacity available to the state for use under the wa-

ter marketing program through a drought having a two percent chance of occurrence in any one year.

(6) The annual withdrawal and use of the quantity of water contracted by the applicant will advance the purposes specified in K.S.A. 82a-901 et seq., and amendments thereto.

(i) If the authority finds that the proposed sale of water is not in the interest of the people of the state of Kansas or that the proposed sale will not advance the purposes in K.S.A. 82a-901 et seq. and amendments thereto, the authority shall reject the contract and perform one of the following:

(1) Terminate the contract negotiations. The application shall be removed from the list of current applications and shall be void. The applicant shall be required to reapply for any future water supply contract; or

(2) return the contract to the applicant and director with recommendations for contract changes or additional contract negotiation.

(j) If the authority approves the contract, copies shall be provided to the house of representatives and the senate and to the secretary of state, pursuant to K.S.A. 82a-1307 and amendments thereto.

(k) The application shall be terminated when a contract is signed by the applicant, the director, and the chair, or their designees, and if the contract is not disapproved by the legislature. If the contracted quantity of water is less than the quantity stated in the application, the applicant shall not retain the application number for the remaining quantity. A new application shall be filed for additional water.

(l) If the legislature has not disapproved the contract when the period for legislative review has expired, a copy of the water purchase contract shall be filed by the director with the chief engineer.

(m) Any regulatory requirements may be waived by the director in order to sell surplus waters. (Authorized by K.S.A. 82a-1319; implementing K.S.A. 82a-1305, K.S.A. 82a-1307, K.S.A. 82a-1311a, K.S.A. 82a-1312, and K.S.A. 82a-1316; effective May 1, 1979; amended May 1, 1980; amended May 1, 1981; amended May 1, 1984; amended Aug. 30, 2013.)

98-5-5. Assignment. Each water purchase contract shall have the following provisions: (a) The purchaser shall not assign, sell, convey, or transfer all or any part of the water purchase con-

tract or interest in it, unless and until the assignment, sale, conveyance, or transfer has been approved by the director and the authority.

(b) To request permission to assign, sell, convey, or transfer all or any part of a water purchase contract, the purchaser shall provide information requested by the director to consider the request.

(c) Before approving any assignment, sale, conveyance, or transfer of all or any part of the water purchase contract, the authority shall determine that both of the following conditions are met:

(1) The contract was negotiated and signed by the parties to the contract pursuant to K.S.A. 82a-901a et seq. and K.S.A. 82a-1301 et seq., and amendments thereto.

(2) The assignment is consistent with, and will advance, the purposes specified in K.S.A. 82a-901a et seq., and amendments thereto. (Authorized by K.S.A. 82a-1319; implementing K.S.A. 82a-1306; effective May 1, 1984; amended May 1, 1987; amended April 26, 1993; amended Aug. 30, 2013.)

98-5-6. Rate charged for water. (a) The rate to be charged for water shall be fixed by the director pursuant to K.S.A. 82a-1308a, and amendments thereto. The rate fixed by the director shall be approved by the authority on or before July 15 of each calendar year. The rate shall take effect on January 1 of the following year.

(b) The fixed rate shall include amounts to cover the components required in K.S.A. 82a-1308a, and amendments thereto, and to meet the needs of the water marketing capital development and storage maintenance plan, as approved by the authority.

(c) The rate fixed for each calendar year shall apply to all water use under contracts negotiated on or after March 17, 1983.

Article 4.—ENTITLEMENT TO LEGAL REPRESENTATION

105-4-1. Determination of eligibility. (a)

At the commencement of proceedings against any defendant, the defendant may apply for legal representation at state expense by submitting, to the court, an affidavit of indigency on a form provided by the board. The court shall determine if the defendant is indigent, based upon consideration of the following factors, as defined in K.A.R. 105-4-2:

- (1) The defendant's liquid assets;
- (2) the defendant's household income;
- (3) either the defendant's actual, reasonable, and necessary expenses incurred to support the defendant's household or the most current federal poverty guidelines, as published by the U.S. department of health and human services, for the defendant's family unit;
- (4) the anticipated cost of private legal representation; and
- (5) any transfer of property by the defendant without adequate monetary consideration after the date of the alleged commission of the offense.

(b) An eligible indigent defendant shall mean a person whose combined household income and liquid assets equal less than the most current federal poverty guidelines, as published by the U.S. department of health and human services, for the defendant's family unit.

(c) The court may also consider any special circumstances affecting the defendant's eligibility for legal representation at state expense.

(d) If the court determines that the defendant is financially able to employ counsel after counsel has been appointed, the court shall require the defendant to reimburse the board in accordance with the provisions of K.S.A. 22-4510, and amendments thereto, for all or part of the expenditures

made on the defendant's behalf. (Authorized by K.S.A. 22-4504 and K.S.A. 22-4522; implementing K.S.A. 22-4504 and K.S.A. 22-4510; effective May 1, 1984; amended, T-105-10-3-05, Oct. 3, 2005; amended Feb. 17, 2006; amended, T-105-8-16-10, Aug. 16, 2010; amended Nov. 5, 2010.)

105-4-2. Definition of terms. Terms used to determine eligibility for indigents' defense services shall have the following meanings: (a) Household income. The defendant's household income shall be defined as the defendant's income and the income of all other persons related by birth, marriage, or adoption who reside with the defendant. Income shall include the total cash receipts before taxes from all resources, including money, wages, and the net receipts from nonfarm or farm self-employment. Income shall include regular payments from a governmental income maintenance program, alimony, child support, public or private pensions, annuities, and income from dividends, interest, rents, royalties, or periodic receipts from estates or trusts.

(b) Liquid assets. The defendant's liquid assets shall be defined as cash in hand, stocks and bonds, accounts at financial institutions, real property or homestead having a net value greater than \$50,000, a car, and any other property that can be readily converted to cash, with the following exceptions:

(1) The defendant's clothing, household furnishings, and any personal property that is exempt from attachment or levy of execution by K.S.A. 60-2304, and amendments thereto; and

(2) any other property, except a homestead having a net value greater than \$50,000, that is exempt from attachment or levy of execution by K.S.A. 60-2301 et seq., and amendments thereto.

The net value of the homestead shall be the fair market value less the mortgage, other encumbrances, and the reasonable cost of sale. The net value of any property transferred after the date of the alleged commission of the offense shall be included in the determination of the defendant's liquid assets.

(c) Transfer of property.

(1) If the defendant has transferred property after the alleged commission of the offense, the court shall determine the reason for the transfer of property and whether adequate monetary consideration was received. If adequate monetary consideration was not received, the court shall presume that the transfer was made for the pur-

pose of establishing eligibility unless the defendant furnishes clear and convincing evidence that the transfer was made exclusively for another purpose.

(2) If a transfer was made either for the purpose of establishing eligibility or without adequate monetary consideration and the property is reconveyed to the defendant or an adjustment is made by which the defendant receives full value, the defendant shall, if otherwise qualified, be eligible to receive legal representation at state expense. (Authorized by K.S.A. 22-4504 and 22-4522; implementing K.S.A. 22-4504; effective May 1, 1984; amended Nov. 1, 1996; amended, T-105-7-22-11, July 22, 2011; amended Nov. 14, 2011.)

105-4-3. Affidavit of indigency. A standard format for an affidavit of indigency shall include the following information: (a) The defendant's liquid assets and household income;

(b) the defendant's household expenses;

(c) any extraordinary financial obligations of the defendant;

(d) the size of the defendant's household; and

(e) any transfer of property by the defendant after the date of the alleged commission of the offense.

If the information provided by the defendant on the affidavit is unclear, incomplete, contradictory, or questionable, further inquiry may be conducted by the board, the court, the county or district attorney, or other officer assigned by the court. The affidavit of indigency forms shall be published and distributed annually to the judicial administrator and to the administrative judge of each district. (Authorized by K.S.A. 22-4522; implementing K.S.A. 22-4504; effective May 1, 1984; amended May 1, 1985; amended, T-105-7-22-11, July 22, 2011; amended Nov. 14, 2011.)

110-6-9. Application. (a) After the measurement period for a worksite has been established, the applicant may submit an application to the department for certification of the worksite, on a form prescribed by the secretary, together with all supplemental forms and documentation necessary to demonstrate satisfaction of the program requirements. Sufficiency of all submitted documentation shall be determined by the secretary, who may request additional information. A worksite shall not be certified until all program requirements are satisfied.

(b) Certification of the worksite in which the applicant is planning to make a qualified business facility investment, as defined by K.S.A. 79-32,154(e) and amendments thereto, shall be contingent on documentation submitted by the applicant to the department that the worksite has met all statutory criteria during the measurement period, except as specified in K.A.R. 110-6-12(b). However, a determination may be made by the secretary that it is in the best economic interests of the state to allow initial certification or recertification based on a promise of future performance, rather than historical accomplishments, if certification is deemed justified by the magnitude of potential job creation and investment and by other considerations deemed appropriate by the secretary. (Authorized by and implementing K.S.A. 2012 Supp. 74-50,131; effective Sept. 13, 2013.)

110-6-10. Certification of a worksite. Each applicant shall meet the following requirements:

(a) (1) The NAICS designation assigned to the worksite shall be under an appropriate NAICS designation, as specified in K.S.A. 74-50,131 and amendments thereto;

(2) the worksite, regardless of its NAICS designation, shall be determined by the secretary to be a headquarters or back-office operation of a

national firm or multinational firm pursuant to this article; or

(3) the worksite, regardless of its NAICS designation, had been certified as a headquarters or back-office operation of a national firm or multinational firm by the secretary before the effective date of this regulation. The worksite shall retain its certification as a headquarters or back-office operation of a national firm or multinational firm unless the worksite would no longer qualify using the criteria in effect for the original worksite certification.

(b) Before any formal commitment to invest, the applicant shall demonstrate knowledge of the HPIP program by submitting a certificate of intent to invest, on the PD form prescribed by the secretary. The worksite information provided on the PD form shall include the following:

(1) Estimated investment amounts;

(2) a projected starting date;

(3) information regarding current and anticipated net new job creation and retention with associated payroll levels;

(4) revenue and sales projections; and

(5) any other relevant information if requested by the secretary.

(c) Certification of a worksite for the sole purpose of utilizing an HPIP tax credit that has been carried forward shall not require the submission of an additional project description form and may be applied for with a sworn statement using a form prescribed by the department.

(d) If the main activity at a worksite is not related to the headquarters or back-office operation but all other program requirements are satisfied, the applicant may seek certification only for that portion of the worksite’s area that houses the headquarters or back-office operation of that worksite if the company’s accounting system has the capability to allow a segment of the worksite to independently track the various elements that support satisfaction of HPIP requirements.

HPIP benefits shall be calculated by determining the portion of a qualified business facility investment used solely for that portion of the worksite housing the headquarters or back-office operation.

(e) After meeting all HPIP requirements, the worksite shall be certified by the secretary to the department of revenue. Before a worksite may be certified, all records used to support HPIP certification shall be subject to verification by the department. (Authorized by and implementing

K.S.A. 2012 Supp. 74-50,131; effective Sept. 13, 2013.)

110-6-11. Certification period (CP). (a) After establishing the measurement period at the worksite, the applicant shall establish a certification period as follows:

(1) For a worksite that has been fully operational for at least four calendar quarters, a 12-month certification period shall begin, at the option of the applicant, on any date during the calendar quarter following the end of the MP.

(2) For a new worksite with a new workforce, the certification period shall begin at the onset of the eligible qualified capital investment to establish this worksite and shall continue for 12 months after the end of the MP. There may be two exceptions as follows:

(A) If, at the commencement of full operations, the new worksite is staffed with a workforce comprised of at least 85 percent of employees who have been relocated from other Kansas worksites of the company and if compliance with all other HPIP requirements is documented to the satisfaction of the secretary for the four calendar quarters immediately preceding the start of full operations, the applicant shall have the option to use the four calendar quarters before the start of full operations at the new location as its measurement period with a certification period starting at the onset of qualified capital investment to establish this new worksite. The certification period shall continue through the first four quarters of operations.

(B) A firm that is relocating from outside of Kansas shall have the option to use the four previous quarters before the start of full operations at the new worksite as its measurement period with a certification period starting at the onset of eligible capital investment to establish this new worksite and shall continue through the first four quarters of operations, if all of the following conditions are met:

(i) The new worksite is not subject to the HPIP source-of-revenue requirement and is using participation in KIT or KIR to satisfy the HPIP training requirement.

(ii) At the commencement of full operations, the new worksite is staffed with a workforce comprised of at least 85 percent of employees who have been relocated from non-Kansas facilities of the firm or from a combination of Kansas and non-Kansas facilities.

(iii) Wage costs for those relocated employees are documented to the satisfaction of the secretary for the four calendar quarters immediately preceding the start of full operations.

(b) If a company chooses to combine worksites for HPIP certification, then each worksite shall establish as its measurement period four combined calendar quarters of operations that do not overlap any other measurement period for any participating worksites. Certification shall begin on any date of the applicant's choosing during the quarter that follows the end of the measurement period and shall extend for a 12-month period.

(c) If worksites are combined in a single application to receive aggregate HPIP certification, then the applicable set of requirements shall consist of the most restrictive requirement for any of the individual worksites that are participating in the combined application, according to the following requirements:

(1) If any individual participating worksite is subject to the HPIP source-of-revenue requirement, then the combined worksite application as a whole shall be subject to the HPIP source-of-revenue requirement.

(2) If participating worksites come from more than one HPIP wage region, then the highest wage threshold from those wage regions shall apply for the participating worksites.

(3) If a headquarters or back-office operation is not required to satisfy the HPIP source-of-revenue requirement while another worksite is so required, then each participating worksite shall be required to satisfy this requirement.

(4) If worksites in the same wage area fall into different size categories, the most restrictive wage standard shall apply to each of the combined worksites.

(5) If each of the combined worksites has 500 or fewer employees but in aggregate the number of employees is greater than 500, then the higher wage threshold shall apply.

(d) Certification of a worksite for the sole purpose of obtaining training and education tax credits or a sales tax exemption certificate shall be allowed if both of the following conditions are met:

(1) All other program requirements are satisfied.

(2) The applicant demonstrates prior knowledge of the program by submitting the project description form. This form shall be received by the department before the start of the certification period. (Authorized by and implementing K.S.A.

2012 Supp. 74-50,115 and K.S.A. 2012 Supp. 74-50,131; effective Sept. 13, 2013.)

110-6-12. Training and education requirement. After a worksite has met the requirements of K.A.R. 110-6-10, that worksite shall meet the requirements of subsection (a) or (b) before the applicant obtains certification of the worksite:

(a) The applicant shall participate in a KIT or KIR workforce training project at the worksite to enhance employee skills. If this method is to be utilized in satisfaction of the HPIP training and education requirement, the timing of the project shall be one of the following:

(1) If a KIT or KIR project terminates during the applicant's chosen measurement period, at least three months of the training project shall have occurred during the measurement period.

(2) A KIT or KIR project of at least three months in duration commences any time during the applicant's chosen measurement period or during the following calendar quarter but shall not commence after the start of the certification period except as provided by K.A.R. 110-6-11(a)(2).

(b) The applicant shall make a cash investment of at least two percent of its total payroll costs at the worksite in eligible training and education expenses during the measurement period, except that costs incurred to train employees needed to staff a start-up worksite, before operations begin at the worksite, shall be counted as part of training costs during the first four quarters of operations for those employees who have been hired into permanent positions before the start of operations. Prepayment for training may be counted in a measurement period apportioned according to the extent that the related training has been completed during the measurement period. (Authorized by and implementing K.S.A. 2012 Supp. 74-50,131; effective Sept. 13, 2013.)

(1) If the facility manager chooses to pay a patron the represented value of a gaming ticket notwithstanding the fact that the gaming ticket system is inoperable, rendering the manager unable to determine the validity of the gaming ticket at the time of payment. The system of internal controls shall include procedures to verify the ticket once the gaming ticket system becomes operable in accordance with article 110; and

(2) if the facility manager chooses to pay a patron the value of a gaming ticket notwithstanding the fact that the gaming ticket system failed to verify and electronically cancel the gaming ticket when it was scanned. Each payment by the facility manager shall be treated as a complimentary. These payments shall not result in a deduction from EGM income.

(e) At the end of each gaming day, the gaming ticket system shall be caused by the facility manager to generate reports, and the reports shall be provided to the manager's accounting department, either directly by the system or through the management information systems department. The report, at a minimum, shall contain the following information:

(1) A list of all gaming tickets that have been issued, including the asset number and the serial number of the EGM, and the value, date, and time of issuance of each gaming ticket;

(2) a list of all gaming tickets that have been redeemed and cancelled, including the redemption location, the asset number of the EGM or location if other than an EGM, the serial number, the value, date, and time of redemption for each ticket, the total value of all gaming tickets redeemed at EGMs, and the total value of all gaming tickets redeemed at locations other than EGMs;

(g) Upon any attempt to redeem a gaming ticket when the total value of which gaming ticket cannot be completely converted into an equivalent value of credits, the EGM shall perform one of the following procedures:

(1) Automatically issue a new gaming ticket containing the value that cannot be completely converted;

(2) not redeem the gaming ticket and return the gaming ticket to the patron; or

(3) allow for the additional accumulation of credits on a meter that displays the value in dollars and cents.

(h) Each facility manager that utilizes a system or an EGM that does not print a test gaming ticket that is visually distinguishable from a redeemable gaming ticket shall adopt internal controls for all of the following:

(1) The issuance of test currency from the cage; and

(2) the return and reconciliation of the test currency and any gaming tickets printed during the testing process.

(i) Except as provided in subsection (m), each gaming ticket shall be redeemed by a patron for cash, EGM credits, or a check issued by the facility manager in the amount of the gaming ticket redeemed. A facility manager shall not permit redemption of a gaming ticket if the facility manager

knows or has reason to know that the ticket meets any of the following conditions:

(1) Is different from the sample of the gaming ticket approved by the commission;

(2) was previously redeemed; or

(3) was printed as a test gaming ticket.

(j) Any facility manager may effectuate redemption requests submitted by mail. Gaming tickets redeemed by mail may only be redeemed by a cage supervisor in accordance with internal controls approved by the commission under K.A.R. 112-104-1 that include the following:

The manager's accounting department employees shall perform the following, at a minimum:

(1) On a daily basis, the following:

(A) Compare gaming ticket system report data to any count room system report data available for that gaming day to ensure proper electronic cancellation of the gaming ticket; and

(B) calculate the unredeemed liability for gaming tickets, either manually or by means of the gaming ticket system; and

(2) on a weekly basis, compare appropriate EGM meter readings to the number and value of issued and redeemed gaming tickets per the gaming ticket system. Meter readings obtained through an electronic gaming monitoring system may be utilized to complete this comparison.

(l) Each facility manager shall provide written notice to the commission audit staff of any adjustment to the value of any gaming ticket. The notice shall be made before or concurrent with the adjustment.

(n) Each gaming ticket system shall be configured to alert each facility manager to any malfunction in accordance with article 110. Following a malfunction of a system, the facility manager shall notify the commission within 24 hours of the malfunction and shall not utilize the system until the malfunction has been eliminated. A facility manager may be permitted by the executive director to utilize the system before the system is restored, for a period not to exceed 72 hours, if all of the following conditions are met:

(1) The malfunction is limited to a single storage media device, including a hard disk drive.

(2) The system contains a backup storage media device not utilized in the normal operation of the system. The backup device shall automatically replace the malfunctioning device and permit a complete recovery of all information in the event of an additional malfunction.

(3) Continued use of the malfunctioning system would not inhibit the ability to perform a complete recovery of all information and would not otherwise harm or affect the normal operation of the system.

(o) Other than a modification to a gaming ticket system that is required on an emergency basis to prevent cheating or malfunction and is approved by the executive director under K.A.R. 112-107-3(m), a modification to a gaming ticket system shall not be installed without being tested and approved under K.A.R. 112-107-3. (Authorized by and implementing K.S.A. 2007 Supp. 74-8772; effective April 24, 2009.)

(2) Upon examination of the coupons, the facility manager shall cause to be recorded in a coupon control ledger the type and quantity of coupons received, the date of the receipt, the beginning serial number, the ending serial number, the new quantity of unissued coupons on hand, the purchase order or requisition number, any deviations between the number of coupons ordered and the number received, and the signature of any individual who examined the coupons.

(3) All unissued coupons shall be stored in the cage, controlled by a cage department supervisor.

(4) A representative from the internal audit department shall prepare a monthly inventory of unissued coupons. Any deviations between the coupon inventory and the coupon control ledger shall be reported to the controller and the director of internal audit.

(5) A representative of the facility manager shall estimate the number of coupons needed by shift each day. An accounting department employee shall obtain the quantity of coupons to be issued. If a date indicating when the coupon becomes invalid is not preprinted on the coupon, the accounting department employee shall affix a stamp indicating the date the coupon becomes invalid. The following, at a minimum, shall be recorded in the coupon control ledger:

(A) The date the coupons were issued;

(B) the type of coupons issued;

A change person, booth cashier, or general cage cashier shall accept the coupons in exchange for the stated amount of cash or tokens. Coupons accepted for redemption shall be cancelled by those authorized to accept coupons. Cancellation of coupons shall be done in a manner that cancels the coupon number and shall permit subsequent identification of the individual who accepted and cancelled the coupon. Redeemed coupons shall be maintained and shall be submitted to the main bank not less frequently than at the conclusion of each day.

(B) Coupons redeemable for wagers shall be accepted only in exchange for the wagers stated on the coupons. The cancelled coupons shall be exchanged with the main bank at the conclusion of the chip person's shift, at a minimum.

(D) A match play coupon shall be redeemed only at a gaming table that offers an authorized game in which patrons wager only against the house. The coupon shall be redeemed only by a dealer and only if accompanied by the proper amount of gaming chips required by the coupon. The dealer shall accept the coupon as part of the patron's wager and deposit the coupon into the drop box after the wager is won or lost.

112-107-20. EGM computer systems.

(a) All components of a facility manager's produc-

tion EGM computer system shall be located within the gaming facility. As used in this regulation, "production EGM computer system" shall mean the facility manager's primary EGM computer system comprised of a collection of hardware and software used to process or monitor EGM activity in real time. A production EGM computer system shall include any segregated testing component.

(b) With the written approval of the executive director, a facility manager's back-up EGM computer system, or any part of it, may be located in a secure and remote computer that is under the custody and control of an affiliate, intermediary, subsidiary, or holding company approved by the commission, referred to as a "host entity." A backup EGM computer system may consist of either of the following:

(1) A mirrored backup system that duplicates the production system by recording all slot-related operations on a real-time basis and is designed to become the production system whenever needed; or

(2) a periodic backup system that consists of regularly scheduled recording of selected data, which may include a complete image of the production system or any portion of the system.

(c) At a minimum, each facility manager requesting authorization to allow a backup EGM computer system to reside outside the gaming facility shall certify that both of the following conditions are met:

(1) Communications between the remote computer and the facility manager's EGM computer system occur using a dedicated and secure communication medium, which may include a leased line.

