

**THE STATE CORPORATION COMMISSION
OF THE STATE OF KANSAS**

Before Commissioners: Andrew J. French, Chairperson
 Dwight D. Keen
 Annie Kuether

In the Matter of the State Corporation)
Commission of the State of Kansas Approving the)
FY2027 Uniform Penalty Assessments for the)
Regulation of Motor Carriers and Persons) Docket No. 26-TRAM-0410-MIS
Operating in Kansas Who Fail to Obey Any)
Order, Decision or Regulation of the)
Commission.)

ORDER DESIGNATING GUIDANCE DOCUMENT
AND APPROVING STAFF'S USE OF THE TRANSPORTATION DIVISION'S
UNIFORM PENALTY ASSESSMENT TABLE

The above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission). The Commission, having been briefed on the issue by the Director of the Commission's Transportation Division, finds and concludes as follows:

I. JURISDICTION

1. Pursuant to K.S.A. 66-1,108b, 66-1,111, 66-1,112, 66-1,114, 66-1,114b and 66-1,115, the Commission is given full power, authority and jurisdiction to supervise and control motor carriers as defined in 49 C.F.R. Part 390.5, and adopted by K.A.R. 82-4-3f, doing business or procuring business in Kansas, and is empowered to do all things necessary and convenient for the exercise of such power, authority and jurisdiction.

2. Pursuant to K.S.A. 66-1,129a, 66-1,130 and 66-1,142b, the Commission may suspend operations, revoke or amend certificates, and initiate sanctions or fines against every motor carrier and every person who violates any provision of Kansas law in regard to the regulation

of such motor carriers and persons, or who fails to obey any order, decision or regulation of the Commission.

3. Also pursuant to K.S.A. 66-1,142b, the Commission is authorized to assess a civil penalty of not less than \$100 and not more than \$1,000 for negligent violations of such motor carrier statutes, regulations or Commission orders, and not more than \$5,000 for intentional violations of such motor carrier statutes, regulations or Commission orders.

4. The Commission has the authority, pursuant to K.A.R. 82-1-237, to investigate an entity under the Commission's jurisdiction and order a hearing on the Commission's own motion when the Commission believes the entity is in violation of the law or any order of the Commission.

5. Pursuant to K.S.A. 66-1,142c, the Commission has the authority to compromise the amount of any civil penalty.

6. Pursuant to K.S.A. 77-438, the Commission may issue a guidance document without following the procedures for the adoption of administrative rules and regulations. Such a guidance document may contain binding instructions to state agency staff members; however, a guidance document issued pursuant to K.S.A. 77-438 lacks the force of law.

II. BACKGROUND

7. It is the goal of the Transportation Division and of the Commission to improve the safety of motor carriers in Kansas to the benefit of motor carriers and the motoring public. Civil penalties assessed for the violation of motor carrier statutes, regulations or Commission orders are focused on improving the safety of motor carrier operations.

8. The Transportation Division has compiled a schedule of fines, relevant to violations of Kansas Motor Carrier Safety Statutes and Regulations, which are incremental in a way designed to have a fair and appropriate financial impact on the motor carrier industry. In compiling the

schedule of fines, the Transportation Division has considered the appropriateness of the penalty to the size of the business and the gravity of the violation.

9. The schedule of fines takes into consideration Commission practices with respect to assessing penalties for violations of Kansas Motor Carrier Safety Statutes and Regulations, the safety impact of each violation, the size of the motor carrier's business/operations and, where relevant, the number of drivers in violation and/or number of violations discovered.

10. The schedule of fines, titled the "Uniform Penalty Assessment Table," (Penalty Assessment Table) was designated as a guidance document and approved for use by Staff in recommending penalties for violations of the Kansas Motor Carrier Safety Statutes and Regulations in the Commission's Amended Order Designating Guidance Document and Approving Staff's Use of the Transportation Division's Uniform Penalty Assessment Table (Order) issued on July 1, 2025, in docket 25-TRAM-482-MIS.

11. Pursuant to the Commission's July 1, 2025, Order, the Penalty Assessment Table shall be reviewed annually taking into consideration potential changes to motor carrier regulations and the motor carrier industry, no later than July 1 of each year.

III. STATEMENT OF FACTS

12. In accordance with the Commission's July 1, 2025, Order, the Transportation Division has reviewed the FY 2026 Uniform Penalty Assessment Table and has recommended appropriate updates in conformity with its goals of improving the safety of motor carriers while taking into consideration potential changes to motor carrier regulations and the motor carrier industry.

