

Teachers and students are talking about energy education

“ I really appreciate you guys coming to our school and educating us about light and energy. It was an entertaining presentation as well as informative.
– Channing Gunter
Bluestem Jr./Sr. High School
Lebo, KS ”

“ Thank you so much for allowing us to borrow your wind tunnel and for hosting such an amazing competition. Our students had a blast and the event couldn't have run any smoother! We appreciate your hard work.
– Beloit Jr./Sr. High School
Wind Turbine Teams ”

“ You were my favorite presenters of the day! I wasn't bored for a single second, and you involved me (the girl on crutches) which doesn't always happen. Thanks!
– Emaleigh Batson
Bluestem Jr./Sr. High School
Lebo, KS ”

For more information see:
<http://kcc.ks.gov/education>

“ We really appreciated the great resource. It provided an awesome link to the unit we covered. We had approximately 152 8th graders that worked with the bikes in class.
– Michelle Johnson
Royster Middle School
USD #413 Chanute ”

ENERGY EDUCATION EVENT
from the Kansas Corporation Commission and K-State Engineering Extension.
Made possible by a grant from the U.S. Department of Energy.