(2) The remote computer automatically performs the following functions:

(A) Generates daily monitoring logs and real-time alert messages to inform the facility manager and host entity of any system performance problems and hardware problems;

(B) generates daily monitoring logs and real-time alert messages to inform the facility manager of any software errors;

(C) generates daily monitoring logs to inform the facility manager of any unsuccessful attempts by a device, person, or process to obtain computer access;

(D) authenticates the identity of every device, person, and process from which communications

are received before granting computer access to the device, person, or process;

(E) ensures that data sent through a transmission is completely and accurately received; and

(F) detects the presence of corrupt or lost data and, as necessary, rejects the transmission.

(d) Unless a remote computer is used exclusively to maintain the EGM computer system of the facility manager, the system shall be partitioned in a manner approved by the executive director and shall include the following:

(1) A partition manager that meets the following requirements:

(A) The partition manager shall be comprised of hardware or software, or both, and perform all partition management tasks for a remote computer, including creating the partitions and allocating system resources to each partition;

(B) the facility manager and host entity shall jointly designate and identify the security officer who will be responsible for administering the partition manager and maintaining access codes to the partition manager. The security officer shall be an employee of the facility manager or host entity and shall be licensed as a level I employee;

(C) special rights and privileges in the partition manager, including the administrator, shall be restricted to the management information systems director or security officer of the facility manager or host entity, who shall be licensed as level I employees;

(D) access to the partition manager shall be limited to employees of the management information systems departments of the facility manager and host entity; and

(E) software-based partition managers contained in a remote computer shall be functionally limited to performing partition management tasks for the remote computer, while partition managers using hardware and software that are not part of a remote computer may be utilized to perform other functions for a remote computer that are approved by the executive director;

(2) a separate partition established for the facility manager's EGM computer system that meets the following requirements:

(A) The partition shall be limited to maintaining the software and data of the facility manager for which the partition has been established;

(B) the security officer of the facility manager for which the partition has been established shall be licensed as a level I employee and shall be re-

sponsible for maintenance of access codes to the partition; and

(C) special rights and privileges in the partition, including the administrator, shall be restricted to the security officer and the management information systems director of the facility manager for which the partition has been established; and

(3) separate and distinct operating system software, application software, and computer access controls for the partition manager and each separate partition.

(e) Any facility manager may be permitted by the executive director to establish a partition within a computer that contains its EGM computer system for its affiliate, intermediary, subsidiary, or holding company if all of the following requirements are met:

(1) A partition manager comprised of hardware or software, or both, shall be utilized to perform all partition management tasks, including creating the partitions and allocating system resources to each partition.

(2) A security officer shall be designated within the management information systems department of the facility manager to be responsible for administering the partition manager and maintaining access codes to the partition manager. Special rights and privileges in the partition manager, including the administrator, shall be restricted to the security officer and the management information systems director of the facility manager.

(3) Special rights and privileges in any partition that has been established for the benefit of an affiliate, intermediary, subsidiary, or holding company shall be restricted to the security officer and information technology director of the affiliate, intermediary, subsidiary, or holding company.

(f) Any facility manager may be permitted by the executive director to maintain backup or duplicate copies of the software and data of its EGM computer system, or any portion of the software and data, in removable storage media devices, including magnetic tapes or disks, in a secure location within a gaming facility or other secure location outside the gaming facility as approved by the executive director for the purposes of disaster recovery.

(g) Notwithstanding the provisions of subsection (a), upon the declaration of a disaster affecting the EGM computer system by the chief executive officer of the facility manager and with the prior written approval of the executive director, a facility manager may maintain the software and

data of its EGM computer system, or any portion of the software and data, in a computer located in a secure location outside the gaming facility.

(h) Any facility manager may locate software or data not related to an EGM computer system, including software or data related to the sale of food and beverages, in a computer located outside the gaming facility. With the written approval of the executive director, a facility manager may connect the computer to an EGM computer system if all of the following conditions are met:

(1) Logical access to computer software and data of the EGM computer system is appropriately limited.

(2) Communications with all portions of the EGM computer system occur using a dedicated and secure communications medium, which may consist of a leased line.

(3) The facility manager complies with other connection-specific requirements of the commission. (Authorized by and implementing K.S.A. 2007 Supp. 74-8772; effective April 24, 2009.)

112-107-21. Progressive LFGs. (a) Each progressive LFG shall meet the requirements of article 110.

(b) Each facility manager seeking to utilize a linked LFG shall submit the location and manner of installing any progressive meter display mechanism to the executive director for approval.

(c) An LFG that offers a progressive jackpot shall not be placed on the gaming floor until the executive director has approved the following:

(1) The initial and reset amounts at which the progressive meter or meters will be set;

(2) the proposed system for controlling the keys and applicable logical access controls to the LFGs;

(3) the proposed rate of progression for each progressive jackpot;

(4) the proposed limit for the progressive jackpot, if any; and

(5) the calculated probability of winning each progressive jackpot. The probability shall not exceed 50 million to one.

(d) Progressive meters shall not be turned back to a lesser amount unless one of the following occurs:

(1) The amount indicated has been actually paid to a winning patron.

(2) The progressive jackpot amount won by the patron has been recorded in accordance with a system of internal controls approved under K.A.R. 112-104-1.

(3) The progressive jackpot has, upon executive director approval, been transferred to another progressive LFG or wide-area progressive system in accordance with this article.

(4) The change is necessitated by an LFG or meter malfunction. For progressive jackpots governed by subsection (a), an explanation for the malfunction shall be entered on the progressive electronic gaming summary required by this article, and the commission shall be notified of the resetting in writing.

(e) Once an amount appears on a progressive meter, the probability of hitting the combination that will award the progressive jackpot shall not be decreased unless the progressive jackpot has been won by a patron or the progressive jackpot has been transferred to another progressive LFG or wide-area progressive system or removed in accordance with subsection (g).

(f) If an LFG has a progressive meter with digital limitations on the meter, the facility manager shall set a limit on the progressive jackpot, which shall not exceed the display capability of the progressive meter.

(g) Any facility manager may limit, transfer, or terminate a progressive jackpot offered on a gaming floor only under any of the following:

(1) A facility manager may establish a payout limit for a progressive jackpot if the payout limit is greater than the payout amount that is displayed to the patron on the progressive jackpot meter. The facility manager shall provide notice to the commission of the imposition or modification of a payout limit on a progressive meter concurrent with the setting of the payout limit.

(2) A facility manager may terminate a progressive jackpot concurrent with the winning of the progressive jackpot if its LFG program or progressive controller was configured before the winning of the progressive jackpot to establish a fixed reset amount with no progressive increment.

(3) A facility manager may permanently remove one or more linked LFGs from a gaming floor if both of the following conditions are met:

(A) If the LFG is part of a wide-area progressive system offered at multiple facilities, the facility manager retains at least one linked LFG offering the same progressive jackpot on its gaming floor.

(B) If the progressive jackpot is only offered in a single gaming facility, at least two linked LFGs offering the same progressive jackpot remain on the gaming floor.

(4) Any facility manager may transfer a pro-

gressive jackpot amount on a stand-alone LFG or the common progressive jackpot on an entire link of LFGs with a common progressive meter, including a wide-area progressive system, from a gaming floor. The facility manager shall give notice of its intent to transfer the progressive jackpot to the commission at least 30 days before the anticipated transfer and shall conspicuously display the facility manager's intent to transfer the progressive jackpot on the front of each LFG for at least 30 days. To be eligible for transfer, the progressive jackpot shall meet the following conditions:

(A) Be transferred in its entirety; and

(B) be transferred to one of the following:

(i) The progressive meter for an LFG or wide-area progressive system with the same or greater probability of winning the progressive jackpot, the same or lower wager requirement to be eligible to win the progressive jackpot, and the same type of progressive jackpot. However, if no other LFG or wide-area progressive system meets all of these qualifications, a transfer of the jackpot to the progressive meter of the most similar LFG or wide-area progressive system available may be authorized by the executive director; or

(ii) the progressive meters of two separate LFGs or wide-area progressive systems if each LFG or wide-area progressive system to which the jackpot is transferred individually satisfies the requirements of paragraph (g)(4)(B)(i).

(5) Any facility manager may immediately and permanently remove a progressive jackpot on a stand-alone progressive LFG, the common progressive jackpot on an entire link of LFGs with a common progressive meter, or an entire wide-area progressive system from a gaming floor if notice of intent to remove the progressive jackpot meets the following requirements:

(A) Is conspicuously displayed on the front of each LFG for at least 30 days; and

(B) is provided in writing to the commission at least 30 days before the removal of the progressive jackpot.

(h) The amount indicated on the progressive meter or meters and coin-in meter on each LFG governed by subsection (a) shall be recorded by the facility manager's accounting department or LFG department on a progressive electronic gaming summary report at least once every seven calendar days. Each report shall be signed by the preparer. If not prepared by the accounting department, the progressive electronic gaming sum-

mary report shall be forwarded to the accounting department by the end of the gaming day on which it is prepared. An employee of the accounting department shall be responsible for calculating the correct amount that should appear on a progressive meter. If an adjustment to the progressive meters is necessary, the adjustment shall be made by a member of the LFG department authorized by the progressive gaming supplier to make progressive meter adjustments as follows:

(1) Supporting documentation shall be maintained to explain any addition or reduction in the registered amount on the progressive meter. The documentation shall include the date, the asset number of the LFG, the amount of the adjustment, and the signatures of the accounting department member requesting the adjustment and the LFG department member making the adjustment; and

(2) the adjustment shall be effectuated within 48 hours of the meter reading.

(i) Except as otherwise authorized by this regulation, each LFG offering a progressive jackpot that is removed from the gaming floor shall be returned to or replaced on the gaming floor within five gaming days. The amount on the progressive meter or meters on the returned or replacement LFG shall not be less than the amount on the progressive meter or meters at the time of removal. If an LFG offering a progressive jackpot is not returned or replaced, any progressive meter amount at the time of removal shall, within five days of the LFG's removal, be added to an LFG offering a progressive jackpot approved by the executive director. The LFG shall offer the same or greater probability of winning the progressive jackpot and shall require the same or lower denomination of currency to play that was in use on the LFG that was removed. This subsection shall not apply to the temporary removal by a facility manager, for a period not to exceed 30 days, of all linked LFGs that are part of a particular wide-area progressive system if the progressive jackpot offered by the temporarily removed LFGs remains available on LFGs that are part of the same wide-area progressive system in another gaming facility.

(j) If an LFG is located adjacent to an LFG offering a progressive jackpot, the facility manager shall conspicuously display on the LFG a notice advising patrons that the LFG is not participating in the progressive jackpot of the adjacent LFG. (Authorized by K.S.A. 2009 Supp. 74-8772; implementing K.S.A. 2009 Supp. 74-8750 and 74-

8772; effective April 24, 2009; amended April 1, 2011.)

112-107-22. Wide-area progressive systems. (a) Two or more facility managers may operate linked progressive LFGs that are interconnected between two or more participating gaming facilities, with the prior written approval of the commission and the Kansas lottery as required under subsection (c). The LFGs participating in the link shall be collectively referred to as a wide-area progressive system.

(b) Each wide-area progressive system shall at all times be installed and operated in accordance with relevant requirements of the act, this article, and article 110.

(c) Each wide-area progressive system shall be operated and administered by participating facility managers in accordance with the terms and conditions of a written agreement executed by the participating facility managers. The agreement shall be referred to as an electronic gaming system agreement. Each electronic gaming system agreement shall be submitted in writing and approved by the commission and the Kansas lottery before implementation and shall meet the requirements of the act, this article, and article 110.

(d) Any facility manager participating in an electronic gaming system agreement may delegate, in whole or in part, the management and administration of a wide-area progressive system to a gaming supplier if the electronic gaming system agreement is executed by the gaming supplier and the terms of the agreement are approved by the commission and the Kansas lottery. The persons designated in an electronic gaming system agreement as being responsible for the management and administration of a wide-area progressive system shall be referred to as the wide-area progressive system operator.

(e) An agreement between a gaming supplier and a facility manager under which a gaming supplier sells, leases, or services a wide-area progressive system shall not constitute an electronic gaming service agreement, unless the agreement also covers the management and administration of the wide-area progressive system.

(f) Each electronic gaming system agreement providing for the management and administration of a wide-area progressive system shall identify and describe with specificity the duties, responsibilities, and authority of each participating facil-

ity manager and each electronic gaming system operator, including the following:

(1) Details with regard to the terms of compensation for the electronic gaming system operator. The agreement shall address to what extent, if any, the electronic gaming system operator is receiving compensation based, directly or indirectly, on an interest, percentage, or share of a facility manager's revenue, profits, or earnings from the management of the wide-area progressive system;

(2) responsibility for the funding and payment of all jackpots and fees associated with the management of the wide-area progressive system;

(3) control and operation of the computer monitoring room required under subsection (1);

(4) a description of the process by which significant decisions with regard to the management of the wide-area progressive system are approved and implemented by the participating facility managers and electronic gaming system operator;

(5) when applicable, terms satisfactory to the commission with regard to apportionment of responsibility for establishing and servicing any trust agreement associated with any annuity jackpot offered by the wide-area progressive system;

(6) responsibility for generating, filing, and maintaining the records and reports required under the act, this part, and article 110; and

(7) any other relevant requirements of the commission, including those required to comply with the technical standards on wide-area progressive systems adopted by the commission under article 110.

(g) An electronic gaming system agreement submitted to the commission for approval shall be accompanied by a proposed system of internal controls addressing the following:

(1) Transactions directly or indirectly relating to the payment of progressive jackpots, including the establishment, adjustment, transfer, or removal of a progressive jackpot amount and the payment of any associated fees; and

(2) the name, employer, position, and gaming license status of any person involved in the operation and control of the wide-area progressive system.

(h) The information identified in paragraph (g)(2) shall be reviewed by the executive director to determine, based on an analysis of specific duties and responsibilities, which persons shall be licensed. The electronic gaming system manager shall be advised of the executive director's findings. Each participating facility manager and any

participating gaming supplier shall comply with the commission's licensing instructions.

(i) An electronic gaming system manager shall not commence operation and administration of a wide-area progressive system pursuant to the terms of an electronic gaming system agreement until the agreement and the internal controls required under subsection (g) have been approved in writing by the commission and any licensing requirements under subsection (h) have been met.

(j) If an electronic gaming system agreement involves payment to a gaming supplier functioning as an electronic gaming system operator, of an interest, percentage, or share of a facility manager's revenue, profits, or earnings from the operation of a wide-area progressive system, the electronic gaming system agreement may be approved by the commission only if it determines that the total amounts paid to the gaming supplier under the terms of the agreement are commercially reasonable for the managerial and administrative services provided. Nothing in this regulation shall limit the commission's consideration of the electronic gaming system agreement to its revenue-sharing provisions.

(k) Each wide-area progressive system shall be controlled from a computer monitoring room. The computer monitoring room shall meet the following requirements:

(1) Be under the sole possession and control of employees of the wide-area progressive system manager designated in the electronic gaming system agreement for that system. The employees of the wide-area progressive system manager may be required to obtain a license or permit if the executive director determines, after a review of the work being performed, that the employees require a license or permit for the protection of the integrity of gaming;

(2) have its monitoring equipment subjected to surveillance coverage either by the surveillance system of a facility manager participating in the electronic gaming system agreement or by a dedicated surveillance system maintained by the wide-area progressive system manager. The surveillance plan shall be approved by the executive director;

(3) be accessible only through a locked door. The door shall be alarmed in a manner that audibly signals the surveillance monitoring room for the surveillance system elected under paragraph (1)(2); and

(4) have a computer monitoring room entry log. The log shall meet the following requirements:

(A) Be kept in the computer monitoring room;

(B) be maintained in a book with bound, numbered pages that cannot be readily removed or an electronic log approved by the executive director; and

(C) be signed by each person entering the computer monitoring room who is not an employee of the wide-area progressive system manager employed in the computer monitoring room on that person's assigned shift. Each entry shall contain the following information:

(i) The date and time of entering and exiting the room;

(ii) the name, department, or license number of the person entering and exiting the room and of the person authorizing the entry; and

(iii) the reason for entering the computer monitoring room.

(l) In evaluating a proposed location for a computer monitoring room, the following factors may be considered by the executive director:

(1) The level of physical and system security offered by the proposed location; and

The detailed schematic shall show the front, back, and edge of each denomination of value chip and each non-value chip and the design and wording to be contained on the chip. If the design schematic or chip is approved by the executive director, no value chip or non-value chip shall be issued or utilized unless a sample of each denomination of value chip and each color of non-value chip is also submitted to and approved by the executive director.

(c) The facility manager shall provide the name and address of the chip manufacturer to the commission.

(d) No facility manager or other person licensed by the commission shall manufacture for, sell to, distribute to, or use in any gaming facility outside of Kansas any value chips or non-value chips having the same design as that approved for use in Kansas. Unless otherwise authorized by the executive director, each facility manager shall have a primary set of value chips, a separate secondary set of value chips, a primary set of non-value chips, and a non-value chip reserve, which shall conform to the color and design specifications set forth in K.A.R. 112-108-10. An approved secondary set of value chips and reserve

non-value chips shall be placed into active play when the primary set of value chips or non-value chips is removed.

(a) The secondary set of value chips shall have different secondary colors than the primary set and shall be required for all denominations.

(b) Each facility manager shall have a non-value chip reserve for each color utilized in the gaming facility with a design insert or symbol different from those non-value chips comprising the primary set.

(c) The facility manager shall remove the primary set of gaming chips from active play if at least one of the following conditions is met:

(3) The executive director orders the removal because of security or integrity.

(d) If the primary set of chips is removed from active play, the facility manager shall immediately notify a representative of the commission of the reason for this occurrence. (Authorized by and implementing K.S.A. 2008 Supp. 74-8772; effective Jan. 8, 2010.)

Chips shall be issued to gaming facility patrons at cashiers' cages or at the live table games. Chips may be redeemed at cashiers' cages.

(b) Chips shall be redeemed only by a facility manager for its patrons and shall not be knowingly redeemed from a source other than a patron. Employees of the facility manager may redeem chips they have received as gratuities as allowed under these regulations.

(c) Each facility manager shall redeem its own chips by cash or by check dated the day of the redemption on an account of the facility manager as requested by the patron, except when the chips were obtained or used unlawfully.

Any deviation between the invoice accompanying the chips and the actual chips received or any defects found in the chips shall be reported to a security agent of the commission. A security agent of the commission shall be notified by both the gaming supplier and the facility manager of the time of delivery of any chips to the facility manager.

(b) After checking the chips received, the facility manager shall report in a chip inventory ledger each denomination of the chips received, the number of each denomination of chips received, the number and description of all non-value chips received, the date of receipt, and the signature of the individuals who checked the chips. (3) secondary chips, both value chips and non-value chips, that are held to replace the primary set when needed.

(c) If any of the chips received are to be held in reserve and not utilized either at the table games or at a cashier's cage, the chips shall be stored in a separate, locked compartment either in the vault or in a cashier's cage and shall be recorded in the chip inventory ledger as reserve chips.

(d) All chips received that are part of the facility manager's secondary set of chips shall be recorded in the chip inventory ledger as such and shall be stored in a locked compartment in the gaming facility vault separate from the reserve chips. (Authorized by and implementing K.S.A. 2008 Supp. 74-8772; effective Jan. 8, 2010.)

112-108-15. Inventory of chips. (a) Chips shall be taken from or returned to either the reserve chip inventory or the secondary set of chips in the presence of at least two individuals, one from the table games department and one from the security department of the facility manager. (b) The facility manager's accounting department shall monthly compute and record the unredeemed liability for each denomination of chips, take an inventory of chips in circulation, and record the result of this inventory in the chip inventory ledger. The accounting department shall take a monthly inventory of reserve chips and secondary chips and record the result of this inventory in the chip inventory ledger. Each individual who inspected and counted the chips shall sign either the inventory ledger or other supporting documentation. The procedures to be utilized to compute the unredeemed liability and to inventory chips in circulation, reserve chips, and secondary chips shall be submitted in the internal controls to the commission for approval. A physical inventory of chips in reserve shall be required annually only if the inventory procedures incorporate a commission-sealed, locked compartment and the seals have not been broken. Seals shall be broken only by a commission agent, with each violation of this requirement reported upon discovery to a commission agent on duty.

(c) During non-gaming hours, all chips in the possession of the facility manager shall be stored in the chip bank, in the vault, or in a locked compartment in a cashier's cage, except that chips may be locked in a transparent compartment on gaming tables if there is adequate security as approved by the commission.

(d) The internal control system shall include procedures for the removal and destruction of damaged chips from the gaming facility inventory. (Authorized by and implementing K.S.A. 2008 Supp. 74-8772; effective Jan. 8, 2010.)

(3) Each suit shall consist of 13 cards: ace, king, queen, jack, 10, 9, 8, 7, 6, 5, 4, 3, and 2. The face

of the ace, king, queen, jack, and 10 value cards may contain an additional marking, as documented in the internal controls and approved by the commission, that will permit a dealer, before exposing the dealer's hole card at the game of blackjack, to determine the value of that hole card.

(4) The backs of all cards in the deck shall be identical and no card shall contain any marking, symbol, or design that will enable a person to know the identity of any element printed on the face of the card or that will in any way differentiate the back of that card from any other card in the deck.

(5) The backs of all cards in the deck shall be designed so as to diminish as far as possible the ability of any person to place concealed markings on the backs.

(6) The design to be placed on the backs of cards used by facility managers shall contain the name or trade name of the facility manager where the cards are to be used and shall be submitted to the executive director for approval before use of the cards in gaming activity.

(7) Each deck of cards for use in table games as defined in K.A.R. 112-108-1 shall be packaged separately with cellophane, shrink wrap, or another similar material as documented in the internal controls and approved by the commission. (2) The decks shall be recorded in the card inventory ledgers by a member of the security or accounting department and a member of the table games department. If any discrepancies in the invoice or packing list or any defects are found, the discrepancies shall be reported to a commission agent on duty within 24 hours.

(3) The decks shall be placed for storage in a primary or secondary storage area by at least two employees, one of whom shall be from the table games department and the other from the security department or accounting department. The primary card storage area shall be located in a secure place, the location and physical characteristics of which shall be documented in the internal controls and approved by the commission. Secondary storage areas, if needed, shall be used for the storage of surplus decks. Decks maintained in any secondary storage area shall be transferred to the primary card storage area before being distributed to the pit area or poker tables. All secondary storage areas shall be located in secure areas, the location and physical characteristics of which shall be documented in the internal controls and approved by the commission.

(d) Each primary card storage area and each secondary card storage areas shall have two separate locks. The security department shall maintain one key to each storage area, and the table games department shall maintain the other key. No person employed by the table games department other than the pit manager, poker room manager, or the supervisor shall have access to the table games department key for the primary and secondary card storage areas.

(e) Immediately before the commencement of each gaming day and at other times as may be necessary, the pit manager, poker room manager, or the supervisor, in the presence of a security department employee and after notification to surveillance, shall remove the decks of table game cards or poker cards from the primary card storage area needed for that gaming day.