13. On June 24, 2026, Staff prepared a Report and Recommendation (R&R), recommending Commission approval of the Transportation Division's use of the updated FY 2027 Uniform Penalty Assessment Table. The Report and Recommendation and FY 2027 Uniform Penalty Assessment Table are attached hereto and are incorporated by reference.

14. The updated FY 2027 Uniform Penalty Assessment Table continues to be intended for the Transportation Division's use in the administration of the laws with which it is charged, to facilitate and promote consistency and uniformity in the penalty assessment recommendations made and submitted to the Commission, and to provide assurance to motor carriers and the public of the foregoing.

15. Nothing in the updated FY 2027 Uniform Penalty Assessment Table is intended to control the conduct of the public; it shall function as a reference and guidance tool for the Transportation Division. Penalty assessments made and recommended by the Transportation Division are not binding on the Commission, and the Commission retains and shall have full authority and discretion regarding any penalty assessment in any final order made and issued.

IV. STAFF'S RECOMMENDATIONS

16. Staff, in its R&R, recommends the Commission designate the updated FY 2027 Uniform Penalty Assessment Table as a guidance document, replacing the FY 2026 Uniform Penalty Assessment Table approved in the Commission's July 1, 2025, Order, and approve the updated FY 2027 Uniform Penalty Assessment Table for use by Staff in recommending penalties for violations of Kansas Motor Carrier Safety Statutes and Regulations.

17. Additionally, Staff recommends the updated FY 2027 Uniform Penalty Assessment Table be posted to the Commission website, replacing the FY 2026 Uniform Penalty

Assessment Table currently posted to the Commission website, in furtherance of agency transparency.

18. Finally, Staff recommends that the Uniform Penalty Assessment Table should continue to be reviewed once annually taking into consideration potential changes to motor carrier regulations and the motor carrier industry, on or before July 1 of each year.

V. CONCLUSIONS OF LAW

19. The Commission finds that the recommendations contained in Staff's June 24, 2026, R&R are just and reasonable.

20. The Commission finds it has the authority to designate guidance documents pursuant to K.S.A. 77-438.

21. The Commission finds it has jurisdiction over the assessment of civil penalties for the violation of any statute, regulation or Commission order relevant to motor carrier laws.

22. The Commission finds that it retains the authority to exercise discretion in compromising civil penalties pursuant to K.S.A. 66-1,142c.

23. The Commission finds the updated and attached FY 2027 Uniform Penalty Assessment Table to be reasonable and appropriately tailored to accomplish the Commission's goal of improving the safety of motor carriers in Kansas while having a fair impact on the motor carrier industry.

THE COMMISSION THEREFORE ORDERS THAT:

A. The Transportation Division's FY 2027 Uniform Penalty Assessment Table with updates is hereby designated as a guidance document and approved for use by Staff. Staff shall use the FY 2027 Uniform Penalty Assessment Table in recommending penalties for violations of Kansas Motor Carrier Safety Statutes and Regulations, except for when Staff believes a deviation

from the Uniform Penalty Assessment Table is merited. If Staff believes such a deviation is merited, Staff shall present the Uniform Penalty Assessment Table recommendation, and any alternative recommendation, to the Commission for consideration.

B. The Transportation Division's FY 2027 Uniform Penalty Assessment Table shall be posted to the Commission's website, replacing the previously approved 2026 Uniform Penalty Assessment Table.

C. The Transportation Division's Uniform Penalty Assessment Table shall be reviewed annually taking into consideration potential changes to motor carrier regulations and the motor carrier industry, no later than July 1 of each year.

REPORT AND RECOMMENDATION TRANSPORTATION DIVISION

TO: Chairperson Andrew J. French
Commissioner Dwight D. Keen
Commissioner Annie Kuether

FROM: Mike Hoeme, Director of Transportation

DATE: June 24, 2026

SUBJECT: Docket No. 26-TRAM-0410-MIS
Adoption of the FY 2027 Transportation Division Fine Schedule

EXECUTIVE SUMMARY:

The Transportation Division seeks approval of an update to the previously approved schedule of fines, pursuant to K.S.A. 66-1,142b, relevant to violations of Kansas Motor Carrier Safety Statutes and Regulations. There are five changes to the Uniform Penalty Assessment Matrix (Penalty Matrix) for FY2027, discussed in more detail below. These fines are tailored to reflect the severity of the safety concerns of each violation and to make updates to the Penalty Matrix. The Division seeks formal approval of the updated fine schedule by the Commission and intends to present this Report and Recommendation at Commission meeting on June 30, 2026.