(f) All cards transported to a pit or the poker room shall first be recorded on the card inventory ledger. Both the authorized table games department employee and the security department employee shall sign to verify the information.

(g) Once the cards are removed from the primary card storage area, the pit manager, poker room manager, or the supervisor, in the presence of a security department employee, shall take the decks to the pit area or poker room and distribute the decks to the floor supervisors for distribution to the dealer at each table. The poker room manager, pit manager, or the supervisor shall place extra decks into a single locked compartment of a poker room or pit area stand. All authority shall be limited to the supervisor's or manager's respective area of duty. The poker room supervisor, pit area supervisor, or an employee in a higher position shall have access to the extra decks of cards to be used for that gaming day.

Card inspection at the gaming table shall require the dealer to sort each deck into sequence and into suit to ensure that all cards are in the deck. The dealer shall also check each card to ensure that there is no indication of tampering, flaws, scratches, marks, or other defects that might affect the integrity of the game.

(1) If, after checking the cards, the dealer finds that a card is unsuitable for use, a floor supervisor or an employee in a higher position shall either bring a replacement card from the replacement deck or replace the entire deck.

(2) A commission security agent on duty shall be notified immediately of the removal, including the card manufacturer's name, and the time of discovery and the location of where the unsuitable card was discovered. Cards may also be removed at the direction of the commission security agent on duty.

(3) Based upon the agent's discretion and circumstances as listed in subsection (t), all decks being removed from play shall be counted at the table to ensure that no cards are missing.

(j) If an automated deck-checking device is used, the facility manager shall include the following procedures:

(1) Before the initial use of the automated deck-checking device, the critical program storage media and the camera software shall be verified and sealed by a commission security agent.

(2) The dealer shall complete the inspection of

the cards. The dealer inspection shall ensure that the back of the cards are the correct color and free of any visible flaws.

(3) The automated deck-checking device shall be maintained in the enclosed and encircled area.

(4) The automated deck-checking device shall not be used in the card storage room.

(2) The floor supervisor or an employee in a higher position shall maintain the envelope or container in a secure place within the enclosed and encircled area until collected by a security department employee.

(n)(1) The floor supervisor or an employee in a higher position shall collect all used cards either

at the end of the gaming day or at least once each gaming day at the same time as designated by the facility manager and documented in the internal controls approved by the commission. A facility manager may choose to collect all used cards at other times as may be necessary.

(2) Used cards shall be counted and placed in a sealed envelope or container. A label shall be attached to each envelope or container that shall identify the table number, date and time and shall be signed by the dealer and floor supervisor assigned to the table. The floor supervisor or an employee in a higher position shall maintain the envelopes or containers in a secure place within the enclosed or encircled area until collected by a facility manager security department employee.

(o) The facility manager shall remove any cards from use whenever there is indication of tampering, flaws, scratches, marks, or other defects that might affect the integrity or fairness of the game, or at the request of the commission security agent on duty.

(p) Each extra deck with a broken seal shall be placed in a sealed envelope or container with a label attached to each envelope or container. (q) At least once each gaming day at the time as designated by the facility manager in the internal controls, a facility manager security department employee shall collect, sign, and return to the security department all envelopes or containers containing the following:

- (1) Damaged cards;
- (2) cards used during the gaming day; and
- (3) all other decks with broken seals.

(r) Each poker room supervisor shall maintain in the poker room stand a specified number of replacement decks for replacing unsuitable cards. The poker room supervisor or an employee in a higher position shall have access to the replacement decks that are kept in a single locked compartment. The poker room supervisor or an employee in a higher position shall keep a record of all cards removed from the replacement decks. The record shall include the time, date, color, value, suit, reason for replacement, and name of the individual who replaced the cards. The replacement decks shall be reconciled to the record

at least weekly. Once a replacement deck has been depleted to the point that the deck is no longer useful, the remaining cards in the replacement deck shall be picked up by security and destroyed or cancelled.

(s) At least once each gaming day as designated by the facility manager in the internal controls, a pit manager or the pit manager's supervisor may collect all extra decks of cards. If collected, all sealed decks shall be cancelled, destroyed, or returned to an approved storage area.

The cards shall be inspected for tampering, marks, alterations, missing or additional cards, or anything that might indicate unfair play.

(1) With the exception of the cards used on a traditional baccarat table, which are changed upon the completion of each shoe, all cards used in table games in which the cards are handled by the player shall be inspected.

(2) In other table games, if fewer than 300 decks are used in the gaming day, at least 10 percent of those decks shall be selected at random to be inspected. If 300 or more decks are used that gaming day, at least five percent of those decks but no fewer than 30 decks shall be selected at random to be inspected.

(A) All envelopes and containers used to hold or transport dice collected by security shall be transparent.

(B) A label shall be attached to each envelope or container that identifies the table number, date, and time and shall be signed by the boxperson and floor supervisor.

(C) The envelopes or containers and the method used to seal the dice shall be designed or constructed so that any tampering is evident.

(D) The security department employee receiving the die shall sign the original, duplicate, and triplicate copy of the dice discrepancy report and retain the original at the security office. The duplicate copy shall be delivered to the commission, and the triplicate copy shall be returned to the pit and maintained in a secure place within the pit until collection by a security department employee.

(2) The procedures for inspecting dice under this subsection shall include the following information:

(B) The envelope or container shall be appropriately sealed and maintained in a secure place within the pit until collection by a security department employee.

(i) All extra dice in dice reserve that are to be destroyed or cancelled shall be placed in a sealed envelope or container, with a label attached to each envelope or container that identifies the date and time and is signed by the pit manager.

(j) A security department employee shall collect and sign all envelopes or containers of used dice and any dice in dice reserve that are to be destroyed or cancelled and shall transport the envelopes or containers to the security department for cancellation or destruction. This collection shall occur at the end of each approved gaming day and at any other times as may be necessary. The security department employee shall also collect all triplicate copies of dice discrepancy reports, if any. No dice that have been placed in a cup for use in gaming shall remain on a table for more than 24 hours.

(k) A pit manager or supervisor of the pit manager may collect all extra dice in dice reserve at the end of each gaming day or at least once each gaming day as designated by the facility manager and approved by the commission, and at any other times as may be necessary.

(B) each discrepancy shall immediately be reported to the commission agent on duty; and

(C) the employees conducting this inventory shall make an entry and sign the dice inventory ledger in a manner that clearly distinguishes this count as the quarterly inventory.

(m)(1) Cancellation shall occur by drilling a circular hole of at least $\frac{3}{16}$ of an inch in diameter through the center of each die or any other method approved by the commission.

(2) Destruction shall occur by shredding or any other method approved by the commission.

(3) The destruction and cancellation of dice shall take place in a secure place, the location and physical characteristics of which shall be approved by the commission.

(1) The report shall accompany the dice when delivered to the commission security agent on duty.

(2) The dice shall be retained for further inspection by the commission security agent on duty.

(3) The commission agent receiving the report shall sign the dice discrepancy report and retain the original at the commission office. (Authorized by and implementing K.S.A. 2010 Supp. 74-8772; effective Jan. 8, 2010; amended Dec. 9, 2011.)

112-108-24. Mandatory table game count procedure. Each facility manager shall report to the commission the times when drop boxes will be removed and the contents counted. All drop boxes shall be removed and counted at the times previously reported to the commission. The removal and counting of contents at other than the designated times shall be prohibited, unless the facility manager provides advance written notice to the commission's security staff on site of a change in times or the commission requires a change of authorized times. (Authorized by and implementing K.S.A. 2008 Supp. 74-8772; effective Jan. 8, 2010.)

112-108-25. Handling of cash at gaming tables. (a) Whenever cash is presented by a patron at a gaming table to obtain gaming chips, the following requirements shall be met:

(1) The cash shall be spread on the top of the gaming table by the dealer or boxperson accepting the cash, in full view of the patron who presented the cash and the supervisor assigned to that gaming table.

112-108-26. Table game tips. (a) Each tip given to a dealer shall be handled in the following manner:

(1) Immediately deposited into a transparent locked box reserved for tips, except that value chips received at table games may first be placed in a color-up tube if approved internal controls are in place for this action. If non-value chips are received at a roulette table, the marker button indicating their specific value at that time shall not be removed or changed until after a dealer, in the presence of a supervisor, has converted the non-value chips into value chips that are immediately deposited in a transparent locked box reserved for tips; and

(2) accounted for by a recorded count conducted by a randomly selected dealer for each respective count and a randomly selected employee of the security department. This count shall be recorded on a tips and gratuity deposit form.

(b) Any facility manager may submit internal controls for the commission's approval that would allow poker dealers to either pool tips with other dealers operating poker games in the poker room or receive tips on an individual basis. The receiving of tips individually may be allowed only when the dealer does not make decisions that can affect the outcome of the gambling game, is not eligible to receive winnings from the gambling game as an agent of the facility manager, and uses an approved shuffling machine during the course of the poker game. If tips are received by poker dealers on an individual basis, all tips shall be immediately placed into a locked individual transparent tip box that shall be assigned to and maintained by the dealer while working. The locked individual tip box shall be given to the facility manager at the end of the shift for counting, withholding of taxes, and subsequent payment during the normal payroll process. For the purposes of this subsection, winnings from a gambling game shall not include commissions, commonly referred to as the "rake," withheld from amounts wagered in a game. Poker dealers may be permitted to receive tips on an individual basis only if the facility manager has internal controls governing this practice that have been approved by the commission.

(c) For exchanging, which is sometimes called "coloring up," dealer tips to a higher denomina-

tion before insertion into the tip box, the following requirements shall be met:

(1) A transparent cylinder or tube shall be attached to the table to maintain the chips until exchanged or colored up. The cylinder or tube shall have a capacity of no more than 25 chips.

(2) Before any chips are exchanged or colored up, the dealer shall make the announcement in a voice that can be heard by the table games supervisor that chips are being colored up. The dealer shall then deposit an equal value of higher denomination chips into the tip box and place the lower denomination chips into the chip tray.

(d) Upon receipt of a tip from a patron, a dealer shall extend the dealer's arm in an overt motion and deposit the tip into the transparent locked box or color-up tube reserved for this purpose.

(e) Applicable state and federal taxes shall be withheld on tips and gifts received by facility manager employees.

(f) The facility manager shall include in its internal controls the procedures for dropping tip boxes.

(g) The contents of tip boxes shall be collected, transported, stored, counted, and distributed in a secure manner on a regular basis pursuant to a schedule approved by the commission.

(h) Before any tip box collection, a security department employee shall notify the surveillance department that the tip box collection process is about to begin.

(i) If a tip box becomes full, a security department employee and an employee from the applicable department shall notify the surveillance department and empty the full tip box into a secure bag or other approved container for the applicable department. (Authorized by and implementing K.S.A. 2008 Supp. 74-8772; effective Jan. 8, 2010.)

(3) through approved internal controls governing table fill and credit procedures;

(4) in exchange with patrons for gaming chips of equal value;

(5) in exchange for a verified automated tip re-

(6) in exchange with patrons for non-value chips on the roulette table.

(b) A facility manager shall not transfer or exchange chips or currency between table games.

(c) Table inventories shall be maintained in trays that are covered with a transparent locking lid when the tables are closed. The information on the table inventory slip shall be placed inside the transparent locking lid and shall be visible from the outside of the cover. In case of an emergency, the transparent lid shall be locked over the inventory until normal play resumes.

(d) The table inventory slip shall be at least a two-part form, one of which shall be designated as the "opener" and the other as the "closer."

(f) If a table game is not open for play for seven consecutive gaming days, the table inventory shall be counted and verified either by two table games supervisors or by a table games supervisor and a dealer or boxperson, who shall prepare a new table inventory slip and place the previous inventory slip in the table drop box. (Authorized by and implementing K.S.A. 2008 Supp. 74-8772; effective Jan. 8, 2010.)

112-108-28. Opening of gaming tables.

(a) Immediately before opening a table for gaming, a table games supervisor or table games manager shall unlock the transparent table tray lids in the presence of the dealer or boxperson assigned to the table.

(c) The dealer or boxperson and the table games supervisor or table games manager shall sign and attest to the accuracy of the information recorded on the opener.

(d) Once signed, the dealer or boxperson shall immediately deposit the opener into the drop box attached to the gaming table.

(e) Internal controls shall include procedures for reconciling instances when counted inventory

differs from the amount recorded on the opener and shall include the name of the table games supervisor or table games manager preparing a table games variance slip, the signatures required, distribution of each part of the form, and the assurance that one part is deposited in the drop box. Each variance of \$100 or more at any table shall be reported immediately by the table games supervisor or table games manager to a commission security agent on duty. (Authorized by and implementing K.S.A. 2008 Supp. 74-8772; effective Jan. 8, 2010.)

112-108-29. Closing of gaming tables.

(a) Whenever a gaming table is closed, all chips remaining at the table shall be counted and verified by either two table games supervisors or a table games supervisor in addition to either a dealer or a boxperson, who shall prepare a table inventory slip.

(b) After the table inventory slip is signed by the table games supervisor and the dealer or boxperson, the dealer or boxperson shall immediately deposit the closing table inventory slip in the drop box.

(c) The table games supervisor shall place the opening inventory slip under the table tray lid in a manner that the amounts on the opening inventory slip may be read and lock the lid in place.

(d) Each time a table game is closed, complete closing procedures shall be followed to include the counting, verification, recording, and securing of the chips in the tray, as well as the proper disposal of the cards or dice that were in play. If the game is reopened again on the same gaming day, complete opening procedures shall be followed to include the counting and verification of chips in the tray and inspection of cards or dice and all applicable gaming equipment. The opening and closing inventory table slip for games that are opened and closed more than once in a gaming day may be marked in a manner that indicates the sequence of the slips. (Authorized by and implementing K.S.A. 2008 Supp. 74-8772; effective Jan. 8, 2010.)

112-108-30. During 24-hour gaming.

During 24-hour gaming, a closing table inventory slip shall be prepared in conjunction with the table drop for that gaming day. (Authorized by and implementing K.S.A. 2008 Supp. 74-8772; effective Jan. 8, 2010.)

112-108-31. Procedures for manually

filling chips from cage to tables; form procedures. (a) Cross-fills, even money exchanges, and foreign currency exchanges in the pit shall be prohibited.

(b) To request that chips be filled at table games, a supervisor or table games manager shall prepare a two-part order for fill form in ink entering the following information:

(1) The amount of the fill by denomination of chips;

(2) the total amount of the fill;

(3) the table or game number; and

(4) the signature of the supervisor or manager.

(c) The order for fill shall be transferred to the facility manager's accounting department by the end of the gaming day. The order for fill shall be taken by a security department employee to the cashier's cage. A copy of the order for fill shall be placed on top of the table requesting the fill.

(d) A three-part manual fill slip shall be used to record the transfer of chips from the cashier's cage to a gaming table. The fill slips shall be sequentially numbered by the vendor. The alphabet shall not be required to be used if the numerical series is not repeated during the business year. Chips shall not be transported unless accompanied by a fill slip.

(e) Unless otherwise approved by commission, manual fill slips shall be inserted in a locked dispenser that permits an individual slip in the series and its copies to be written upon simultaneously. The dispenser shall discharge the original and duplicate copies while the triplicate remains in a continuous, unbroken form in the locked dispenser.

(f) If a manual fill slip needs to be voided, the cage cashier shall write "VOID" and an explanation of why the void was necessary. Both the cage cashier and either a security department employee or another level II employee independent of the transaction shall sign the voided fill slip. The voided fill slips shall be submitted to the facility manager's accounting department for retention.

(g) Corrections on manual table fills shall be made by crossing out the error, entering the correct information, and then obtaining the initials and employee license number of at least two cage employees. Each employee in accounting who makes corrections shall initial and include the employee's commission license number.

(h) A small inventory of unused manual fill slips may be issued to the facility manager's security

department by accounting for emergency purposes. These unused fill slips shall be maintained by the facility manager's accounting or security departments.

A facility manager's security department employee shall verify the chip totals with the fill slip. A cashier's cage employee shall present the ordered chips to the security department employee in a covered clear chip carrier. Once verified, both the cashier's cage employee and the security department employee shall sign the fill slip, and the cashier's cage employee or security department employee shall also time- and date-stamp the fill slip. A cashier's cage employee shall retain the order for fill and staple it to a copy of the fill slip after the required signatures from pit personnel are obtained by a security department employee.

(k) After notifying surveillance, a facility manager's security department employee shall take the chips and the fill slips to the indicated table. The chips shall be counted by the dealer or boxperson and witnessed by a table games supervisor and security department employee in full view of surveillance. After verifying the chips against the amounts listed on the fill slip, the table games supervisor and dealer or boxperson shall sign the fill slips. The table games supervisor and security department employee shall observe the dealer or boxperson place the chips in the rack and deposit the fill slips in the table drop box. A security department employee shall not leave the table until the chips have been placed in the racks and the fill slips have been dropped. A security department employee shall return a copy of the fill slip to the cashier.

(l) The copies of the fill slips shall be reconciled by accounting at least once daily. (Authorized by and implementing K.S.A. 2008 Supp. 74-8772; effective Jan. 8, 2010.)

112-108-32. Procedures for automated filling of chips. (a) The table games supervisor

or table games manager shall determine whether a fill is necessary and initiate the request for fill process. If a request for fill slip is used, procedures for distribution of the slip shall be included in the internal controls.

(b) The table games manager or the pit clerk shall enter a request for fill into the computer, including the following information:

- (1) The amount by denomination;
- (2) the total amount;
- (3) the game or table number and pit;
- (4) the dates and time; and
- (5) the required signatures.

(c) A two-part computer-generated fill slip shall be used to record the transfer of chips from the cashier's cage to a gaming table. The fill slips shall be numbered by the computer in a manner that ensures that every fill in a given calendar year has a unique sequential number.

(d) Two copies of the computerized fill slips shall be printed simultaneously, and a record of the transaction shall be stored within the computer database.

(e) If a computerized fill slip needs to be voided, the cage cashier shall write "VOID" across the original and all copies of the fill slip and an explanation of why the void was necessary. Both a cashier's cage employee and either a security department employee or another level II employee independent of the transaction shall sign the voided fill slip. (1) “Linked progressive games” means a group of EGMs at a gaming facility that offers the same game and involves a manner of wagering providing the same probability of hitting the combination that will award the progressive jackpot that increases by the same increments as the EGM is played.

(2) A “wide-area progressive game” means a game that consists of a group of EGMs located at two or more gaming facilities, linked to a single CCS computer that has a manner of wagering that will provide the same probability of hitting the combination that will award the progressive jackpot that increases, by the same increments, as the EGM is played.

(b) Each CCS shall be able to support a variety of different progressive jackpot games, including single-machine games, linked games at a gaming facility, and wide-area progressive games shared by two or more gaming facilities.

(c) The CCS communication for the wide-area progressive system shall be by means of dedicated on-line communication lines, satellite, or another preapproved communications system. (e) Each CCS shall have the ability to produce reports that demonstrate the method used to calculate the progressive jackpot amount, including the documentation of credits contributed from the beginning of the polling cycle and all credits contributed throughout the polling cycle that includes the jackpot signal. The method shall assume that credits contributed to the system after the jackpot win occurs, in real-time but during the

same polling cycle, are contributed to the progressive jackpot amount before the win.

(f) Each CCS shall be able to produce fiscal reports that support and verify the economic activity of the games, indicating the amount of and basis for the current progressive jackpot amount. These reports shall include the following:

(1) An aggregate report to show only the balancing of the progressive link with regard to facilitywide totals;

(2) a detail report in a format that indicates for each EGM, summarized by location, the cash-in, cash-out, credits-played, and credits-won totals, as these terms are commonly understood by the Kansas lottery; and

(3) a jackpot contribution invoice that includes documentation of contributions by the following:

(A) Each of its participating EGMs;

(B) the credits contributed by each EGM to the jackpot for the period for which an invoice is remitted;

(C) the percentage contributed by that gaming facility; and

(D) any other information required by the Kansas lottery or the commission to confirm the validity of the facility manager’s aggregate contributions to the jackpot amount.

This report shall be available for any facility manager participating in a wide-area progressive electronic gaming machine system.

(3) A progressive entry authorization log shall be included with each controller, and the log shall be completed by each person gaining entrance to the controller. The log shall be entered on a form provided by the Kansas lottery.

(4) If a progressive jackpot is recorded on any progressive EGM, the progressive controller shall be able to identify the EGM that caused the progressive meter to activate, and the progressive

controller shall display the winning progressive amount.

(5) If more than one progressive EGM is linked to the progressive controller, the progressive controller may automatically reset to the minimum amount and continue normal play only if the progressive meter displays the following information:

(A) The identity of the EGM that caused the progressive meter to activate;

(B) the winning progressive amount; and

(C) the minimum amount that is displayed to the other players on the link.

(6) A progressive meter or progressive controller shall keep the following information in non-volatile memory, which shall be displayed upon demand:

(A) The number of progressive jackpots won on each progressive meter if the progressive display has more than one winning amount;

(B) the cumulative amounts paid on each progressive meter if the progressive display has more than one winning amount;

(C) the maximum amount of the progressive payout for each meter displayed;

(D) the minimum amount or reset amount of the progressive payout for each meter displayed; and

(2) allowing gaming software to be driven by down-line loading on the communications line. Gaming software may be either solicited by the EGM or unsolicited; and

(3) allowing gaming software to be downloaded in a modular fashion with only the modules requiring a change being downloaded. Downloading

shall not preclude continuous operation of the EGM network. The CCS provider shall detail for the Kansas lottery and the commission any particular download features of the software, including downloading in the background, eavesdropping, and compression. (c) Each CCS supplier shall provide at least one test system, including all hardware and software, to the commission or its independent testing laboratory for the duration of the contract. The test system shall include any third-party software and licenses used by the system. The test system shall use the identical software that exists on the production system, though the test system may utilize similar but not identical hardware.

(d) Each CCS supplier shall provide a complete set of manuals at the beginning of acceptance testing. Updates to the manuals shall be supplied concurrently with any CCS modifications that result in updating the manual.

(e) A test system in addition to the system required in subsection (b) may be required if the Kansas lottery determines that a system shall be located at the Kansas lottery.

(f) The cost of initial acceptance testing by the Kansas lottery, the commission, and the commission's independent testing laboratory shall be paid by the CCS supplier. The cost of any testing resulting from system modifications or enhancements shall be paid by the CCS supplier. These costs shall include travel time and expenses for functionality that must be tested on-site or at an alternate location.

(g) Each CCS supplier shall be responsible for the consulting costs incurred by the commission and the Kansas lottery to develop the test scripts. (Authorized by K.S.A. 2007 Supp. 74-8772; implementing K.S.A. 2007 Supp. 74-8749 and 74-8772; effective May 1, 2009.)

(2) For communication breaks that last longer than 10 minutes, a determination shall be made by the commission as to whether to cease operation of the EGMs affected by the central communication system's break in communication. The following may be considered by the commission:

(A) The potential for any data loss;

(B) the projected length of outage;

(C) the circumstances of the break in communication;

(D) the proposed solution to the problem; and

(E) any other factor that arises.

(c) If one or more EGMs have an unscheduled break in communications with the central computer system for longer than 30 minutes, the supplier for the central computer system shall perform the following:

(1) Contact the facility manager slot shift supervisor on duty or the person in an equivalent position to assist in reestablishing communications; and

(2) send updated notification to the commission personnel on duty of the situation at least every two hours until the situation is resolved. When EGM communications have been restored, the supplier for the central computer system shall notify all parties involved.

(d) For the purpose of this regulation, notification may include automated electronic communications. (Authorized by and implementing K.S.A. 2010 Supp. 74-8772; effective Dec. 9, 2011.)

(5) "Inside spread of the main antler beams" means the measurement at right angles to the center line of the skull at the widest point between main antler beams.

(6) "Length of the main antler beam" means the measurement from the lowest outside edge of the antler burr over the outer curve to the most distant point of what is or appears to be the main antler beam beginning at the place on the antler burr where the center line along the outer curve of the beam intersects the antler burr.

(7) "Normal point" means a point that projects from the main antler beam in a typical shape or location.

(8) "Point" means a projection on the antler of a deer or elk that is at least one inch long as measured from its tip to the nearest edge of the antler beam and the length of which exceeds the width at one inch or more of length. "Point" shall not include an antler beam tip.

(b) All measurements shall be made to the nearest $\frac{1}{8}$ of an inch using a flexible steel tape that is $\frac{1}{4}$ inch wide.

(c) The gross score of an antlered whitetail deer shall be determined by adding together all of the following measurements:

(1) The inside spread of the main antler beams, not to exceed the length of the longest main antler beam;

(2) the length of the main antler beam on the deer's right side;

(3) the length of the main antler beam on the deer's left side;

(4) the total length of all abnormal points on the right and left antlers;

(5) the total length of all normal points on the right and left antlers as measured from the nearest edge of the main antler beam over the outer curve to the tip. To determine the baseline for normal point measurement, the tape shall be laid along the outer curve of the antler beam so that the top

edge of the tape coincides with the top edge of the antler beam on both sides of the point; and

(6) the following circumference measurements from the right and left antlers:

(A) The circumference taken at the smallest place between the antler burr and the first normal point on the main antler beam. If the first normal point is missing, the circumference shall be taken at the smallest place between the antler burr and the second normal point;

(B) the circumference taken at the smallest place between the first normal point and the second normal point on the main antler beam. If the first normal point is missing, the circumference shall be taken at the smallest place between the antler burr and the second normal point;

(C) the circumference taken at the smallest place between the second normal point and the third normal point on the main antler beam; and

(D) the circumference taken at the smallest place between the third normal point and the fourth normal point on the main antler beam. If the fourth normal point is missing, the circumference shall be taken halfway between the third normal point and the tip of the main antler beam.

(d) The gross score of an antlered mule deer shall be determined by adding together all of the following measurements:

(1) The inside spread of the main antler beams, not to exceed the length of the longest main antler beam;

(2) the length of the main antler beam on the deer's right side;

(3) the length of the main antler beam on the deer's left side;

(4) the total length of all abnormal points on the right and left antlers;

(5) the total length of all normal points on the right and left antlers as measured from the nearest edge of the main antler beam over the outer curve to the tip. To determine the baseline for normal point measurement, the tape shall be laid along the outer curve of the antler beam so that the top edge of the tape coincides with the top edge of the antler beam on both sides of the point; and

(6) the following circumference measurements from the right and left antlers:

(A) The circumference taken at the smallest place between the antler burr and the first normal point on the main antler beam. If the first normal point is missing, the circumference shall be taken at the smallest place between the antler burr and the second normal point;

(B) the circumference taken at the smallest place between the first normal point and the second normal point on the main antler beam. If the first normal point is missing, the circumference shall be taken at the smallest place between the antler burr and the second normal point;

(C) the circumference taken at the smallest place between the main antler beam and the third normal point; and

(D) the circumference taken at the smallest place between the second normal point and the fourth normal point. If the fourth normal point is missing, the circumference shall be taken halfway between the second normal point and the tip of the main antler beam.

(e) The gross score of an antlered elk shall be determined by adding together all of the following measurements:

(1) The inside spread of the main antler beams, not to exceed the length of the longest main antler beam;

(2) the length of the main antler beam on the elk's right side;

(3) the length of the main antler beam on the elk's left side;

(4) the total length of all abnormal points on the right and left antlers;

(5) the total length of all normal points on the right and left antlers as measured from the nearest edge of the main antler beam over the outer curve to the tip. To determine the baseline for normal point measurement, the tape shall be laid along the outer curve of the antler beam so that the top edge of the tape coincides with the top edge of the antler beam on both sides of the point; and

(6) the following circumference measurements from the right and left antlers:

(A) The circumference taken at the smallest place between the first normal point and the second normal point on the main antler beam;

(B) the circumference taken at the smallest place between the second normal point and the third normal point on the main antler beam;

(C) the circumference taken at the smallest place between the third normal point and the fourth normal point on the main antler beam; and

(D) the circumference taken at the smallest place between the fourth normal point and the fifth normal point on the main antler beam. If the fifth normal point is missing, the circumference shall be taken halfway between the fourth normal point and the tip of the main antler beam.

(f) The gross score of an antelope shall be de-

termined by adding together all of the following measurements:

(1) The length of the right horn measured along the center of the outer curve from the tip of the horn to a point in line with the lowest edge of the base, using a straight edge to establish the line end;

(2) the length of the left horn measured along the center of the outer curve from the tip of the horn to a point in line with the lowest edge of the base, using a straight edge to establish the line end;

(3) the circumference of the base of each horn, measured at a right angle to the axis of the horn, not to follow the irregular edge of the horn. The line of the measurement shall be entirely on horn material;

(4) three circumference measurements on each horn based on the criteria specified in this paragraph. The length of the longest horn shall be divided by four. Starting at the base, each horn shall be marked at these quarters, even though the other horn may be shorter. The circumference shall be measured at these marks at a right angle to the axis of the horn. If the prong of the horn interferes with the first measurement from the base, this measurement shall be taken immediately below the swelling of the prong. If the second measurement from the base falls in the swelling of the prong, this measurement shall be taken immediately above the swelling of the prong; and

(5) the length of the prong measured from the tip of the prong along the upper edge of the outer side to the horn, then continuing around the horn, at a right angle to the long axis of the horn, to a point at the rear of the horn where a straight edge crossing the back of both horns touches the horn. If there is a crack where the prong extends from the horn, the length of the prong shall be taken passing over the entire crack. Once the initial prong length is taken, the width of the crack shall be measured and deducted from the initial prong length. The adjusted length shall be the recorded length of the prong. (Authorized by and implementing K.S.A. 2013 Supp. 32-807 and 32-1032; effective Jan. 1, 2013; amended Feb. 7, 2014.)

(Authorized by K.S.A. 32-807; implementing K.S.A. 32-807 and K.S.A. 2010 Supp. 32-1002; effective Jan. 1, 2008; amended April 11, 2008; amended Nov. 19, 2010; amended May 20, 2011.)

115-7-10. Fishing; special provisions. (a) A person who takes any fish from a body of water shall not tag, mark, brand, clip any fin of, mutilate, or otherwise disfigure any fish in a manner that

would prevent species identification, examination of fins, recovery of tags, or determination of sex, age, or length of the fish before releasing the fish back into the body of water, unless a permit authorizing this activity has been issued to that person by the department.

(b) No person may possess any live fish upon departure from any designated aquatic nuisance body of water, except during a department-permitted fishing tournament. During a department-permitted fishing tournament, any individual may possess live fish upon departure from designated aquatic nuisance waters along the most direct route to the weigh-in site if the individual possesses a department authorization certificate as a participant in the tournament. However, not all of these topics shall be required to be covered in every presentation.

(h) Falconry raptors may be photographed, filmed, or recorded by similar means for the production of movies or other sources of information on the practice of falconry or on the biology, ecological roles, and conservation needs of raptors and other migratory birds in accordance with the following provisions:

(1) Any general falconer or master falconer may conduct or participate in such an activity without the need for any other type of permit. Any apprentice falconer may conduct or participate in such an activity while under the direct supervision of a general falconer or master falconer during the activity.

(2) The falconer shall not receive payment for the falconer's participation.

(3) Falconry raptors shall not be used to make movies or commercials or be used in other commercial ventures that are not related to falconry. Falconry raptors shall not be used for any of the following:

(A) Entertainment;

(B) advertisements, promotion, or endorsement of any products, merchandise, goods, services, meetings, or fairs; or

(C) the representation of any business, company, corporation, or other organization.

(1) The rehabilitator shall provide the falconer with a letter or form that identifies the bird and explains that the falconer is assisting in the bird's rehabilitation. The raptor undergoing rehabilitation shall not be transferred to the falconer but shall remain under the permit of the rehabilitator.

(2) The falconer shall not be required to meet the rehabilitator facility standards. The falconer shall maintain that individual's facilities in accordance with K.A.R. 115-14-13.

(3) The falconer, in coordination with the rehabilitator, shall release all raptors that are able to be released to the wild or shall return any such bird that cannot be permanently released to the wild to the rehabilitator for placement within the 180-day time frame in which the rehabilitator is authorized to possess the bird, unless the rehabilitator receives authorization to retain the bird for longer than the 180-day period. Any rehabilitated bird may be transferred to the falconer in accordance with K.A.R. 115-14-15.

(j) When flown free, a hybrid raptor shall have at least two attached radio transmitters to aid the falconry permittee in tracking and locating the bird. The term "hybrid raptor" shall mean the offspring of two different species of raptor.

(k) The statewide season for taking game birds by falconry shall be September 1 through March 31. Any falconer may possess hen pheasants that are incidentally taken by falconry means during the established falconry game bird season. Each falconer shall possess no more than two hen pheasants per day.

This regulation shall be effective on and after December 31, 2012. (Authorized by and implementing K.S.A. 32-807; effective Dec. 31, 2012.)

(a) Except as provided in this regulation, any individual engaged in falconry who possesses a current Kansas falconry permit or a current falconry permit from another state may engage in falconry activities as authorized by law or regulation. The permittee shall be in the immediate possession of the permit while trapping, transporting, working with, or flying a

falconry raptor. Each falconer wanting to capture a raptor from the wild shall comply with K.A.R. 115-14-14. The permittee shall not be required to have immediate possession of the falconry permit while the raptor is located on the permitted premises of the falconry facility but shall produce the permit upon request for inspection by any law enforcement officer authorized to enforce the provisions of this regulation.

(b) Each individual wanting to engage in falconry shall submit an application to the secretary for the appropriate permit, on forms provided by the department. The application shall require at least the following information to be provided:

- (1) The applicant's name;

- (8) any additional relevant information that may be required for the type of permit as described within this regulation.

(c) Each falconry permit shall be valid from the date of issuance through December 31 in the third calendar year after issuance. A falconry permit may be renewed without the examination otherwise required by this regulation if the permit is renewed before the current permit expires.

(d) Each individual holding a current valid falconry permit from another state, moving to Kansas with the intent to establish residency, and wanting to bring that individual's legally permitted raptors into the state shall meet the following requirements:

(1) The individual shall apply for the appropriate level of Kansas falconry permit within 30 days after moving into the state. The determination of which level of falconry permit is appropriate for the applicant shall be based on the requirements of subsections (j), (k), and (l).

(3) The individual shall notify the state where the individual formerly resided of the individual's move, within 30 days of moving to Kansas.

(4) Any falconry birds held by the individual

under the former permit may be retained during the permit application and issuance process in Kansas if the birds are kept in an appropriate facility as specified in K.A.R. 115-14-13.

Each permanent facility to house falconry birds possessed under this subsection shall be constructed, inspected, and approved in accordance with K.A.R. 115-14-13 before the issuance of the Kansas falconry permit.

(e) Each individual whose permit has lapsed shall be allowed to reinstate that individual's permit in accordance with this subsection.

(1) Any individual whose Kansas falconry permit has lapsed for fewer than five years may be reinstated at the level previously held if the individual submits a complete application and provides proof of the previous level of certification. Each of the individual's facilities shall pass the inspection requirements in K.A.R. 115-14-13 before the individual may be allowed to possess a falconry raptor.

(2) Each individual whose Kansas falconry permit has lapsed for five years or more shall be required to correctly answer at least 80 percent of the questions on the department's falconry examination specified in paragraph (j)(3). Upon passing the examination, the individual's falconry permit shall be reinstated at the level previously held. Each of the individual's facilities shall pass the inspection requirements in K.A.R. 115-14-13 before the individual may be allowed to possess a falconry raptor.

(f) Any individual whose falconry permit has been revoked or suspended may apply for that individual's permit to be reinstated after the suspension period or revocation. In addition to submitting a completed application to the department, the individual shall be required to correctly answer at least 80 percent of the questions on the department's falconry examination specified in paragraph (j)(3). Upon passing the examination, the individual's falconry permit shall be reinstated at the level previously held. Each of the individual's facilities shall pass the inspection requirements in K.A.R. 115-14-13 before the individual may be allowed to possess a falconry raptor.

(g) Any individual residing in Kansas who is not a citizen of the United States, has practiced falconry in the individual's home country, and has not been previously permitted for falconry in another state may apply for a temporary falconry permit. Each temporary falconry permit shall be

valid from the date of issuance through December 31 in the third calendar year after issuance. The level of permit issued shall be consistent with the level of permit types specified in subsections (j), (k), and (l). In addition, the applicant shall meet the following provisions:

(C) The individual holding the temporary permit may possess raptors for falconry purposes if the individual has falconry facilities approved in accordance with K.A.R. 115-14-13. The individual holding a temporary permit may fly raptors held for falconry by another permitted falconer. The individual holding a temporary permit shall not take raptors from the wild for falconry purposes.

(2) Any individual holding a temporary permit in accordance with this subsection may use any bird for falconry that the individual legally possessed in the individual's country of origin for falconry purposes if the importation of that species of bird into the United States is not prohibited and the individual has met all permitting requirements of the individual's country of origin.

(A) The individual shall comply with all requirements for practicing falconry in the state. The individual shall acquire all permits and comply with all federal laws concerning the importation, exportation, and transportation of falconry birds; the wild bird conservation act; the endangered species act; migratory bird import and export permits; and the endangered species convention.

(B) Each falconry bird imported into the state under this subsection shall be exported from the state by the temporary permittee when the permittee leaves the state, unless a permit is issued allowing the bird to remain in Kansas. If the bird dies while in the state, the permittee shall report the loss to the department before leaving the state.

(C) When flown free, each bird brought into the state under the provisions of this subsection

shall have attached to the bird two radio transmitters that allow the permittee to locate the bird.

(h) Each individual who holds a current, valid Kansas falconry permit and resides in another state, territory, or tribal land different from the individual's primary Kansas residence for more than 120 consecutive days shall provide the location of the individual's falconry facilities in the other jurisdiction to the department. This information shall be listed on the individual's Kansas falconry permit.

(A) The sponsor agreement shall include a statement from the general falconer or master falconer specifying that the sponsor shall mentor the applicant in learning the husbandry and training of raptors for falconry, learning relevant wildlife laws and regulations concerning the practice of falconry, and deciding what species of raptor is appropriate for the applicant to possess while practicing falconry at the apprentice level.

(B) If the general falconer or master falconer is not able to fulfill the sponsor agreement to mentor the apprentice falconer, the apprentice shall secure a sponsor agreement from another falconer with the necessary qualifications and notify the department within 30 days of the change. The falconer sponsoring the apprentice falconer shall notify the department in writing within 30 days of withdrawing the falconer's mentorship.

(3) Each applicant for an apprentice falconry permit shall be required to correctly answer at least 80 percent of the questions on the depart-

 (C) red-shouldered hawk (*Buteo lineatus*).

(6) A raptor acquired by an apprentice falconer shall not have been taken from the wild as an eyas or have become imprinted on humans. Any wild-caught raptor may be transferred to the apprentice falconer by another properly permitted falconry permittee.

An apprentice falconer shall not acquire more than one replacement raptor during any 12-month period.

(7) The facilities used to house and keep the raptor shall meet the requirements in K.A.R. 115-14-13.

(2) Each application shall be accompanied by a letter from general falconer or a master falconer stating that the applicant has practiced falconry with wild raptors at the level of apprentice falconer, or its equivalent, for at least two years, including maintaining, training, flying, and hunting the raptor for at least four months in each year. This time may include the capture and release of falconry raptors. A school or education program in falconry shall not be substituted to shorten the required two years of experience at the level of apprentice falconer.

(3) A general falconer may take and use any species of *Accipitriform*, *Falconiform*, or *Strigiform*, including wild or captive-bred raptors and hybrid

(A) A bald eagle (*Haliaeetus leucocephalus*) shall not be possessed.

(B) Golden eagles (*Aquila chrysaetos*), white-tailed eagles (*Haliaeetus albicilla*), or Steller's sea eagles (*Haliaeetus pelagicus*) may be possessed if the permittee meets the following requirements:

(i) The permittee shall not possess more than three raptors of the species listed in paragraph (1)(2)(B).

(ii) The permittee shall provide documentation to the department of the permittee's experience in handling large raptors, including information about the species handled and the type and duration of the activity in which the experience was gained.

(iii) The permittee shall provide the department with at least two letters of reference from people with experience in handling or flying large raptors including eagles, ferruginous hawks (*Buteo regalis*), goshawks (*Accipiter gentilis*), or great horned owls (*Bubo virginianus*). Each letter shall contain a concise history of the author's experience with large raptors, which may include the handling of raptors held by zoos, rehabilitating large raptors, or scientific studies involving large raptors. Each letter shall also assess the permittee's ability to care for eagles and fly them for falconry purposes.

(C) The possession of a golden eagle, white-tailed eagle, or Steller's sea eagle shall count as one of the wild raptors that the permittee is allowed to possess.

(D) A master falconer may possess wild or captive-bred raptors or hybrid raptors of the species allowed by this subsection.

(E) A master falconer shall possess no more than five wild-caught raptors, including golden eagles, regardless of the number of state, tribal, or territorial falconry permits the falconer possesses.

(F) A master falconer may possess any number of captive-bred raptors. However, the raptors shall be trained to pursue wild game and shall be used for hunting.

(5) Issuance of the permit would not be in the best interests of the public, for reasons including complaints or inappropriate conduct while holding a previous falconry permit.

This regulation shall be effective on and after December 31, 2012. (Authorized by and implementing K.S.A. 32-807; effective Dec. 31, 2012.)

115-14-13. Falconry; facilities, equipment, care requirements, and inspections. (a) Each individual keeping raptors shall maintain the facilities in accordance with this regulation.

(1) "Primary facility" shall mean the principal place and structures where the raptor is normally provided care and housing. This term shall include indoor facilities and outdoor facilities.

(2) "Temporary facility" shall mean a place and structure where a raptor is kept during the raptor's time away from the primary facility, including during transportation and while hunting or attending an event. This term shall include a place and structure where a raptor is kept for a limited time period while the primary facility is not available.

(b) All primary facilities used to house and keep raptors shall be inspected and approved by the department before the issuance of a Kansas falconry permit. Thereafter, all primary facilities

used to house and keep raptors shall be inspected and approved before the issuance or renewal of a Kansas falconry permit. All primary facilities shall meet the following standards:

(1) All indoor areas of the primary facility, which are also known as "mews," and all outdoor areas of the primary facility, which are also known as "weathering areas," shall protect raptors from the environment, predators, and domestic animals.

(2) The indoor area of the primary facility shall have a perch for each raptor and at least one opening for sunlight.

(3) Two or more raptors may be housed together and untethered if the birds are compatible with each other. Each raptor shall have an area large enough to allow the raptor to fly if it is untethered or, if tethered, to fully extend its wings to bate or attempt to fly while tethered without damaging its feathers or contacting other raptors.

(4) Each raptor shall have a pan of clean water available.

(5) Each indoor area of the primary facility shall be large enough to allow easy access for the care and feeding of the raptors kept there.

(6) Each indoor area of the primary facility housing untethered raptors shall have either solid walls or walls made with vertical bars spaced narrower than the width of the body of the smallest raptor being housed, heavy-duty netting, or other similar materials covering the walls and roof of the facility. All windows shall be protected on the inside by vertical bars, spaced at intervals narrower than the width of the raptor's body.

(7) The floor of the indoor area of the primary facility shall consist of material that is easily cleaned and well drained.

(8) Each indoor area of the primary facility shall include shelf-perch enclosures where raptors are tethered side by side. Other housing systems shall be acceptable if they afford the enclosed raptors with protection and maintain healthy feathers.

(9) A falconry raptor, or raptors, may be kept inside the permittee's residence if a suitable perch, or perches, are provided. Windows and other openings in the residence structure shall not be required to be modified. All raptors kept in the residence shall be tethered when the raptors are not being moved into or out of the location where they are kept.

(10) Each outdoor area of the primary facility shall be totally enclosed and shall be made of

heavy-gauge wire, heavy-duty plastic mesh, slats, pipe, wood, or other suitable material.

(11) Each outdoor area of the primary facility shall be covered and have at least a covered perch to protect a raptor held in the facility from predators and weather. Each outdoor area of the primary facility shall be large enough to ensure that all the raptors held inside cannot strike the enclosure when flying from the perch.

(12) Any new design of primary facility may be used if the primary facility meets the requirements of this subsection and is approved in writing by the department.

(c) Falconry raptors may be kept outside, including in a weathering yard at a falconry meet, if the raptors are under watch by the permittee or a designated individual.

(d) The permittee may transport any permitted raptor if the bird is provided with a suitable perch and is protected from extreme temperatures, wind, and excessive disturbance. A giant hood or similar container may be used for transporting the bird or for housing it while away from the primary facility.

(e) The permittee shall inform the department of any change of location of the primary facility within five business days of the move to the new location.

(f) The property where the primary facility is located may be owned by the permittee or another person and may be at the residence of the permittee or at a different location.

The permittee shall submit to the department a signed and dated statement showing that the permittee agrees that the primary facility, equipment, all falconry-related facilities, equipment, records, and raptors may be inspected without advance notice by department authorities at any reasonable time on any day of the week if the inspections are in the presence of the permittee. If the property is not owned by the permittee, the actual property owner shall also sign the statement acknowledging the inspection allowance.

(g) The permittee shall provide and maintain the following equipment during the term of the permit:

(1) At least one pair of Aylmeri jesses, or jesses of a similar type, constructed of pliable, high-quality leather or a suitable synthetic material. The jesses shall be used when any raptor is flown free. Traditional one-piece jesses may be used on raptors when not being flown;

(2) at least one flexible, weather-resistant leash

and one strong swivel of acceptable falconry design;

(3) at least one suitable bath container for each raptor. Each container shall be at least two to six inches deep and wider than the length of the raptor; and

(4) a reliable scale or balance that is suitable for weighing the raptors and is graduated to increments of not more than ½ ounce (15 grams).