BACKGROUND:

K.S.A. 66-1,142b gives the Commission the authority to assess civil penalties for the violation of any statute, regulation or Commission order relevant to motor carrier laws. Subsection (a) states any person violating such motor carrier statutes, regulations or Commission orders shall be subject to a civil penalty of not less than \$100 and not more than \$1,000 for negligent violations and not more than \$5,000 for intentional violations.

Keeping in mind Commission practices with respect to assessing penalties for violations of Kansas Motor Carrier Safety Statutes and Regulations, as well as the appropriateness of the penalty to the size of the business and the gravity of the violation, the Transportation Division compiled a schedule of fines incrementally in a way designed to have a fair and appropriate financial impact on the motor carrier industry.

On July 1, 2025, the Commission approved a fine schedule, titled "Uniform Penalty Assessment Table," and ordered the fine schedule to be reviewed annually, no later than July 1. The

Transportation Division has reviewed the previously approved the fine schedule and has five additional updates to make at this time.

ANALYSIS:

The fine schedule is broken down by K.A.R. section and corresponding C.F.R. Part. The attached Uniform Penalty Assessment Table sets forth fine amounts taking into consideration factors such as company size/number of drivers and number of violations. The fines are incremental in a way designed to have a fair and appropriate impact on the motor carrier industry.

UCR fees, as set forth in 49 C.F.R. 367.30, are required to be paid by interstate motor carriers pursuant to K.A.R. 82-4-30a. This penalty has been scaled in such a way that the fine increases as the number of vehicles in violation increases.

49 C.F.R. Part 382, as adopted by K.A.R. 82-4-3c, deals with controlled substances and alcohol use and testing. Because the threat of drug/alcohol abuse is a severe safety concern, many of these fines begin at \$350. All the fines in this category are divided out by the number of drivers within the company. This structure reduces the severity of a single violation by owner/operators.

49 C.F.R. Part 385, as adopted by K.A.R. 82-4-3d, deals with safety and fitness procedures. The only violation in this category relates to Haz-Mat Safety Permits. This is an area directly related to the safety of motor carriers as well as the motoring public, therefore the fine is a flat, per-carrier violation and it is consistent across all motor carriers, regardless of size.

49 C.F.R. Part 386, as adopted by K.A.R. 82-4-30, deals with out-of-service violations. These violations allow the Commission to penalize motor carriers that operate while under a federal or Commission out-of-service order. It also allows the Commission to penalize carriers that attempt to operate as chameleon carriers for the purpose of avoiding an out-of-service order.

49 C.F.R. Part 387, as adopted by K.A.R. 82-4-3n, deals with minimum levels of insurance for both property and passenger carrying motor carriers. The only violation in this category relates to failure to carry interstate insurance. This is an area directly related to the safety and protection of motor carriers as well as the motoring public, therefore the fine is a flat, per-carrier violation and it is consistent across motor carriers, regardless of size.

49 C.F.R. Part 390, as adopted by K.A.R. 82-4-3f, deals with general motor carrier safety regulations, and again these violations directly impact the safety of the motor carrier and motoring public. Fines for violations of this part are broken out by number of violations.

49 C.F.R. Part 391, as adopted by K.A.R. 82-4-3g, deals with driver qualifications. This area is still critical to safe motor carrier operations; however, the impact on safety is somewhat less direct. Therefore, these fines begin at a lower amount than the general motor carrier safety regulations and are adjusted upward as the number of drivers in violation increases.

49 C.F.R. Part 392, as adopted by K.A.R. 82-4-3h, deals with driving a commercial motor vehicle and fines for violations of this part are broken out by number of violations. Violations of this part directly affect highway wear and tear, and fine amounts reflect this consideration.

49 C.F.R. Part 395, as adopted by K.A.R. 82-4-3a, deals with hours of service and fines for violations of this part are broken out by number of violations. Violations of this part directly affect the safety of the motoring public, and fine amounts reflect this consideration.

49 C.F.R. Part 396, as adopted by K.A.R. 82-4-3j, deals with inspection, repair and maintenance of vehicles. Violations of this part directly affect the safety of the motoring public, and fine amounts reflect this consideration. Violation of this part is broken out by the number of violations.