(h) A permittee may house a raptor in temporary facilities for no more than 120 consecutive days if the bird is provided with a suitable perch and protection from predators, domestic animals, extreme temperatures, wind, and excessive disturbance.

(i) A permittee may allow a raptor to be temporarily cared for and possessed by another falconry permittee in accordance with the following requirements:

(1) The raptor shall be kept at the permittee's primary facility or at the permitted primary facility of the other permittee.

(2) The raptor shall be cared for by the other permittee for no more than 120 consecutive days, unless the department provides a written extension of time for extenuating circumstances that may include illness, military service, or a family emergency. Extenuating circumstances may be considered by the secretary on a case-by-case basis.

(3) The permittee shall provide the other permittee with a signed, dated statement authorizing the temporary possession. The statement shall include information specifying the time period during which the temporary care and possession are allowed and what activity is allowed. The permittee providing the temporary care may fly the raptor as authorized in the statement, including hunting, if the permittee providing the temporary care holds the appropriate level of falconry permit. The raptors being provided temporary care shall not count against the possession limit of the permittee providing the care.

(4) The permittee shall provide a copy of the United States fish and wildlife service form 3-186A showing that permittee as the possessor of the raptor to the other permittee providing the temporary care.

(j) Any permittee may allow a raptor to be temporarily cared for by an individual who does not possess a falconry permit in accordance with the following provisions:

(1) The raptor shall not be removed from the

permittee's facility during the time of temporary care. The person caring for the raptor shall not fly the raptor for any reason.

(2) The raptor may be cared for by another person for no more than 45 consecutive days, unless the department provides a written extension of time for extenuating circumstances that may include illness, military service, or a family emergency. Extenuating circumstances may be considered by the secretary on a case-by-case basis.

(3) The raptor shall remain on the permittee's falconry permit.

(k) Falconry raptors may be trained or conditioned in accordance with the following provisions:

(1) Equipment or techniques acceptable for falconry practices including or similar to any of the following may be used:

(A) Tethered flying, which is also known as flying with a creance;

(1) All facilities and equipment shall be properly maintained and cleaned during the term of the permit.

(m) Mistreatment of any raptor shall be grounds for revocation of the falconer's permit and for confiscation of any raptors in possession of the falconer. "Mistreatment" shall be defined as any of the following:

(1) Having physical custody of a raptor and failing to provide food, potable water, protection from the elements, opportunity for exercise, and other care as is needed for the health and well-being of the raptor;

(2) abandoning or leaving any raptor in any place without making provisions for its proper care; or

(3) failing to meet the requirements of this regulation.

This regulation shall be effective on and after

December 31, 2012. (Authorized by and implementing K.S.A. 32-807; effective Dec. 31, 2012.)

(1) A permittee shall not intentionally take a raptor species that the permittee is prohibited from possessing by the permittee's classification level.

(2) If a permittee captures a prohibited bird, the permittee shall immediately release it.

(f) A permittee shall take no more than two raptors from the wild each year to use in falconry in accordance with the permit level limitations specified in K.A.R. 115-14-12. The take shall be further restricted by the following provisions:

(1) Passage and haggard raptors may be taken by apprentice falconers, general falconers, and master falconers year-round.

(2) Raptors less than one year of age may be taken only by a general falconer or master falconer and may be taken year-round.

(3) No more than two eyases may be taken by a general falconer or a master falconer per calendar year. At least one eyas shall be left in the nest when an eyas is taken.

(B) The permittee shall submit an application and receive approval and a permit from the department before taking the bird.

(h) Each raptor taken from the wild shall always be considered a wild bird.

(i) Each raptor taken from the wild in a calendar year by a permittee and then transferred to a second permittee shall count as one of the raptors allowed to be taken by the first permittee who took the raptor from the wild. The raptor transferred to the receiving permittee shall not count against the limit of wild raptors that may be taken in the calendar year by the receiving permittee.

(j) Each raptor taken from the wild shall be reported as follows:

(A) Any general falconer or master falconer, as defined by K.A.R. 115-14-12, may capture the wild raptor.

This capture shall not count against the general falconer's or master falconer's calendar-year limit for the take of wild raptors. However, this capture shall count against the calendar-year limit for wild raptors of the permittee with the long-term or permanent physical impairment.

(B) The permittee with the long-term or permanent physical impairment shall file the capture report in accordance with paragraph (j)(1).

(C) The permittee with the long-term or permanent physical impairment shall confirm the presence of the impairment and the need to report in accordance with this subsection at the time of application for the capture permit.

(C) The permittee shall notify the regional law enforcement office of the United States fish and wildlife service of the capture plan before any trapping activity begins. Notification shall be submitted in person, in writing, or by facsimile or electronic mail at least three business days before the start of trapping.

(1) Any raptor wearing falconry equipment or any captive-bred raptor may be recaptured at any time by any permittee in accordance with the following provisions:

(1) The permittee may recapture the raptor whether or not the permittee is allowed to possess that species.

(2) The recaptured bird shall not count against the permittee's possession limit. This take from the wild shall not count against the capture limit for the calendar year.

(3) The permittee shall report the recapture to the department within five working days of the recapture.

(4) The disposition of any recaptured bird shall be as follows:

(A) The bird shall be returned to the person who lost it, if that person may legally possess the bird and chooses to do so. If the person who lost the bird either is prohibited from taking or chooses not to take the bird, the permittee who captured the bird may take possession of the bird if the permittee holds the necessary qualifications for the species and does not exceed the permittee's possession limit.

(B) The disposition of a recaptured bird whose legal ownership cannot be ascertained shall be determined by the department.

(m) Each goshawk, Harris's hawk (*Parabuteo unicinctus*), peregrine falcon (*Falco peregrinus*), or gyrfalcon (*Falco rusticolus*) taken from the wild or acquired from a rehabilitator by a falconry permittee shall be identified by one or more of the following means:

(1) The bird shall be banded with a black nylon, permanent, nonreusable, numbered falconry registration leg band from the United States fish and wildlife service. The bands shall be made available through the department. Any permittee may request an appropriate band before any effort to capture a raptor.

(2) In addition to the band specified in para-

graph (m)(1), the permittee may purchase and have implanted in the bird a 134.2 kHz microchip that is compliant with the requirements of an international organization for standardization. All costs associated with the implantation of a microchip shall be the responsibility of the permittee.

(3) The permittee shall report the take of any bird within 10 days of the take by submitting the required information, including the band number or the microchip information, or both, to the electronic database of the United States fish and wildlife service.

(4) The permittee shall report to the department the loss or removal of any black nylon, nonreusable leg band within five days of the removal or notice of loss.

(A)(i) When submitting the report, the permittee shall submit a request for a black, nylon, nonreusable leg band to the United States fish and wildlife service.

(ii) The permittee may purchase and implant a 134.2 kHz microchip that is compliant with the requirements of an international organization for standardization, in addition to using the black, nylon, nonreusable leg band for rebanding.

(B) The permittee shall immediately submit the required information relating to the re-banding or the implanting of a microchip by submitting the information to the electronic database of the United States fish and wildlife service.

(n) Each raptor bred in captivity shall be banded with a seamless metal falconry registration band provided by the United States fish and wildlife service. In addition, any such raptor may have implanted a 134.2 kHz microchip that is compliant with the requirements of an international organization for standardization.

The permittee shall report to the department the loss or removal of any seamless band within 10 days of the removal or notice of loss.

(1)(A) When submitting the report, the permittee shall submit a request for a yellow, nylon, nonreusable leg band to the United States fish and wildlife service.

(B) The permittee may purchase and implant a 134.2 kHz microchip that is compliant with the requirements of an international organization for standardization, in addition to using the seamless leg band for rebanding.

(2) The permittee shall immediately submit the required information relating to the re-banding or the implanting of a microchip by submitting the

information to the electronic database of the United States fish and wildlife service.

(o) A falconry registration band shall not be altered, defaced, or counterfeited. However, the rear tab on a falconry registration band used to identify a raptor taken from the wild may be removed and any imperfect surface may be smoothed if the integrity of the band and the numbering on the band are not affected.

(p) The falconry registration band requirement may be waived by the secretary and the removal of a registration band may be allowed in order to address a documented health or injury problem caused to a raptor by the registration band in accordance with the following provisions:

(1) The permittee shall be required to carry a copy of the exemption paperwork at all times while transporting or flying the raptor.

(2) A microchip compliant with the requirements of an international organization for standardization and provided by the United States fish and wildlife service shall be used to replace the registration band causing the health or injury problem on a wild-caught goshawk, Harris's hawk, peregrine falcon, or gyrfalcon.

(q) A wild-caught falcon shall not be banded with a seamless numbered band.

(r) Any permittee, with prior authorization, may take a wild raptor, including a wild raptor that has been banded with an aluminum band from the federal bird-banding laboratory of the United States fish and wildlife service, during the legal season using legal methods and equipment, in accordance with the following provisions:

(1) Each captured raptor that has any band, research marker, or transmitter attached to it shall be immediately reported to the federal bird-banding laboratory of the United States fish and wildlife service. The reported information shall include any identifying numbers, the date and location of capture, and any other relevant information.

(2) A peregrine falcon that is banded with a research band or has a research marking attached to the bird shall not be taken from the wild and shall be immediately released.

(3) A captured peregrine falcon that has a research transmitter attached to the bird may be kept by the permittee not more than 30 days if the federal bird-banding laboratory of the United States fish and wildlife service is immediately contacted after the capture. The disposition of the captured peregrine falcon shall be in accordance

with the directions provided by the federal bird-banding laboratory or its designee.

(4) Any raptor, other than a peregrine falcon, that has a transmitter attached to it may be possessed by the permittee who captured the bird for not more than 30 days in order to contact the researcher, or the researcher's designee, to determine if the transmitter should be replaced.

(A) The temporary, 30-day possession of the bird shall not count against the permittee's possession limit for falconry raptors.

(B) If the permittee who captured the raptor wishes to possess the bird for falconry purposes, the disposition of the bird shall be at the discretion of the researcher and the secretary if the species of the bird is allowable under the classification level of the permittee and the permittee's possession of the captured bird does not exceed the established possession limit.

(s) Each raptor, including a peregrine falcon, that is captured and found with a seamless metal band, a transmitter, or any other item identifying it as a falconry bird attached to it shall be reported to the department within five days of capture.

(1) Each such falconry raptor shall be returned to the person who lost the raptor.

(2) If the person who lost the bird is prohibited from possessing the bird or does not wish to possess the bird, the permittee who captured the bird may keep the bird if the permittee holds the necessary qualifications for the species and does not exceed the permittee's possession limit.

(3) If the permittee who captured the bird is prohibited from possessing the bird, the disposition of the bird shall be at the discretion of the secretary.

(4) The recaptured falconry bird shall not count against the possession limit or the calendar-year limit of wild birds that may be taken by the permittee during the time the recaptured bird is being held pending final disposition.

(1) The permittee may take the raptor into possession and apply it to the permittee's possession limit if the raptor is of a species allowed to be possessed and the permittee's possession limit is not exceeded.

(A) The take shall be reported in accordance with subsection (j).

(B) The raptor shall be treated by a veterinarian or a permitted wildlife rehabilitator. The cost for the care and treatment of the raptor shall be the responsibility of the permittee.

(2) The raptor may be turned over directly to a veterinarian, a permitted wildlife rehabilitator, or a department employee, and the raptor shall not be counted against the permittee's allowable take or possession limit. The permittee shall be responsible for the costs relating to the care and rehabilitation of the bird.

(u)(1) The permittee shall report each raptor that dies or is acquired, transferred, rebanded, implanted with a microchip, lost to the wild and not recovered within 30 calendar days, or stolen by submitting the information to the electronic database of the United States fish and wildlife service.

(2) In addition to submitting the report required in paragraph (u)(1), the permittee shall file a report of the theft of a raptor with the department and the appropriate regional law enforcement office of the United States fish and wildlife service within 10 calendar days of the theft.

(3) The permittee shall keep copies of all electronic database submissions documenting the take, transfer, loss, theft, rebanding, or implanting of microchips of each falconry raptor for at least five years after the bird has been transferred, released to the wild, or lost, or has died.

(v) The intentional release to the wild of any falconry raptor shall be in accordance with the following requirements:

(1) A species of raptor that is not native to Kansas shall not be released to the wild. Any such bird may be transferred to another falconry permittee if the permittee receiving the bird is authorized to possess the age and species of raptor and the transfer does not exceed the possession limit of the permittee receiving the bird.

(2) Any species of raptor that is native to Kansas and is captive-bred may be released to the wild according to the following requirements:

(A) The permittee shall obtain the department's permission to release the bird to the wild before the actual release. The time of year and the location where the release shall take place shall be specified by the department.

(i) The release of a raptor on department lands or waters shall meet the requirements of K.A.R. 115-8-12.

(ii) The permittee shall acquire verbal permission from the landowner or person in control of the private land before the release of the raptor.

(B) The permittee shall remove any tag, transmitter, or nonreusable falconry band, if present, before release. All falconry identification bands, tags, or markers shall then be surrendered to the department within 10 calendar days of the release.

(C) The permittee shall report the release of the bird within 10 calendar days of the release by submitting the required information to the electronic database of the United States fish and wildlife service.

(b) Upon the death of a falconry permittee, the surviving spouse, executor, administrator, or other

For the purposes of this subsection, complimentary tickets and passes shall be included in the calculation of gross receipts and counted as if the complimentary tickets and passes had been sold at the

average ticket price of all those tickets offered for sale for the event.

(p) If no admission is charged for an event and the promoter is promoting the event for a contracted amount, the five percent athletic fee shall be based on the contract price. 128-4-7. Referee. (a) A referee shall be present at each contest to make determinations as required by the act and these regulations regarding the conduct of each bout in the contest and the conduct of the contestants and the contestants' seconds while the contestants or seconds are in the ring. An alternate referee shall be present at each contest.

(b) The referee shall have general supervision of each bout. If the chief inspector determines that the referee is not properly enforcing the contest rules established by these regulations, the chief inspector may overrule the referee.

(c) Any licensee who believes that the referee

improperly interpreted or applied the act or these regulations, or both, may request that the chief inspector provide an interpretation or application of the act or these regulations, or both, with respect to the disputed issue.

(d) If there are no regulations in effect that address a particular set of circumstances during a contest, the chief inspector assigned to the contest shall decide how the contest is to be conducted under those circumstances. (e) A referee shall not wear eyeglasses while refereeing.

(f) The referee for each bout of a contest shall be selected by the boxing commissioner and approved by the commission.

After the examination, the referee and the alternate referee shall be allowed to officiate only if cleared by the physician.

(j) The referee shall ensure that no foreign substances detrimental to an opponent have been applied to the body of any contestant.

(k) The referee shall decide whether or not to wear rubber or plastic gloves during the bout.

(l) (1) The referee shall stop any bout under either of the following circumstances:

stantial risk of serious harm or injury to the less experienced or less skilled contestant.

(B) The referee decides that a contestant is not making the contestant's best effort.

(2) If a contestant receives a cut or other injury, the referee may consult the physician to determine whether the bout will be stopped or whether the bout can continue. If the physician is consulted, the final authority to determine whether to continue the bout shall rest with the physician.

If the physician determines during or after the fourth round that a contestant who is cut or injured by legal blows cannot continue, the referee shall use the scorecards to determine the winner.

(m) Each referee, when assessing any foul, shall assess how damaging the foul is to the contestant against whom the foul was committed. If the referee assesses a foul on one of the contestants, the referee shall instruct each judge to deduct one point from that contestant's score for that round.

(n) At the conclusion of each round, the referee shall pick up the scorecard from each judge. When picking up the scorecards from the judges, the referee shall ensure that each scorecard shows each contestant's name and score for that round and the name of the judge. If this information has not been recorded, the judges shall be instructed to complete the scorecards correctly. The referee shall then deliver the official scorecards to the chief inspector.

(o) The referee may request that the attending physician examine a contestant during a bout. The physician may order the referee to stop the bout. The referee shall then render the decision regarding the outcome of the bout.

(p) Before the referee requests the physician to aid or examine a contestant, the referee shall direct the timekeeper to stop the clock until otherwise directed by the referee.

One of the seconds shall be designated as the chief second, and this designation shall be announced to the referee at the start of the bout.

(2) For boxing contests, only one second for each contestant shall be inside the ring between rounds. For mixed martial arts contests, two of the seconds for each contestant may be inside the fenced-in area during a period of rest. Any other seconds for that contestant may be on the ring platform outside the enclosed area.

(c) A second shall not enter the ring until the timekeeper indicates the end of the round. Each second shall leave the ring at the sound of the timekeeper's whistle or buzzer before the beginning of each round. If any second enters the ring before the bell ending the round has sounded, the referee shall take action as provided in subsection (1). While the round is in progress, the chief second may mount the apron of the ring and attract the referee's attention to indicate that the contestant is forfeiting the bout. The chief second shall not enter the ring unless the referee stops the bout. No second shall interfere with a count that is in progress.

(d) Except at the request of the physician, no second shall be permitted to aid a stricken contestant.

(e) No second shall stand or lean on the ring apron during a round.

- (8) Vaseline® or a similar petroleum-based product;

- (9) pressure plates or ice packs; and
- (10) a clean white towel.

(g) Only the substances specified in this subsection, if authorized and directed by the physician, may be administered to a contestant by a second. - (1) A topical solution of epinephrine 1:1000;
- (2) microfibrillar collagen hemostat; and
- (3) thrombin.

(h) No ammonia or type of smelling salts may be used during a contest or exhibition.

(i) All spraying or throwing of water on a contestant by a second during a period of rest shall be prohibited.

(j) Before leaving the ring at the start of each round, the seconds shall remove all obstructions from the ring floor and ropes, including the buckets, stools, bottles, towels, and robes.

(k) The physician or an inspector may, at any time, inspect the contents of the chief second's first-aid kit.

(l) If any second commits a violation of any regulation relating to seconds, the referee shall issue a warning to that second. If, after that warning, the second continues to violate any applicable regulation, the referee shall apply the penalties specified in K.A.R. 128-6-1(x), 128-6-2(o), or 128-6-4(o). The referee shall also warn the second that any additional violation may result in disqualification of the contestant.

(m) Any second may choose whether or not to wear rubber or plastic gloves during any bout in which the second is serving a contestant. (Authorized by K.S.A. 2012 Supp. 75-50,187; implementing K.S.A. 2012 Supp. 74-50,186 and 74-50,187; effective April 4, 2008; amended Dec. 20, 2013.)

128-4-9. Timekeeper. (a) Each timekeeper shall have the following equipment:

- (1) A bell;
- (2) a horn;
- (3) a clapper;
- (4) a whistle; and
- (5) two stopwatches.

(b) A timekeeper shall be present at each contest and shall perform the following duties:

(1) The timekeeper shall sound the bell at the beginning and end of each round. The timekeeper shall also signal the approaching end of the round

to the referee when 10 seconds remain in the round. When 10 seconds remain in the rest period between rounds, the timekeeper shall sound a whistle, bell, buzzer, or horn to warn the referee, contestants, and seconds of the beginning of the next round.

(2) The timekeeper shall keep accurate time for each bout. The timekeeper shall keep an exact record of each time-out taken at the request of a referee for an examination of a contestant by the physician, the replacement of a glove, or the adjustment of any equipment during a round. The timekeeper shall report the exact time at which a bout is stopped for a time-out.

(c) Each timekeeper shall be impartial. No timekeeper shall signal to any contestant or second at any time during a bout. Any timekeeper who fails to meet the requirements of this subsection may be subject to discipline by the commission.

(d) The timekeeper shall be responsible for each knockdown count. The timekeeper shall begin the mandatory count of eight as soon as a contestant has been knocked down. If the knockdown occurs less than 10 seconds before the end of the round, the timekeeper shall not signal to the referee until the referee indicates that the contestant is ready.

(e) The timekeeper for each bout shall be selected by the boxing commissioner and approved by the commission. (Authorized by K.S.A. 2012 Supp. 74-50,187; implementing K.S.A. 2012 Supp. 74-50,186 and 74-50,187; effective April 4, 2008; amended Dec. 20, 2013.)

Each round involving female contestants shall be no more than two minutes in length, with a one-minute rest period between rounds.

(d) A boxing contestant shall not participate in a boxing, kickboxing, karate, or mixed martial arts bout in Kansas for at least seven days following a previous bout in Kansas or in any other jurisdiction.

(e) A boxing contestant whose license is currently suspended or has been revoked by the commission or any other athletic commission, domestic or foreign, shall not participate in any bout in

Kansas until the suspension is lifted or until the license is reinstated.

(f) If a bout is deemed by the commission to be a mismatch that could expose one or both contestants to serious injury based on the record, experience, skill, or condition of each of the contestants, the bout shall be disapproved and cancelled by the commission.

(h) Each contestant shall be weighed by the boxing commissioner or the boxing commissioner's designee within 48 hours before the contest. The contestant shall have all weights stripped from the contestant's body before the contestant is weighed in, but any female contestant may wear shorts and a top. If a contestant's weight does not fall within the range for the weight classification of the contested weight in which the contestant is scheduled to compete in that contest, the contestant shall be reweighed within two hours. If the

contestant's weight still does not fall within the range for that weight category, the contestant shall be disqualified by the boxing commissioner.

(i) Any contestant may be required by the commission to be reweighed one additional time if doubt concerning the contestant's actual weight exists.

(j) For each boxer whose weight exceeds the maximum amount, one or more of the following shall be determined by the commission:

(1) The boxer shall be allowed to lose up to two pounds of the boxer's existing weight.

(2) The boxer shall forfeit a portion of the purse.

(3) The boxer shall forfeit the contest.

(k) Each subsequent weigh-in shall be conducted at the venue of the event, before the commencement of the event, as directed by the commission. Any boxer, or the boxer's designee, may be present to witness the weigh-in of the opponent.

(l) No boxing contest or exhibition may be scheduled, and no boxer may engage in a boxing contest or exhibition, without the approval of the commission if the difference in weight between both boxers exceeds the allowance shown in the following schedule:

Weight Group	Allowance
(1) up to and through 118 lbs.	not more than 3 lbs.
(2) over 118 lbs. and through 126 lbs.	not more than 5 lbs.
(3) over 126 lbs. and through 135 lbs.	not more than 7 lbs.

(7) over 175 lbs. and through 195 lbs.	not more than 20 lbs.
(8) over 195 lbs.	no limit

(m) After the time of the weigh-in, weight loss in excess of two pounds of the weight that the contestant had at the weigh-in shall not be permitted and shall not occur later than one hour after the boxer's initial weigh-in.

(n) Contestants scheduled to compete against one another may mutually agree to waive the requirements of subsection (j). This agreement shall be evidenced by a provision in the respective bout agreement and initialed by the contestants.

The provision shall also provide notice to the contestants that there will be no restriction as to the amount of weight that the opponent may put on after the initial weigh-in and before the scheduled match.

(o) A one-pound allowance in the weight agreed upon in the bout agreement may be allowed by the commission. The one-pound allowance shall still be within the weight limits specified in subsection (l). No allowance shall be made for a championship bout.

(p) Any contestant who fails to appear at the appointed place and at the specified time to be examined and weighed or who leaves the designated area without permission of the commission before the weigh-in or the physical examination is completed may be subject to discipline by the commission, including suspension of license.

(q) For each failure to make weight as specified in this regulation, the contestant may be subject to penalties and sanctions, a fine, and a suspension or revocation of the contestant's license.

(r) Except as otherwise provided by this regulation, during the two hours following the time of weighing in, if a contestant is able to make the weight or weighs one pound or less outside the agreed limits, no forfeit may be imposed or fine assessed upon the contestant.

(s) If a contestant is unable due to illness to take part in a contest or exhibition in which the contestant has agreed to fight, the contestant shall immediately report the fact to the commission and, if requested by the commission, shall submit to an examination by a physician. The fee for the physician's examination shall be paid by the promoter if an examination is requested. Otherwise, the fee shall be paid by the contestant.

(t) The weight of each contestant or the classification in which each contestant will compete, or both, shall be announced at ringside.

(u) Each contestant's equipment shall meet the following requirements:

(1) Bandages on the hand of a contestant shall not exceed one winding of surgeon's adhesive tape, which shall not be over two inches wide, placed directly on the hand to protect the part of the hand near the wrist. The tape shall cross the back of the hand twice, but shall not extend within $\frac{3}{4}$ inch of the knuckles when the hand is clenched to make a fist.

(2) Each contestant shall use soft surgical bandage not over two inches wide, held in place by not more than 10 feet of surgeon's adhesive tape for

each hand. Up to one 15-yard roll of gauze bandage shall be used to complete the wrappings for each hand. Strips of tape may be used between the fingers to hold down the bandages.

(3) Each bandage of the contestant shall be applied in the presence of both an inspector and the other contestant.

(4) Each hand wrapping placed on a contestant shall be examined and approved by an inspector. Each approved hand wrap shall be initialed by the inspector who examined it. The opponent may be present.

(5) Either contestant may witness the bandage and hand wrapping of the contestant. A contestant may waive the witnessing the bandaging or hand wrapping of the opponent's hands.

(6) The weight of each glove shall be at least eight ounces and not more than 16 ounces, and each glove shall have the thumb attached.

(7) Each contestant shall be gloved only in the presence of an inspector. The tape around the string of each approved glove shall be initialed by the inspector.

(8) No contestant or second shall twist or manipulate that contestant's gloves in any way. If a glove breaks or a string becomes untied during the bout, the referee shall instruct the timekeeper to signal a time-out while the glove is being adjusted.

(9) Each contestant's gloves shall be inspected by the referee of each bout. The referee shall ascertain that no foreign substances detrimental to an opponent have been applied to the gloves of any contestant. If the referee detects a problem with the gloves or any other equipment, the problem shall be fixed to the satisfaction of the referee and the inspector before the bout continues.

(10) Each contestant shall wear boxing-appropriate attire and protective devices, including a dental appliance or mouthpiece that has been individually fitted and approved by the boxing commissioner. Each male contestant shall wear a protective cup. Each contestant shall wear an abdominal protector, which shall protect the contestant against injury from a foul blow. The abdominal protector shall not cover or extend above the umbilicus. Each female contestant shall wear a protective pelvic girdle and either a plastic breast protector or a sport bra.

(11) The belt of the shorts shall not extend above the waistline. Shorts shall be without pockets or openings and shall be subject to approval by the chief inspectors.

(12) For each bout, male contestants shall not

wear the same colors in the ring or, if the contest or exhibition is being held in a fenced area, without the approval of the chief inspector. Female contestants shall have two uniforms in contrasting colors, with each uniform consisting of a body shirt, blouse, and shorts.

(13) Contestants shall not use any cosmetic when competing.

(14) The inspector shall determine whether head or facial hair presents any hazard to the safety of a contestant or contestant's opponent or will interfere with the supervision of the contest or exhibition. A contestant shall not compete in the contest or exhibition unless the circumstances creating the hazard or potential interference are corrected to the satisfaction of the inspector.

(15) A contestant shall not wear any jewelry or any piercing accessories when competing in the contest or exhibition.

(16) The contestants' fingernails and thumbnails shall not extend past the tip of the fingers and thumbs.

(17) Only Vaseline[®] or a similar petroleum-based product may be lightly applied to the face, arms, or any other exposed part of a contestant's body.

(v) Before starting a bout, the referee shall ascertain from each contestant the name of the contestant's chief second. Before each bout, the referee shall call together both of the contestants and their chief seconds for final instructions.

(w) No person other than the contestants and the referee shall enter the ring during a bout. A second or manager shall not stand or engage in any distracting actions while the bout is in progress. For each contestant's seconds and manager, a combined total of two warnings for violating any requirement of this subsection shall result in the removal of the seconds and manager from the ringside area, all of whom may be subject to discipline by the commission.

(x) Each preliminary contestant shall be ready to enter the ring immediately after the end of the preceding bout. Any contestant who is not ready to immediately proceed when called and, as a result, causes a delay may be subject to discipline by the commission.

(y) Before the referee requests the physician to aid or examine a contestant, the referee shall direct the timekeeper to stop the clock until otherwise directed by the referee.

(z) Any serious cuts or injuries to either contestant shall be treated by the physician. The phy-

sician shall determine whether to continue the bout as follows:

(1) The physician may enter the ring if requested by the referee to examine an injury to a contestant.

(2) If serious cuts or injuries to either contestant occur, the referee shall summon the physician, who shall aid the contestant and decide if the bout will be stopped. The final authority to determine whether to continue the bout shall rest with the physician.

(3) If the physician determines that a contestant who is cut or injured by legal blows cannot continue, the referee shall announce that contestant loses by a technical knockout.

(4) The referee may request that the attending physician examine a contestant during the bout. The physician may order the referee to stop the bout. The referee shall then render the appropriate decision regarding the outcome of the bout in accordance with K.A.R. 128-4-7.

(5) Except at the request of the physician, no manager or second shall be permitted to aid a stricken contestant.

(aa) If a contestant loses a dental appliance or mouthpiece during a round, the referee may call a time-out. If the referee calls a time-out for this reason, the referee shall direct the contestant's second to replace the dental appliance or mouthpiece.

(bb) Before a contestant may resume competing after having been knocked down or having fallen or slipped to the floor of the ring, the referee shall wipe the gloves of the contestant with a damp towel or the referee's shirt.

(cc) A boxer shall be deemed to be down when either of the following occurs:

(1) Any part of the boxer's body other than the feet is on the floor.

(2) The boxer is hanging over the ropes without the ability to protect that boxer, and the boxer cannot fall to the floor.

(dd) When a boxer is knocked down, the referee shall order the opponent to retire to the farthest neutral corner of the ring, by pointing to the corner, and shall immediately begin the count over the contestant who is down. The referee shall audibly announce the passing of the seconds and accompany the count with motions of the referee's arm, with the downward motion indicating the end of each second.

(ee) The timekeeper, by signaling, shall give the referee the correct one-second interval for the

referee's count. The referee's count shall be the official count. Once the referee picks up the count from the timekeeper, the timekeeper shall cease counting. No boxer who is knocked down may be allowed to resume competing until the referee has finished counting to 10. The boxer may take the count either on the floor or standing.

(ff) If the opponent fails to stay in the farthest corner, the referee shall cease counting until the contestants have returned to their corners and shall then resume the count from the point at which the count was interrupted. If the boxer who is down arises before the count of 10, the referee may step between the contestants long enough to assure the referee that the contestant who has just arisen is in a condition to continue. If so assured, the referee shall, without loss of time, order both contestants to go on with the contest or exhibition. During the intervention by the referee, the striking of a blow by either contestant may be ruled a foul.

(gg) When a boxer is knocked out, the referee shall perform a full 10-second count unless, in the judgment of the referee, the safety of the boxer would be jeopardized by such a count. If the boxer who is knocked down is still down when the referee calls a count of 10, the referee shall wave both arms to indicate that the downed contestant has been knocked out.

(hh) If both contestants go down at the same time, the count shall continue as long as one contestant is still down. If both contestants remain down until the count of 10, the contest or exhibition shall be stopped and the decision shall be a technical draw.

(ii) If a boxer is down and the referee is in the process of counting at the end of a round, the bell indicating the end of a round shall not be sounded, but the bell shall be sounded as soon as the downed contestant stands up.

(jj) When a contestant has been knocked down before the normal termination of a round and the round is terminated before the contestant has arisen from the floor of the ring, the referee's count shall continue. If the contestant who is down fails to arise before the count of 10, the contestant shall be considered to have lost the contest or exhibition by a knockout in the round that just concluded.

(kk) If a legal blow struck in the final seconds of a round causes a contestant to go down after the bell has sounded, that knockdown shall be re-

garded as having occurred during the round just ended and the appropriate count shall continue.

(ll) If a knockdown occurs before the normal termination of a round and the contestant who is down stands up before the count of 10 is reached and then falls down immediately without being struck, the referee shall resume the count from the point at which the count was left off.

(mm) A contest or exhibition may be adjudged a technical knockout to the credit of the winner if the contest or exhibition is terminated because a boxer meets any of the following conditions:

- (1) Is unable to continue;
- (2) is not honestly competing;
- (3) is injured; or
- (4) is disqualified.

(nn) Each contest or exhibition that is won by other than a full count of 10 or the scoring of the judges shall be adjudged a technical knockout to the credit of the winner.

(oo) A referee may count a contestant out if the contestant is on the floor or being held up by the ropes.

(pp) Each contestant who has been knocked out shall be kept lying down until the contestant has recovered. If a contestant is knocked out, no one other than the referee and the physician shall touch the contestant. The referee shall remove the injured contestant's mouthpiece and stay with the contestant until the ringside physician enters the ring, personally attends to the contestant, and issues any necessary instructions to the contestant's second.

(qq) Each of the following tactics or actions shall be an intentional foul:

- (1) Hitting the opponent below the belt;
- (2) hitting an opponent who is down or is getting up after being down;
- (3) holding the opponent with one hand and hitting the opponent with the other hand;
- (4) holding the opponent or deliberately maintaining a clinch;
- (5) wrestling or kicking the opponent;
- (6) striking an opponent who is helpless as the result of blows but is supported by the ropes and does not fall;
- (7) butting the opponent with the head, shoulder, or knee;
- (8) hitting the opponent with the open glove, with the butt of the hand, with the wrist or the elbow, or with backhand blows;
- (9) going down without being hit;

(10) striking the opponent's body over the kidneys;

(11) hitting the opponent on the back of the head or neck;

(12) jabbing the opponent's eyes with the thumb of the glove;

(13) using abusive language in the ring;

(14) hitting during a break, which is signaled by the referee's command or physical act to separate two contestants;

(15) hitting the opponent after the bell has sounded, ending the round;

(16) using the ropes to gain an advantage over the opponent;

(17) pushing the opponent around the ring or into the ropes;

(18) spitting out the mouthpiece;

(19) biting the opponent; and

(20) engaging in any other action not described in this subsection that is deemed an intentional foul by the referee on the basis that the action poses a danger to the safety of either contestant, impedes fair and competitive play, or is unsportsmanlike.

(rr)(1) If a boxer fouls the opponent during a contest or exhibition or commits any other infraction, the referee may penalize the boxer by deducting points from boxer's score, whether or not the foul or infraction was intentional. The referee may determine the number of points to be deducted in each instance and shall base the determination on the severity of the foul or infraction and its effect upon the opponent.

(2) If the referee determines that it is necessary to deduct a point or points because of a foul or infraction, the referee shall warn the offender of the penalty to be assessed.

(3) The referee shall, as soon as is practical after the foul, notify the judges and both boxers of the number of points, if any, to be deducted from the score of the offender.

(4) Each point to be deducted for any foul or infraction shall be deducted in the round in which the foul or infraction occurred. These points shall not be deducted from the score in any subsequent round.

(ss) A contestant shall not be declared the winner of a contest or exhibition on the basis of that contestant's claim that the opponent committed a foul by hitting the contestant below the belt. If a contestant falls to the floor of the ring or otherwise indicates that the contestant is unwilling to continue because of an overruled claim of a low

blow, the contest or exhibition shall be declared to be a technical knockout in favor of the boxer who is willing to continue.

(tt) Any boxer guilty of a foul in a contest or exhibition may be disqualified by the referee, and the boxer's purse may be ordered withheld by the commission. Disposition of the purse and the penalty to be imposed upon the boxer shall be determined by the commission.

(uu) If the referee determines that a contest or exhibition shall not continue because of an injury caused by an intentional foul, the boxer who committed the intentional foul shall lose by disqualification.

(vv) If the referee determines that a contest or exhibition may continue despite an injury caused by an intentional foul, the boxer who committed the intentional foul shall lose by disqualification.

(ww) If an injury caused by an intentional foul results in the contest or exhibition being stopped in a later round, one of the following shall apply:

(1) The injured contestant shall win by technical decision if that individual is ahead on the scorecards.

(2) The contest or exhibition shall be declared a technical draw if the injured boxer is behind or even on the scorecards.

(xx) If a boxer is injured while attempting to foul the boxer's opponent, the referee shall not take any action in the boxer's favor and the injury shall be treated the same as an injury produced by a fair blow.

(yy) If a contest or exhibition is stopped because of an accidental foul, the referee shall determine whether the boxer who has been fouled can continue. If the boxer's chance of winning has not been seriously jeopardized as a result of a foul and if the foul did not involve a concussive impact to the head of the contestant who was fouled, the referee may order the contest or exhibition to be continued after a reasonable interval. Before the contest or exhibition resumes, the referee shall inform the commission of the referee's determination that the foul was accidental.

(zz) If the referee determines that a contest or exhibition shall not continue because of an injury suffered as a result of an accidental foul, the contest or exhibition shall be declared a no-contest decision if the foul occurs during either of the following:

(1) The first three rounds of a contest or exhibition that is scheduled for six rounds or less; or

(2) the first four rounds of a contest or exhibition that is scheduled for more than six rounds.

(aaa) The outcome of a contest or exhibition shall be determined by scoring the completed rounds and the round during which the referee stops the contest or exhibition if an accidental foul renders a boxer unable to continue the contest or exhibition after either of the following:

(1) The completed third round of a contest or exhibition that is scheduled for six rounds or less; or

(2) the completed fourth round of a contest or exhibition that is scheduled for more than six rounds.

(bbb) If an injury inflicted by an accidental foul later becomes aggravated by fair blows and the referee orders the contest or exhibition stopped because of the injury, the outcome shall be determined by scoring the completed rounds and the round during which the referee stops the contest or exhibition.

(ccc) A contestant shall not leave the ring or, if the contest or exhibition is being held in a fenced area, the fenced area, during any period of rest that follows each round. If any contestant fails or refuses to resume competing when the bell sounds signaling the commencement of the next round, the referee shall award a decision of technical knockout to the contestant's opponent at the round that has last been finished, unless the circumstances indicate to the commission the need for investigation or punitive action, in which case the referee shall not give a decision and shall recommend that the purse or purses of either or both contestants be withheld.

(ddd) If a contestant has been knocked or has fallen through the ropes and over the edge of the ring platform during a contest or exhibition, both of the following shall apply:

(1) The contestant may be helped back by anyone except the contestant's seconds or manager. The referee shall stop the clock, assess the contestant's condition, and resume time once the contestant is able to safely reenter the ring.

(2) The contestant shall be given 20 seconds to return to the ring.

(eee) For a contestant who has been knocked or has fallen on the ring platform outside the ropes but not over the edge of the ring platform, both of the following shall apply:

(1) The contestant shall not be helped back by anyone, including the contestant's second and manager. The referee may stop the clock and as-

sess the situation until the contestant is able to return to the ring.

(2) The contestant shall be given 10 seconds to regain the contestant's feet and get back into the ring.

(fff) If the second or manager of a contestant who has been knocked down or has fallen helps the contestant back into the ring, this help may be cause for disqualification.

(ggg) If one contestant has fallen through the ropes, the other contestant shall retire to the farthest corner and stay there until ordered by the referee to continue the contest or exhibition.

(hhh) Any contestant who deliberately wrestles or throws an opponent from the ring or who hits an opponent when the opponent is partly out of the ring and is prevented by the ropes from assuming a position of defense may be penalized.

(iii) At the termination of each contest or exhibition, the announcer shall announce the winner and the referee shall raise the hand of the winner.

(jjj) A decision rendered at the end of any contest or exhibition shall not be changed by the commission, unless one of the following occurs:

(1) The commission determines that there was collusion affecting the result of the contest or exhibition.

(2) The compilation of the scorecards of the judges discloses an error showing that the decision was given to the wrong contestant.

(3) The referee has rendered an incorrect decision as the result of an error in interpreting a provision of these regulations.

(kkk) Each judge of a boxing contest shall score the contest and determine the winner through the use of the ten-point must system as follows:

(1) The better boxer of each round shall receive 10 points and the opponent proportionately less.

(2) If the round is even, each boxer shall receive 10 points.

(3) No fraction of a point may be given.

(4) Points for each round shall be awarded immediately after the end of the round.

(lll)(1) After the end of the boxing contest or exhibition, the announcer shall pick up the scores of the judges from the commission's desk. The majority opinion shall be conclusive and, if there is no majority opinion, the decision shall be a draw.

(2) When the inspector has checked the scores,

the inspector shall inform the announcer of the decision, and the announcer shall inform the audience of the decision over the speaker system.

(3) Incomplete rounds shall be scored by the judges. If the referee penalizes either contestant in an incomplete round, the appropriate points shall be deducted. 129-5-118a. Reimbursement for federally qualified health center services. Reimbursement shall not exceed the reasonable cost of federally qualified health center services and other ambulatory services covered under the Kansas medical assistance program. "Reasonable cost" shall consist of the necessary and proper cost incurred by the provider in furnishing covered services to program beneficiaries, subject to the cost principles and limits specified in K.A.R. 129-5-118a (c)(1) and K.A.R. 129-5-118b. (a) Reimbursement method. An interim per visit rate shall be paid to each federally qualified health center provider, with a retroactive cost settlement for each facility fiscal year.

(1) Interim reimbursement rate. The source and the method of determination of interim rate shall depend on whether the federally qualified health center is a new enrollee of the Kansas medical assistance program or is a previously enrolled provider. Under special circumstances, the interim rate may be negotiated between the agency and the provider.

(A) Newly enrolled facility. If the facility is an already-established federally qualified health center with an available medicare cost report, an all-inclusive rate derived from the cost report may be used for setting the initial medicaid interim payment rate. If the facility is an already-established federally qualified health center opening a new service location, then the rate from the already-established federally qualified health center shall

be used for the new service location. If the facility converted from a rural health clinic to a federally qualified health center, then the rate from the rural health clinic shall be used for the new federally qualified health center. For all other circumstances, the initial payment rate shall be based on the average of the current reimbursement rates for previously enrolled federally qualified health center providers.

(B) Previously enrolled facility. After the facility submits a federally qualified health center cost report, the agency shall determine the maximum allowable medicaid rate per visit as specified in subsection (c). If a significant change of scope of services or a significant capital project has been implemented, the federally qualified health center shall submit an interim cost report if the center wants a change to the existing rate. The agency and the federally qualified health center shall use the interim cost report to negotiate a new interim rate.

(2) Visit. A "visit" shall mean face-to-face encounter between a center patient and a center health care professional as defined in K.A.R. 129-5-118. Encounters with more than one health professional or multiple encounters with the same health professional that take place on the same day shall constitute a single visit, except under either of the following circumstances:

(A) The patient suffers an illness or injury requiring additional diagnosis or treatment after the first encounter.

(B) The patient has a different type of visit on the same day, which may consist of a dental, medical, or mental health visit.

(3) Retroactive cost settlement. For each reporting period, the agency shall compare the total maximum allowable medicaid cost with the total payments to determine the program overpayment or underpayment. Total payments shall include interim payments, third-party liability, and any other payments for covered federally qualified health center services. The cost report and supplemental data submitted by the provider, the medicare cost report, and the medicaid-paid claims data obtained from the program's fiscal agent shall be used for these calculations.

(b) Cost reporting. Each federally qualified health center shall submit a completed cost report. The form used for cost reporting shall be the most current version of the medicare financial and statistical report form for independent rural health clinics and freestanding federally qualified

health centers with adjustments made, as necessary, to report the cost and number of visits for medicaid-covered services pursuant to K.A.R. 129-5-118.

(1) Filing requirements. Each provider shall be required to file annual cost reports on a fiscal year basis.

(A) Cost reports shall be received no later than five months after the end of the facility's fiscal year. An extension in due date may be granted by the agency upon request, if necessary due to circumstances beyond the control of the federally qualified health center.

(B) Each provider filing a cost report after the due date without a preapproved extension shall be subject to the following penalties:

(i) If the cost report has not been received by the agency by the close of business on the due date, all further payments to the provider may be withheld and suspended until the complete financial and statistical report has been received.

(ii) Failure to submit the completed financial and statistical report within one year after the end of the cost report period may be cause for termination from the Kansas medical assistance program.

The reported data shall be accurate and adequately supported to facilitate verification and analysis for the determination of allowable costs.

This balance shall contain account numbers, descriptions of the accounts, the amount of each account, the cost report expense line on which the account was reported, and fiscal year-end adjusting entries to facilitate reconciliation between the working trial balance and the cost report. The facility shall bear the burden of proof that the reported data accurately represents the cost and revenue as recorded in the accounting records. All unexplained differences shall be used to reduce the allowable cost.

(B) Financial statements and management letter. These documents shall be prepared by the facility's independent auditors and shall reconcile with the cost report.

(4) Reimbursable medicaid rate. The reimbursable medicaid rate per visit shall not be more than 100 percent of the reasonable and related cost of furnishing federally qualified health center services covered in K.A.R. 129-5-118b.

(d) Fiscal and statistical records and audits.

(1) Recordkeeping. Each provider shall maintain sufficient financial records and statistical data for accurate determination of reasonable costs. (G) Thirty days before suspending payment to the provider, written notice shall be sent by the agency to the provider of the agency's intent to suspend payment. The notice shall explain the basis for the agency's determination and identify the provider's recordkeeping deficiencies.

(H) All provider records that support reported costs, charges, revenue, and patient statistics shall be subject to audits by the agency, the United States department of health and human services, and the United States general accounting office. These records shall be retained for at least five years after the date of filing the cost report with the agency. (Authorized by K.S.A. 2008 Supp. 75-7403 and 75-7412; implementing K.S.A. 2008 Supp. 75-7405 and 75-7408; effective March 19, 2010.)

(c) Income deductions. No other deductions shall be applied in determining household income.

(d) Financial eligibility.

(1) Financial eligibility shall be based on the current monthly income and family size of the household, unless a change in circumstances is expected. In this case, financial eligibility shall be based on the projected monthly income and family size of the household.