49 C.F.R. Parts 100 through 185, as adopted by K.A.R. 82-4-20, deal with transportation of hazardous material, and fines for violations of these parts and regulations are divided out by the number of violations. Violations of this part are a serious concern for the safety of the motoring public, and fine amounts reflect this consideration.

K.S.A. 66-1,142b, deals with the Commission's ability to enforce its own orders and outlines violations for a failure by a motor carrier to comply with a Commission Penalty Order.

Proposed Updates: The following are proposed updates made to the previously approved Uniform Penalty Assessment Table which reflects changes in the motor carrier industry and/or the motor carrier safety regulations:

1. For 49 C.F.R. Part 382, as adopted by K.A.R. 82-4-3c, the civil penalties for “Failure to Implement Testing Programs” have been increased to better reflect the severity of the violation. The updated fine amount will be \$500 for carriers with 1 CDL driver, \$800 for 2-5 CDL drivers, and \$1,000 for 6 or more CDL drivers. The enhanced penalty amount for carriers with repeat violations is \$1,000 for carriers with 1 CDL driver, \$1,600 for 2-5 CDL drivers and \$3,000 for 6 or more CDL drivers.
2. For 49 C.F.R. Part 387, as adopted by K.A.R. 82-4-3n, the civil penalty for a failure to obtain interstate insurance has been doubled due to the severity of this violation. The first violation would result in a \$1,000 fine and repeat violations would result in a \$2,000 fine.
3. 49 C.F.R. Part 392, as adopted by K.A.R. 82-4-3h, has the following changes:
 - a. To align with the fine amounts in 49 C.F.R. Part 387, the civil fines for a failure to obtain intrastate insurance have also been doubled due to the severity of this violation. The first violation would result in a \$1,000 fine and repeat violations would result in a \$2,000 fine.
 - b. Staff are changing the way they penalizes motor carriers using drivers without a valid commercial driver’s license (CDL) and are introducing a new violation for motor carriers using a driver without any valid driver’s license (DL).
 - i. Previously, carriers that used drivers that did not possess a valid CDL to operate CDL-required commercial motor vehicles (CMVs) would receive one \$500 fine. Under the proposed change, a motor carrier would now

- receive a \$500 fine for each non-CDL driver that operates a CDL required CMV. The enhanced fines double the standard fine.
- ii. A new penalty has been introduced to penalize motor carriers that use a driver that does not possess a valid DL. In such cases, each driver a carrier uses that does not possess a DL would result in a \$500 fine. The enhanced fines double the standard fine.
4. For 49 C.F.R. Part 396, as adopted by K.A.R. 82-4-3j, Staff suggests changing the fine structure and penalty amounts to more effectively penalize carriers that repeatedly operate several CMVs without performing required inspection, repair and maintenance. Therefore, Staff is making the following changes:
- a. The fine structure for violations is being adjusted. Previously fines categories were divided into three categories 1 violation, 2-15 violations or 16 or more violations. The new structure will be 1 violation, 2-5 violations or 6 or more violations.
 - b. Staff propose increasing the amount of the enhanced fines for violations of 49 C.F.R. 396.3 for failing to perform inspection, repair and maintenance on CMVs. The updated fine amounts would be \$1,000 for 1 repeat violation, \$2,000 for 2-5 repeat violations and \$4,000 for 6 or more repeat violations.
5. The Penalty Matrix has been adjusted for format and to update the cover page to reflect it applies for FY2027.

RECOMMENDATION:

Transportation Staff recommend the attached FY 2027 fine schedule be adopted, replacing the previously approved fine schedule, and posted to the Commission website. The schedule shall be reviewed once annually on or before July 1 of each year.

Repeated Violations of Enhanced Civil Penalty	A repeat violation of an enhanced civil penalty occurring within twenty-four months from the date the previous enhanced civil penalty was issued against the Carrier will result in an enhanced civil penalty recommendation equal to 2X the amount that would be recommended against the Carrier, or if such a penalty would exceed the maximum civil penalty allowable by law, then the penalty recommended shall be the maximum civil penalty allowable by Kansas law; currently \$5,000.00 . See K.S.A. 66-1,142b(a).					

¹ Enhanced civil penalties are recommended if the same violation occurs within twenty-four months from the date the previous civil penalty was assessed against the Respondent.