(2) For children and pregnant women determined eligible based on K.A.R. 129-6-73 and K.A.R. 129-6-74, the provisions of K.A.R. 129-6-

129-6-54. Financial eligibility for MAGI-excepted coverage groups. This regulation shall apply to all groups described in K.A.R. 129-6-34(c)(2), except that subsections (c) and (d) of this regulation shall not apply to any medicare beneficiary who meets the requirements of K.A.R. 129-6-86 or to any working disabled individual who meets the requirements of K.A.R. 129-6-87.

(a) Definitions. For purposes of this regulation, each of the following terms shall have the meaning specified in this regulation:

(1) "Client obligation" means the amount that the individual is required to pay towards the cost of care that the individual receives in a long-term care arrangement. Client obligation shall be based on the amount of applicable income that exceeds the income standard in the eligibility base period.

(2) "Eligibility base period" means the length of time used in the determination of financial eligibility. The length of the eligibility base period varies from one month to six months as specified in subsection (b).

(3) "Spenddown" means the amount of applicable income that exceeds the protected income level in the eligibility base period and that is available to meet medical costs.

(b) Eligibility base period.

(1) The base period shall be determined according to the following:

(A) For prior eligibility, the base period shall be the three months immediately preceding the month of application.

(B) Except for persons determined eligible under K.A.R. 129-6-85, the base period shall be one month for current eligibility.

(C) For persons determined eligible under K.A.R. 129-6-85, the base period shall be one month for persons in long-term care and six months for persons in independent living for current eligibility. A six-month base period shall be shortened in certain instances including when the recipient begins long-term care, becomes eligible for cash assistance, or dies.

(2) The base period shall begin on the first day

of the month in which the application was received. Subsequent eligibility base periods for recipients shall begin on the first day of the month following the expiration of the previous base period. Each reapplication received outside of a previously established eligibility base period shall be treated as a new application without regard to any previous eligibility base period. However, if the reapplication includes a request for prior eligibility, the base period of prior eligibility shall not extend into a previously established eligibility base period.

(c) Financial eligibility for persons in independent living.

(1) The total of all applicable income in the eligibility base period, as determined in accordance with K.A.R. 129-6-111, shall be compared to the income standard, as specified in K.A.R. 129-6-103, for the base period. If the total applicable income is less than the income standard and the individual owns property that has value within the allowable limits, the individual shall be financially eligible for medical assistance. If the total applicable income exceeds the income standard, the individual shall be ineligible for medical assistance except for persons determined eligible under K.A.R. 129-6-73, 129-6-74, and 129-6-85.

(2) For determined eligibles under K.A.R. 129-6-73, 129-6-74, and 129-6-85, if the total applicable income exceeds the income standard and the individual owns property that has value within the allowable limits, the excess applicable income shall be the spenddown.

(A) Each applicant or recipient shall incur allowable medical expenses in an amount at least equal to the spenddown before becoming eligible for assistance. Medical expenses paid either voluntarily or involuntarily by third parties shall not be utilized to meet the spenddown, except for medical expenses paid by a public program of the state other than medicaid.

(B) A previously unconsidered increase in total applicable income during the current eligibility base period that results in an additional spenddown shall not alter the base period. The individual shall meet the additional spenddown during the eligibility base period before the individual becomes eligible or regains eligibility for medical assistance. A payment made through the program within the current eligibility base period shall not be considered an overpayment if a previously eligible individual fails to meet the additional

spenddown within the current eligibility base period.

(d) Financial eligibility for persons in long-term care arrangements.

(1) Total gross income shall not exceed 300 percent of the payment standard for one person in the supplemental security income program as specified in K.A.R. 129-6-103(a)(13).

(2)(A) If the person is eligible in accordance with paragraph (d)(1), the total of all applicable income in the eligibility base period, as determined in accordance with K.A.R. 129-6-111, shall be compared to the income standard, as specified in K.A.R. 129-6-103(b) for institutional arrangements and K.A.R. 129-6-103(c) for HCBS arrangements, for the base period. If the total applicable income is less than the income standard and the individual owns property that has value within the allowable limits, the individual shall be financially eligible for medical assistance. If the total applicable income exceeds the income standard and the individual owns property that has value within the allowable limits, the excess applicable income shall be the client obligation.

(B) If the person is not eligible in accordance with paragraph (d)(1), financial eligibility shall first be determined in accordance with subsection (c). If allowable medical expenses, including the cost of the long-term arrangement, are in an amount that is at least equal to the spenddown, a final determination of financial eligibility shall then be determined in accordance with paragraph (d)(2)(A), including application of the appropriate institutional or HCBS income standard as specified in K.A.R. 129-6-103(b) or (c). If allowable medical expenses are not in an amount that is at least equal to the spenddown, financial eligibility shall be determined in accordance with subsection (c).

(3) Each applicant or recipient shall incur allowable medical expenses in an amount at least equal to the client obligation before becoming eligible for assistance. Medical expenses paid either voluntarily or involuntarily by third parties shall not be utilized to meet this obligation, except for medical expenses paid by a public program of the state other than medicaid.

(4) Any increase in total applicable income during the current eligibility base period may result in financial ineligibility or in additional obligation, but this increase shall not alter the base period. A payment made through the program within the current eligibility base period shall not be consid-

ered an overpayment if a previously eligible individual becomes ineligible because of an increase in total applicable income or fails to meet any additional obligation within the current eligibility base period.

(e) Allowable expenses. The following expenses shall be applied to a spenddown or client obligation if the individual provides evidence that the individual has incurred or reasonably expects to incur the expenses within the appropriate eligibility base period, or has incurred and is still obligated for expenses outside of the appropriate eligibility base period that have not been previously applied to a spenddown or obligation:

- (1) Co-pay requirements;
- (2) the pro rata portion of medical insurance premiums for the number of months covered in the eligibility base period regardless of the actual date of payment, past or future;
- (3) any medicare premiums that are not covered by the department through the buy-in process. Premiums that are subject to the buy-in process shall not be allowable before completion of the buy-in process, even if the individual pays the premiums or the premiums are withheld;
- (4) if medically necessary and recognized under Kansas law, all expenses for medical services incurred by the individual or a legally responsible family group member. Expenses for social services designated as medical services under the HCBS program shall be allowable under this paragraph for persons in the HCBS program. Expenses for routine supplies, as defined in K.A.R. 129-10-15a, and for institutional care if the individual does not meet nursing facility criteria through the level-of-care evaluation or reevaluation process as defined in K.A.R. 30-10-7, shall not be allowable under this paragraph; and
- (5) the cost of necessary transportation by appropriate mode to obtain medical services specified in paragraph (e)(4). (Authorized by and implementing K.S.A. 2013 Supp. 65-1,254 and 75-7403; effective, T-129-10-31-13, Nov. 1, 2013; effective Feb. 28, 2014.)

(c) Exempted transfers. An individual shall not be ineligible for payment of services due to a transfer of assets in any of the following circumstances:

(1) The fair market value of the assets transferred has been received.

(2) A written request to transfer the assets has been submitted by the individual and approved by the secretary before the date of the transfer.

(3) The transfer has been executed pursuant to the division of assets provisions of K.A.R. 129-6-106.

(4) A transfer of an interest in the individual's home has been made to any of the following, as determined by the interest conveyed:

(A) The spouse of the individual;

(B) a child of the individual who is under the

age of 21 or who meets the blindness or disability criteria of K.A.R. 129-6-85;

(C) a sibling of the individual who has an equity interest in the home and who was residing in the home for at least one year immediately before the date the individual entered an institutional or HCBS arrangement; or

(D) a child of the individual, other than the child described in paragraph (c)(4)(B), who was residing in the home for at least two years immediately before the date the individual entered an institutional or HCBS arrangement and who provided care to the individual that permitted the individual to reside at home.

(5) The assets have been transferred to any of the following:

(A) The individual's spouse or to another individual for the sole benefit of the individual's spouse;

(B) the institutionalized individual's child who meets the blindness or disability criteria of K.A.R. 129-6-85 or a trust established solely for the benefit of the child; or

(C) a trust established solely for the benefit of an individual under 65 years of age who meets the blindness or disability criteria of K.A.R. 129-6-85.

(6) A transfer of assets has been made, and a satisfactory showing that the individual intended to dispose of the assets at fair market value, for other valuable consideration, or exclusively for a purpose other than to qualify for medicaid has been established. The following criteria shall be used to establish a satisfactory showing:

(A) A record of the facts, in chronological order, related to each transfer of assets within the applicable look-back period shall be assembled; and

(B) a transfer of assets for less than fair market value shall be presumed to have been for the purpose of establishing or maintaining medicaid eligibility, unless the individual presents clear and convincing evidence that the transfer was exclusively for some other purpose. The burden shall be on the individual to rebut this presumption by furnishing clear and convincing evidence that the asset was transferred exclusively for some other purpose. A signed statement by the individual shall not be, by itself, clear and convincing evidence. Each transfer shall be considered in the light of the circumstances at the time the transfer was made. The total amount of the transfer shall be considered in proportion to the length of the interval between the date of the transfer and the date of the application for medical assistance. In

addition, the following factors shall be taken into account:

(i) Whether the transfer was ordered by the court and neither the individual, the spouse, the conservator, the guardian, the beneficiary of the transfer, nor anyone else acting in their legal authority or direction took action to effectuate the transfer; and

(ii) whether the individual could not have anticipated the need for medical assistance at the time of transfer due to an unexpected event occurring after the transfer that resulted in the traumatic onset of disability or blindness, the diagnosis of a previously undetected disability, or the loss of other income or resources, completely outside of the control of the individual or spouse, that would have otherwise precluded medical eligibility.

(7) The transferred asset has been returned to the individual or has been made available for use by the individual or spouse.

(d) Look-back date. The look-back date shall mean the earliest date on which a penalty for transferring assets for less than fair market value can be assessed, as specified in this subsection. A penalty shall be assessed for all transfers by the individual or the individual's spouse that take place on or after the look-back date. A penalty shall not be assessed for any transfers that take place before the look-back date.

(1) For transfers of assets before February 8, 2006, multiple transfers that occur within a single month shall be treated as a single transfer. The look-back date shall be either of the following:

(A) 60 months before the date the individual received or was otherwise eligible to receive institutional care or HCBS and has applied for medical assistance in the case of payment from a trust or portions of a trust that are treated as assets disposed of by the individual as specified in K.A.R. 129-6-109(c)(1) and (2); or

(B) 36 months before the date the individual received or was otherwise eligible to receive institutional care or HCBS and has applied for medical assistance in the case of all other transfers of assets.

(2) For transfers of assets on and after February 8, 2006, multiple transfers that occur within a single month shall be treated as a single transfer. The look-back date shall be the date that is 60 months before the date the individual received or was otherwise eligible to receive institutional care or HCBS and has applied for medical assistance.

(e) Transfer period of ineligibility. If the indi-

vidual or spouse has transferred assets for less than fair market value, the individual shall not be eligible for the services specified in paragraphs (a)(4)(A) through (D), as follows:

(1) For transfers before February 8, 2006, the penalty period shall be equal to the number of months calculated by taking the total cumulative uncompensated value of the assets transferred by the individual or spouse on or after the look-back date, divided by \$4,000.

(2) For transfers on and after February 8, 2006, the penalty period shall be equal to the number of days calculated by taking the total cumulative uncompensated value of the assets transferred by the individual or spouse on or after the look-back date, divided by the average daily private-pay cost of nursing facilities in the state in effect on the date the penalty begins. The average daily private-pay cost shall be determined at least annually based on the rates reported by the nursing facilities and compiled by department for aging and disability services.

(f) Penalty start date.

(1) The date on which the penalty period begins shall be determined by the date of the transfer, as follows:

(A) For transfers before February 8, 2006, the penalty start date shall be the first day of the month in which the transfer occurred for applicants and no later than the second month following the month of transfer for recipients giving timely and adequate notice as defined in K.A.R. 129-7-65.

(B) For transfers on and after February 8, 2006, the penalty start date shall be the later of the following:

(i) For applicants, the later of the following: the first day of the month in which the transfer occurred or the first day on which the individual is eligible for medical assistance based on an application for medical assistance and is receiving institutional care or would be receiving HCBS but for the application of the penalty period; and

(ii) for recipients giving timely and adequate notice as defined in K.A.R. 129-7-65, no later than the second month following the month of transfer.

(2) Separately established penalty periods shall be served consecutively. Once the penalty period is imposed, the period shall not be interrupted or suspended even if the individual no longer receives institutional care or HCBS.

(3) If the spouse of the individual transfers an asset that results in a penalty period and that

spouse is subsequently institutionalized and is determined otherwise eligible for medical assistance, the remaining penalty period shall be divided between the spouses.

(g) Hardship waiver.

(1) A penalty period shall be initially waived or suspended if the imposition of the penalty period would cause an undue hardship on the individual. To cause an "undue hardship" on the individual shall mean to deprive the individual of either of the following:

(A) Medical care to the extent that the individual's health or life would be endangered; or

(B) food, clothing, shelter, or other necessities of life to the extent that the individual would be at risk of serious harm.

(2) Undue hardship shall not exist if the application of a penalty period merely causes an individual or any individual's family members inconvenience or restricts their lifestyle. Undue hardship shall not exist if the individual transferred the assets to the spouse and the spouse refuses to cooperate in making the resources available to the individual.

(3)(A) Any individual claiming undue hardship may submit a written request to the department at any time during the penalty period. The request shall include a description of the undue hardship along with evidence to support the claim.

(B) The facility in which the individual resides shall obtain written consent from the individual or the individual's personal representative in order to assert a claim of undue hardship on behalf of the individual and provide supporting information on behalf of the individual. (Authorized by and implementing K.S.A. 2012 Supp. 65-1,254 and 75-7403; effective, T-129-10-31-13, Nov. 1, 2013; effective Feb. 28, 2014.)

129-6-106. General requirements for consideration of resources, including real property, personal property, and income.

(a) For purposes of determining eligibility for medical assistance, legal title shall determine ownership. In the absence of legal title, possession shall determine ownership.

(b) Each resource shall be of a nature that the value can be defined and measured, according to the following:

(1) Real property. The value of real property shall be initially determined by the latest uniform statewide appraisal value of the property, which shall be adjusted to reflect current market value. If the property has not been appraised or if the market value determined is not satisfactory to the applicant, recipient, or department, an estimate or appraisal of the value of the property shall be obtained from an impartial real estate broker. The cost of obtaining an estimate or appraisal shall be paid by the department.

(2) Personal property. The market value of personal property shall be initially determined using a reputable trade publication. If such a publication is not available or if there is a difference of opinion between the department and the individual regarding the value of the property, an estimate from a reputable dealer shall be used. The cost of obtaining an estimate or appraisal shall be paid by the department.

(c)(1) Resources shall be considered available if the resources are actually available and the appli-

cant or recipient has the legal ability to make the resources available. A resource shall be considered unavailable if there is a legal impediment that precludes the disposal of the resource. The applicant or recipient shall pursue reasonable steps to overcome the legal impediment, unless it is determined that the cost of pursuing legal action would exceed the resource value of the property or it is unlikely the applicant or recipient would succeed in the legal action. This paragraph shall also apply to the spouse of the applicant or recipient.

(2) Real property shall be considered unavailable if the property cannot be sold for one of the following reasons:

(A) The property is jointly owned, and its sale would cause undue hardship because of the loss of housing for the other owner or owners.

(B) The owner's reasonable efforts to sell the property have been unsuccessful.

(d) The resource value of property shall be the value of the applicant's or recipient's equity in the property. Unless otherwise established, the proportionate share of jointly owned real property and the full value of jointly owned personal property shall be considered available to the applicant or recipient. Resources held jointly with a non-legally responsible person may be excluded from consideration if the applicant or recipient demonstrates that all of the following conditions exist:

(1) The applicant or recipient has no ownership interest in the resource.

(2) The applicant or recipient has not contributed to the resource.

(3) Any access to the resource by the applicant or recipient is limited to those duties performed while the applicant or recipient is acting as an agent for the other person.

(e) Except for persons described in K.A.R. 129-6-34(c)(1) and 129-6-34(c)(2)(A) through (I), the nonexempt resources of all persons in the assistance plan shall be considered in determining eligibility. Exempted resources as defined in K.A.R. 129-6-108(d) and 129-6-109(e) that are put in a trust that meets the requirements of K.A.R. 129-6-109(c)(1) or (c)(2)(A) shall be regarded as nonexempt, unless paragraphs (k)(4) and (6) of this regulation are applicable.

(f)(1) The combined resources of husband and wife, if they are living together, shall be considered in determining the eligibility of either individual or both individuals for the medical assis-

tance program, except as noted in subsection (e) or unless otherwise prohibited by law.

(2) A husband and wife shall be considered to be living together if they are regularly residing in the same household. Temporary absences of either the husband or the wife for education, training, working, securing medical treatment, or visiting shall not interrupt the period of time during which the couple is considered to be living together.

(3) A husband and wife shall not be considered to be living together if they are physically separated and not maintaining a common life or if one or both enter into an institutional living arrangement, including either a medicaid-approved or non-medicaid-approved medical facility or an HCBS care arrangement.

(A) If only one spouse enters an institutional living arrangement, subsection (k) shall apply.

(B) If both spouses enter an institutional living arrangement, the combined resources of the husband and wife shall be considered available to both individuals for the month in which the institutional arrangement begins.

(g) Except as noted in subsection (e), the resources of an ineligible parent shall be considered in determining the eligibility of a minor child for the medical assistance program if the parent and child are living together. However, these resources shall not be considered for any child in an institutional arrangement or an HCBS arrangement beginning with the month following the month in which the arrangement begins.

(h) Despite subsections (e), (f), and (g), the resources of an SSI beneficiary shall not be considered in the determination of eligibility for medical assistance of any other person.

(i) The conversion of real property and personal property from one form of resource to another shall not be considered to be income to the applicant or recipient, except for the proceeds from a contract for the sale of property.

(j) Income shall not be considered to be both income and property in the same month.

(k) If one spouse enters an institutional living arrangement, the other spouse remains in the community, and an application for medical assistance is made on behalf of the institutionalized spouse, an income determination according to the following requirements shall be applied first in determining eligibility:

(1) The separate income of each spouse shall not be considered to be available to the other

spouse beginning in the month in which the institutional arrangement begins. One-half of the income that is paid in the names of both spouses shall be considered available to each spouse, unless it is otherwise established that less or more than this amount is available. Income that is paid in the name of either spouse, or in the name of both spouses and the name of another person or persons, shall be considered available to each spouse in proportion to the spouse's interest, unless it is otherwise established that less or more than this amount is available.

(2)(A) A monthly income allowance for the community spouse shall be deducted from the income of the institutionalized spouse in determining the amount of patient liability for each person in an institutional living arrangement or in a spenddown status for each person in an HCBS arrangement.

(B) The income allowance for the community spouse, when added to the income already available to that spouse, shall not exceed 150 percent of the official federal poverty-level income guideline for two persons plus the amount of any excess shelter allowance. "Excess shelter allowance" shall mean the amount by which the community spouse's expenses for rent or mortgage payments, taxes and insurance for the community spouse's principal residence, and the supplemental nutrition assistance program (SNAP) standard utility allowance, 7 U.S.C. 2014(e), exceed 30 percent of 150 percent of the federal poverty-level income guideline amount specified in this paragraph.

(C) The maximum monthly income allowance that may be provided under paragraph (k)(2) shall be \$1,500. The \$1,500 limitation shall be increased at the beginning of each calendar year by the same percentage as the percentage increase in the consumer price index for all urban consumers between September 1988 and the September before the applicable calendar year.

(D) If a greater income allowance is provided under a court order of support or through the Kansas administrative hearing process, that amount shall be used in place of the limits specified in paragraph (k)(2)(C).

(3) A monthly income allowance for each dependent family member shall be deducted from the income of the institutionalized spouse in determining the 300 percent income limit as specified in K.A.R. 129-6-54(d)(1) and the amount of client obligation for each person in an institutional living arrangement or in an HCBS arrangement.

(A) "Dependent family member" shall mean a person who is a minor or dependent child, dependent parent, or dependent sibling of either spouse and who lives with the community spouse.

(B) The allowance for each member shall be equal to one-third of 150 percent of the official federal poverty-level income guideline for two persons.

(C) An allowance for a dependent family member shall not be provided if the family member's gross income exceeds 150 percent of the federal poverty-level income guideline for two persons.

(4) If the spouse is institutionalized on or after September 30, 1989, the nonexempt real property and personal property of both spouses shall be considered in determining the eligibility of the institutionalized spouse, based on the amount of property in excess of the community spouse property allowance specified in paragraph (k)(6), whether or not this allowance will be made.

(A) If the excess property is within the allowable resource standards of K.A.R. 129-6-107, the institutionalized spouse shall be eligible.

(B) In the month following the first month of eligibility for the institutionalized spouse, only the property of the institutionalized spouse shall be considered available in determining continuing eligibility, except for property to be transferred in accordance with paragraph (k)(6).

(5) If the spouse was institutionalized before September 30, 1989, the real property and personal property of each spouse shall be considered available to the other spouse in the month in which the institutional arrangement began. Thereafter, the property of each spouse shall not be considered available to the other spouse.

(6) The institutionalized spouse may make available to the community spouse a property allowance that, when added to the property already available to the community spouse, would be equal to one-half of the total value of the property owned by both spouses at the beginning of the first period of continuous institutionalization beginning on or after September 30, 1989.

(A) This property allowance shall not exceed \$60,000 and shall be at least \$12,000. Both the \$12,000 and the \$60,000 limits shall be increased at the beginning of each calendar year by the same percentage as the percentage increase in the consumer price index for all urban consumers between September 1988 and the September before the applicable calendar year.

(B) If a greater property allowance is provided

under a court order of support or through the Kansas administrative hearing process, that amount shall be used in place of the limits specified in paragraph (k)(6)(A). If a greater property allowance is required to increase the community spouse's income to the amount allowed under paragraphs (k)(2)(B) and (C), a fair hearing officer shall take into account the income-generating value of the current property allowance as well as the additional property allowance requested. The property provided shall be invested so that income is maximized, including through a single-premium annuity, and based on the salable or market value of the property.

(7) The amount of property received by the community spouse as a result of the property allowance determined in paragraph (k)(6) shall not be considered in determining the eligibility of the institutionalized spouse, except as provided in paragraph (k)(4). If the institutionalized spouse will be eligible based upon transferring sufficient property to the community spouse to equal the amount of the property allowance, the institutionalized spouse shall be given not more than 90 days from the date of application to transfer the property. Additional time may be allowed for good cause. Pending disposition of the property, the institutionalized spouse shall be eligible during this period if all other eligibility factors are met.

(l) The resources of a noncitizen's sponsor and the sponsor's spouse shall be considered in determining eligibility for the sponsored noncitizen. (Authorized by and implementing K.S.A. 2013 Supp. 65-1,254 and 75-7403; effective, T-129-10-31-13, Nov. 1, 2013; effective Feb. 28, 2014.)

129-6-107. Property exemption. (a) Ownership of otherwise nonexempt real property or personal property shall not affect eligibility if the aggregate resource value is not in excess of \$2,000 for one person or \$3,000 for two or more persons, including the number of persons whose nonexempt resources are considered available to a person in the assistance plan.

(b) Ownership of property with a resource value in excess of the amounts specified in subsection (a) shall render the applicant or recipient and the members of the applicant's or recipient's assistance plan ineligible for medical assistance, except for the following:

(1) For medicare beneficiaries who meet the requirements of K.A.R. 129-6-86, the resource value shall be in excess of the following standards

before the applicant or recipient and the members of the applicant's or recipient's family group shall be rendered ineligible:

(A) For calendar year 2006, \$6,000 for one person or \$9,000 for a couple; and

(B) for subsequent years, the amounts established in paragraph (b)(1)(A) increased by the annual percentage increase in the consumer price index for all items based on the United States city average as established in September of the previous year.

(2) For working disabled individuals who meet the requirements of K.A.R. 129-6-87, the resource value shall be over twice the amounts specified in subsection (a) before the applicant or recipient and the members of the applicant's or recipient's assistance plan shall be rendered ineligible.

(3) For disabled individuals with earned income who meet the requirements of K.A.R. 129-6-88, the resource value shall be over \$15,000 before the applicant or recipient and the members of the applicant's or recipient's assistance plan shall be rendered ineligible. If the applicant or recipient is making a bona fide and documented effort to dispose of the excess property at a reasonable market value, medical assistance for not more than nine months shall be provided. (Authorized by and implementing K.S.A. 2012 Supp. 65-1,254 and 75-7403; effective, T-129-10-31-13, Nov. 1, 2013; effective Feb. 28, 2014.)

129-6-103. Real property. (a) Definitions.

(1) "Home" shall mean the house or shelter in which the applicant or recipient is living, as well as the tract of land and contiguous tracts of land upon which the house and other improvements essential to the use or enjoyment of the home are located. Tracts of land shall be considered to be contiguous if lying side by side, except for streets, alleys, and other easements. Pieces of property that touch only at the corners shall not be considered to be contiguous.

(2) "Other real property" shall mean real property other than a home, including land and buildings.

(b) Treatment of real property. The equity value of nonexempt real property shall be deemed a resource. If a specific and discrete property interest of less than 100 percent is designated for real property, the full value shall be considered in the determination of eligibility, regardless of the exemptions specified in subsection (d).

(c) Substantial home equity. Each person who applies for long-term care on or after January 1, 2006 and has an equity interest in a home in excess of \$500,000 shall be ineligible for payment of care for a nursing facility or other institutional arrangement, HCBS arrangement, or PACE arrangement, unless one of the following persons continues to reside in the home:

- (1) The person's spouse;
- (2) the person's child, if the child meets the criteria of K.A.R. 129-6-85(b) or (c); or
- (3) the person's child, if the child is under the age of 21.

The \$500,000 limit shall be increased beginning in calendar year 2011 from year to year based on the percentage increase in the consumer price index for all urban consumers based on all items and the United States city average, rounded to the nearest \$1,000.

(d) Exempted real property. The equity value of the following classifications of real property shall be exempt, except as noted in subsections (b) and (c):

- (1) The home, except either of the following:
 - (A) A home from which an applicant or recipient has been absent and does not intend to return; or
 - (B) a home from which a person who enters an institutional living situation has been absent for at least three months, unless the absence is determined to be temporary or a spouse, dependent child, or another dependent relative remains in the home;
- (2) other real property that is essential for employment or self-employment;
- (3) income-producing other real property that is used in an individual's trade or business or that produces income consistent with its fair market value;
- (4) restricted or allotted land held by an enrolled member of an Indian tribe that cannot be sold or transferred without permission of other members of the tribe or a federal agency; and
- (5) real property that is directly related to the maintenance or use of a vehicle that is used primarily for producing income or is necessary to transport a physically disabled household member. (Authorized by and implementing K.S.A. 2012 Supp. 65-1,254 and 75-7403; effective, T-129-10-31-13, Nov. 1, 2013; effective Feb. 28, 2014.)

129-6-109. Personal property. (a) Defi-

nitions. For purposes of this regulation, each of the following terms shall have the meaning specified in this regulation:

(1) "Cash assets" means the following resources:

- (A) Cash surrender or loan values of life insurance policies;
- (B) investments;
- (C) money;
- (D) similar items from which a determinate amount of money can be realized; and
- (E) trust funds.

- (G) personal effects;
- (H) similar items from which a determinate amount of money can be realized; and
- (I) vehicles.

(3) "Personal property" means all property, excluding real property.

(b) Treatment of personal property. Personal property, unless exempted, shall be considered a resource. Each trust fund shall be subject to subsection (c).

(c) Treatment of trust funds. For purposes of determining an individual's eligibility for assistance or the amount of assistance, the requirements in this subsection shall apply to trust funds. The term "trust" shall include any legal instrument or device that is similar to a trust, including an annuity. The term "assets" shall be defined as specified in K.A.R. 129-6-57(a).

(1) For a revocable trust, the value of the trust shall be considered a resource available to the individual. Payments from the trust to or for the benefit of the individual shall be considered to be income. All other payments made from the trust shall be considered under the property transfer provisions of K.A.R. 129-6-57.

(2) For an irrevocable trust established after August 10, 1993, the following requirements shall apply:

- (A) If there are any circumstances under which payment from an irrevocable trust could be made to the individual or for the benefit of the individual, the portion of the trust from which payment could be made shall be considered as a resource

available to the individual. Each payment made from the trust to the individual or for the benefit of the individual shall be considered income. All other payments made from the trust shall be considered under the property transfer provisions of K.A.R. 129-6-57.

(B) Each portion of the trust from which no payment could be made to the individual under any circumstances shall be considered under the transfer of assets provisions of K.A.R. 129-6-57 from the date of establishment of the trust or, if later, the date on which payment to the individual was restricted or foreclosed.

(C) An individual shall be considered to have established a trust if any assets of the individual were used to form all or part of the trust and if any of the following individuals established the trust, other than by will:

(i) The individual or the individual's spouse;

(ii) any person, including a court or administrative body, with legal authority to act in place of or on behalf of the individual or the individual's spouse; or

(iii) any person, including any court or administrative body, acting at the direction or upon the request of the individual or the individual's spouse.

(D) If the principal of the trust includes assets of any other person or persons, this subsection shall apply to the portion of the trust attributable to the assets of the individual.

(E) This subsection shall apply without regard to the purposes for which the trust was established, whether or not the trustees have or exercise any discretion under the trust, any restrictions on when or whether distributions can be made from the trust, or any restrictions on the use of distributions from the trust.

(F) This subsection shall not apply to a trust that contains the assets of an individual under the age of 65 who meets the blindness or disability criteria of K.A.R. 129-6-85 and that is established for the benefit of the individual by a parent, grandparent, or legal guardian of the individual, or a court. The state shall receive all amounts remaining in the trust upon the death of the individual, up to an amount equal to the total medical assistance paid on behalf of the individual;

(G) This subsection shall not apply to a trust that contains the assets of an individual who meets the blindness or disability criteria of K.A.R. 129-6-85 if the trust meets all the following conditions:

(i) The trust is established by a nonprofit association.

(ii) A separate account is maintained for each beneficiary of the trust.

(iii) Accounts in the trust are established solely for the benefit of individuals who meet the blindness or disability criteria of K.A.R. 129-6-85.

(iv) Each account in the trust is established by that individual; the parent, grandparent, or legal guardian of the individual; or a court. The state shall receive all amounts remaining in the individual's account upon the death of the individual, up to an amount equal to the total medical assistance paid on behalf of the individual.

Establishment of a trust under paragraph (c)(2)(G) for an individual who is at least 65 shall be subject to the transfer of assets provisions of K.A.R. 129-6-57.

(H) The requirements of K.A.R. 129-6-109(c)(2) shall be waived if the secretary determines that a waiver is necessary to avoid undue hardship on the individual. A finding of undue hardship may be granted if the individual verifies that all of the following conditions have been met:

(i) The individual has exhausted all legal remedies for gaining access to the principal or income of the trust.

(ii) All otherwise available assets have been expended to meet living and medical expenses.

(iii) The individual's health or life would be endangered if the individual were deprived of medical care.

(3) For an irrevocable trust established with the individual's own assets on or before August 10, 1993, the following provisions shall apply:

(A) The trust shall be considered available up to the maximum value of the funds that can be made available under the terms of the trust on behalf of the individual if both of the following conditions are met:

(i) The individual is a beneficiary.

(ii) The trustees are permitted to exercise any discretion with respect to distribution to the individual.

(B) The trust may be established by the individual, the individual's spouse or parent, a legal guardian, or a legal representative who is acting on behalf of the individual.

(C) The amount from the trust that shall be considered as an available resource is the amount that could have been distributed but was not distributed within an eligibility base period. Each amount actually distributed shall be regarded as

income. Each portion of the trust that is unavailable to the individual or is not used for the benefit of the individual shall be considered a transfer of property for less than fair market value in accordance with K.A.R. 129-6-57.

(D) K.A.R. 129-6-109(c)(3) shall not be applicable to any trust established before April 7, 1986 if the individual is a developmentally disabled individual who is residing in an intermediate care facility for people with intellectual disability and the trust is solely for the benefit of the individual.

(4) For any other trust, including a trust established with assets of someone other than the individual, the trust shall be considered available to the individual only if the individual has the ability to revoke or terminate the trust or to direct the use of the trust assets for the individual's own support and maintenance. Mandatory periodic payments received from a trust by the individual shall be considered an available resource equal to the present value of the anticipated payments, unless there is a valid spendthrift clause or other language in the trust that specifically prohibits anticipation of payments. If a valid spendthrift clause or other restrictive language exists, the periodic payments shall be considered countable unearned income.

(d) Treatment of annuities. The term "annuity" shall include any contract or device that conveys a right to receive a fixed, periodic source of income for a specified period of time. For purposes of determining an individual's eligibility for assistance or the amount of assistance, the following requirements shall apply:

(1) Each individual requesting medical assistance shall disclose any interest in an annuity. Failure to meet this requirement shall result in ineligibility for medical assistance due to noncooperation in accordance with K.A.R. 129-6-56.

(2) Retirement annuities, including civil service and railroad retirement annuities, shall be exempt as a resource, but the income received shall be countable unearned income.

(3) All other revocable and irrevocable annuities, including those reported to be nonassignable, shall be presumed to be an available resource. The right to either the principal or the income stream from an annuity shall be considered a countable resource. If the annuity can be sold, assigned, encumbered, or structured so that the benefit of the annuity can be received by someone other than the designated beneficiary, the annuity shall be considered available and shall be assigned a value.

(4) The fair market value of a revocable annuity shall be the cash value of the annuity. The fair market value of an irrevocable annuity shall be the amount yet to be paid out under the terms of the contract.

(5) If the individual can furnish evidence from a reliable source that the annuity or the income stream from the annuity is not able to be received by someone other than the designated beneficiary, the annuity shall be reevaluated. Reliable sources concerning the availability of the annuity or income stream shall include banks and other financial institutions, insurance companies, and brokers.

(e) Exempted personal property. The resource value of the following types of personal property shall be exempt:

- (1) Personal effects;
- (2) household equipment and furnishings in use or only temporarily not in use;
- (3) tools in use and necessary for the maintenance of a house or a garden;
- (4) the stock and inventory of any self-employed person that are reasonable and necessary in the production of goods and services;
- (5) items for home consumption, which shall consist of the following:

(A) Produce from a garden consumed from day to day and any excess that can be canned or stored; and

(B) a small flock of fowl or herd of livestock that is used to meet the food requirements of the family;

(6) cash assets that are traceable to income exempted as income and as a cash asset;

(7) any contract for the sale of property, if the proceeds from the contract are considered as income and the income is consistent with the repayment terms and conditions specified in the written contract;

(8) one vehicle for each family group receiving medical assistance if the primary purpose of the vehicle is to serve the needs of that family group. If someone who is not a member of that family group has the primary use, enjoyment, and possession of the vehicle, the vehicle shall not be exempted under this paragraph. Additional vehicles may be exempt if used over 50 percent of the time for employment or self-employment, if used as the family's home, if needed for medical treatment of a specific medical problem, or if specially equipped for use by a handicapped person;

(9) any individual development account (IDA) that meets the following requirements:

(A) The account shall be established by or on behalf of a temporary assistance for needy families (TANF) recipient or by or on behalf of an individual participating in the assets for independence demonstration program (AFIA) and shall be used for a qualified purpose. A qualified purpose shall mean one or more of the following: postsecondary education expenses for college or vocational-technical school, excluding learning quest and other 529 accounts; first home purchase, if the person has not owned a home within three years of acquisition; or business capitalization, if the business plan has been approved by a financial institution or nonprofit loan fund. All funds withdrawn from an IDA and used for any purpose other than one of those listed in this paragraph shall count as unearned income in the month withdrawn; and

(B) the IDA shall be a trust funded through periodic contributions by the establishing individual and may be matched by or through a qualified entity for a qualified purpose. A qualified entity to match IDA funds for a TANF recipient shall be either a not-for-profit organization described in 8 U.S.C. 501(c)(3) and exempt from taxation under 8 U.S.C. 501(a) or a state or local government agency acting in cooperation with a 501(c)(3) organization. For AFIA participants, matching contributions shall be made by the federal government through a grantee;

(10) low-income family postsecondary savings accounts incentive program established pursuant to K.S.A. 2012 Supp. 75-650, and amendments thereto;

(11) life insurance that is owned by an applicant or recipient if one of the following conditions is met:

(A) The policy has no potential cash surrender value;

(B) the policy does not exceed \$1,500 face value. The face value shall not include and shall not be increased by accumulated dividends, but shall be decreased by any outstanding policy loan. If the total face value of insurance policies owned by any one individual exceeds \$1,500, the total cash surrender value of those policies shall be a nonexempt resource; or

(C) the policy is in excess of \$1,500 face value and has been irrevocably collaterally assigned to the state. The assignment shall be for an amount not to exceed the amount of benefits paid under the medical assistance program for the individual;

(12) any personal property of a blind or disabled person that is covered by an approved plan of self-support;

(13) burial spaces in accordance with the following:

(A) "Burial spaces" shall mean conventional grave sites, crypts, mausoleums, caskets, urns, and other repositories that are traditionally used for the remains of deceased persons. This term shall include vaults, headstones, and grave markers, as well as monies set aside for opening and closing the grave; and

(B) burial spaces purchased through a revocable or irrevocable prepaid contract shall be exempt under this paragraph, including the account in which the funds are deposited under the contract and the interest that accrues on the funds;

(14) burial funds of up to \$1,500 each, plus any interest that has accumulated in that fund beginning with the month of application but no earlier than November 1, 1984, for members of the assistance plan that are separately identifiable and clearly designated as set aside for each member's burial expenses. "Burial funds" shall mean revocable burial contracts and trusts as well as other revocable burial arrangements:

(A) The fund shall be considered separately identifiable if it is set up in a separate account and not commingled with any other funds, except funds for burial purposes including a prepaid contract fund for burial merchandise in accordance with paragraph (e)(13);

(B) the fund shall be considered as clearly designated if the account is noted "for burial purposes only" or if the client provides a signed, written statement attesting to the fact that the funds have been set aside and are intended for burial purposes only;

(C) if the fund is exempted and the client withdraws all or a portion of the funds, the amount withdrawn shall be considered as a nonexempt resource and, if transferred, shall be subject to the transfer provisions of K.A.R. 129-6-57;

(D) the \$1,500 amount that can be exempted under paragraph (e)(14) shall be reduced by the amount of any irrevocable burial agreements established under K.S.A. 16-303 and amendments thereto, except to the extent that the irrevocable burial agreement represents excludable burial spaces under paragraph (e)(13), as well as the face value of all life insurance policies that do not exceed the \$1,500 face value limitation in accordance with paragraph (e)(11). The face value of life

insurance policies that exceed this \$1,500 limit shall not reduce the amount that can be exempted for burial purposes;

(15) proceeds from the sale of a home if the proceeds are conserved for the purchase of a new home and the funds so conserved are expended or committed to be expended within three months of the sale;

(16) a retroactive social security payment received by the applicant or recipient or an ineligible legally responsible person for the nine months following the month of receipt;

(17) the cash value of pension plans or funds under any of the following conditions:

(A) The person is employed and would have to terminate employment in order to obtain any payment. Each pension plan or fund that can be converted to periodic payments shall be exempt if the plan or fund is converted to periodic payments by the month following the month in which the plan or fund is eligible for conversion;

(B) the person is not retired or claiming permanent disability; or

(C) the applicant's or recipient's spouse or parent has funds in a work-related pension plan or fund, including Keogh plans, and IRAs and is not applying for or receiving medical assistance;

(18) retirement accounts and pensions of any employed individual who meets the requirements of K.A.R. 129-6-88;

(19) income-producing personal property, other than cash assets, that is essential for employment or self-employment or producing income consistent with its fair market value. Income-producing property may include any of the following items:

- (A) Tools;
- (B) equipment;
- (C) machinery; or
- (D) livestock;

(20) escrow accounts established for families participating in the family self-sufficiency program through the U.S. department of housing and urban development. Interest earned on the accounts shall also be exempted as income; and

(21) monies paid as part of a contract or agreement to receive medical or assistive services from an unlicensed individual or entity if all of the following conditions are met:

(A) A written contract is executed before providing or paying for any service. The contract shall specify services to be provided and the rates for these services;

(B) the contracted amount paid for services is consistent with the market rate for the services. If there is no established rate, the federal minimum wage shall be used;

(C) the provider of the service is reporting all monies as income to the appropriate state and federal governmental revenue agencies as required by law;

(D) any amounts due under the contract are paid after the services are rendered;

(E) the agreement is revocable; and

(F) upon the death of the individual, the contract ceases. (Authorized by and implementing K.S.A. 2012 Supp. 65-1,254 and 75-7403; effective, T-129-10-31-13, Nov. 1, 2013; effective Feb. 28, 2014.)

129-6-110. Income. (a) Treatment of income for MAGI-based coverage groups. For purposes of this regulation, "prospective monthly amount" shall mean an amount that is projected for purposes of determining an applicant's or recipient's monthly income. For those groups specified in K.A.R. 129-6-34(c)(1), all earned income and unearned income expected to be received in the month of application shall be used to determine a prospective monthly amount. This amount shall be used in the determination of both eligibility in the prior three months and current eligibility. For changes in earned income and unearned income, an estimate of those changes shall be used to determine a prospective monthly amount. For self-employment income, a prospective monthly amount shall be based on annual federal tax information from the most recent tax year. In the absence of federal tax information from the most recent tax year, an estimate shall be used to determine a prospective monthly amount.

(b) Treatment of income for MAGI-excepted coverage groups. For those groups specified in K.A.R. 129-6-34(c)(2), income shall be classified as income in the eligibility base period in which the income is received and as a cash asset following this eligibility base period.

(1) Prior eligibility. For individuals in independent living, current income as defined in paragraph (b)(2) shall be considered in the determination of eligibility for the prior three months. For individuals in long-term care arrangements, income received in the prior three months shall be considered in the determination of eligibility for the prior three months, except that self-employment income shall be averaged.

(2) Current eligibility. Income shall be considered prospectively to determine eligibility, beginning with the month of application. All income received or reasonably expected to be received shall be considered in determining the applicable income for the eligibility base period. Income from self-employment and intermittent income shall be considered and averaged. Intermittent income shall be divided by the applicable number of months to establish the monthly amount. Intermittent income shall be considered as income beginning with the eligibility base period in which this income is received. (Authorized by and implementing K.S.A. 2012 Supp. 65-1,254 and 75-7403; effective, T-129-10-31-13, Nov. 1, 2013; effective Feb. 28, 2014.)

129-6-111. Applicable income. “Applicable income” shall mean the amount of earned and unearned income that is compared with the appropriate income standard to establish financial eligibility.

(a) MAGI-based coverage groups. For those groups specified in K.A.R. 129-6-34(c)(1), all earned income and unearned income shall be considered applicable, unless exempted in accordance with K.A.R. 129-6-53(a)(2), and shall be determined as follows:

(1) Applicable income shall be based on the methodologies used to determine modified adjusted gross income, as specified in K.A.R. 129-6-53(a), for persons in the household, as specified in K.A.R. 129-6-53(b).

(2) An amount equivalent to five percentage points of the federal poverty level for the applicable family size shall be deducted from the combined household income in accordance with K.A.R. 129-6-53(a) when determining eligibility for the MAGI-based coverage groups under K.A.R. 129-6-34(c)(1) with the highest income standard for which the individual's eligibility is being determined.

(b) MAGI-excepted coverage groups. For those groups specified in K.A.R. 129-6-34(c)(2), all earned income and unearned income shall be considered applicable income, unless exempted in accordance with K.A.R. 129-6-112 and 129-6-113. For all aged, blind, and disabled groups, applicable income shall be determined as follows:

(1) Wages. All earned income shall be considered applicable income, except that K.A.R. 129-6-112 and 129-6-113 shall apply to persons in an independent living arrangement or in the HCBS

program. The applicable earned income shall be gross income less income deductions, if applicable.

(2) Self-employment. The applicable earned income for a self-employed person shall equal the modified adjusted gross earned income less the income deductions of paragraph (b)(4), if applicable. Paragraph (b)(1) regarding modified adjusted gross earned income shall apply to calculations made pursuant to this paragraph. Annual tax information from the most recent tax year shall be converted to a monthly prospective amount. This amount shall be used in the determination of both eligibility in the prior three months and current eligibility. In the absence of tax information from the most recent tax year, the most current income shall be used to determine a monthly amount.

(3) Unearned income. All net unearned income shall be considered to be applicable income, except that K.A.R. 129-6-112 and 129-6-113 shall apply to persons in an independent living arrangement or in the HCBS program. K.A.R. 129-6-113 (a), (m), (n), (w), (bb), (cc), (ff), (kk), (nn), and (oo) shall apply to persons in long-term care arrangements. Net unearned income shall equal gross unearned income less the costs of the production of the income. Income-producing costs shall include only those expenses directly related to the actual production of income.

(4) Income deductions.

(A) For persons in an independent living arrangement or in the HCBS program, the following deductions shall apply:

(i) The first \$20 of any nonexempt unearned income; and

(ii) an applicable earned income deduction calculated as follows: gross earned income minus any portion of the unearned income deduction that exceeds monthly earned income, plus \$65 of monthly earned income, plus one-half of the remainder of the monthly earned income.

(B) For persons in long-term institutional arrangements who are employed, an applicable earned income deduction shall be calculated as follows: gross earned income minus \$65 of monthly earned income, plus one-half of the remainder of the monthly earned income. (Authorized by and implementing K.S.A. 2012 Supp. 65-1,254 and 75-7403; effective, T-129-10-31-13, Nov. 1, 2013; effective Feb. 28, 2014.)

129-6-112. Income exempt from con-

sideration as income and as a cash asset for MAGI-excepted groups. For those groups specified in K.A.R. 129-6-34(c)(2), exempted income shall be the following: (a) Grants, scholarships, and loans provided for educational purposes;
